Pine View Association Annual Sponsorship Packages

Dear Pine View Sponsors,

Thank you for your continued commitment to furthering our mission to enhance and enrich Pine View students' school experience by supporting the school's academic, social, fine arts, and technology objectives.

Annual giving to the Pine View Association (P.V.A.) plays a vital role in shaping the education of our students. Your gift to the P.V.A. will help to ensure an excellent learning environment with many opportunities for our students to discover and embrace their passion. No other school in our county and few in our state offer the exceptional experience that Pine View provides.

The support of involved parents and generous business partners like you makes our fantastic school events, programs, and initiatives happen, including:

- Award Winning Student Clubs like Speech & Debate, Model U.N. & H.O.S.A.
- Pine View Band & Pine View Peace Jam
- Hands-On Career Day
- Extra Aides and Counselors on campus
- Free agenda books for every student each year
- E-books library and Library Tablets
- Physical Education Equipment
- Expanded STEM equipment
- Software for the World Language Department
- Music and Art programs
- Pine View Pride and Proud Pythons
- Faculty and Staff Appreciation Week
- Pine View Fair
- Peramathon

Every gift counts, and the amount of your donation is a personal one. It is not about how much you give but that you believe in what Pine View does by participating. Your family or your business will be recognized in all our Pine Views publications, and P.V.A. sponsored events throughout the school year. You and your guests will also be invited to attend our annual appreciation event to meet with P.V.A. board members to continue collaborating on giving Pine View students the best possible resources to grow & thrive.

Sincerely,

P.V.A. Sponsorship Committee

SET THE P.A.C.E.

Partners to Achieve Classroom Excellence

Please consider sponsoring a classroom(s) this year through P.A.C.E! The PVA P.A.C.E. committee generates valuable donations for our teachers and instructional staff to purchase additional classroom items such as: software, classroom books, visual aids, enrichment materials and many other items. **Unlimited P.A.C.E. donations may be made per classroom.**

It's not necessary for your child to be in the classroom(s) that you choose to sponsor.

Departments such as PE, music, art, computer lab, foreign language, chorus, band, orchestra, media center, guidance, and others need sponsors too!

To become a P.A.C.E. sponsor, complete this form and make your TAX-DEDUCTIBLE CONTRIBUTION today!

September 27, 2019 is the deadline for accepting donations.

For Grades 2-5 and Department donations contact Jill Creevy at jcreevy123@verizon.net or 941-993-7391. For grades 6-12 donations contact Jill Middleton at jillcmiddleton@hotmail.com or 941-416-1976.

Dear Pine View Families,

One month has passed since school started — I hope your kids have gotten into their routine, made new friends and are enjoying their classes.

August was full of exciting events for PVA! We attended: New to PV orientations, Meet the Teacher, New to Parent Coffees, and Open Houses for Elementary, Middle and High School. It was such a pleasure to welcome new parents as PVA members and have parents renew their membership.

I would like to take this opportunity to thank all the Pine View families who have already signed up with Membership Toolkit and for making donations and/or becoming annual sponsors. All your contributions will go right back to PV School!

We would also like to thank all our wonderful annual business sponsors. While reading through PineViews, you will see their names, ads and logos listed. I am sure you recognize many of them from previous years. Pine View is so lucky to have such a loyal base of support!

This month onwards, I want to start a new tradition. We talk so much about PVA and what we do, but we sometimes forget about the wonderful volunteers who work tirelessly behind the scene to make our school a better place. From this issue on, we will feature members of PVA, and tell you who they are and what they do at PVA. I hope you will enjoy this little new feature. We also would like to highlight more of our PVA-supported school events, like parent coffees, Proud Python, PV pride and so much more. If you have pictures for us, please send them to pineviews@yourpva.org, so we can share them with the whole PV community.

In an effort, to be more visible to all of you, PVA has joined the social media scene: please follow us on Facebook (Pine View Association PVA) and Instagram (Pineviewassociation). And don't forget to check out our webpage: www.yourpva.org, for the latest on volunteer opportunities, fundraiser updates and other useful information.

And last, but not least: Please join us all at Read-A-Thon on September 7th-20th! You will find all dates and schedules in this issue of Pine Views!

Have a wonderful month of September!

Yours truly,

Isa Chauhan
PVA President

Dear Pine View Families,

Welcome to Pine View School's 2019 Rocket Read-A-Thon! We are preparing to launch on September 7th and your participation is critical to the success of our mission to raise \$50,000 & read 500,000 minutes from September 7th to September 20th. You will be rewarded for your participation through our daily prize drawings and more (read all information provided). The funds raised will help provide classroom materials, projects and STEM activities at elementary and middle school levels. Please donate at: <https://www.yourpva.org/donate/> and use the "Read-A-Thon" option.

More about the mission: The Read-A-Thon is our school's fundraiser that hopes to fuel our students' enthusiasm for reading as they collect pledges from family, neighbors, friends and more. This is the first year that the middle school will join the elementary students in participating in the Read-A-Thon. Will the elementary students beat the middle school in both their reading and fundraising goals?

Stay tuned....

Each student receives this flyer, a custom designed bookmark and a pledge envelope with reading log in this packet. We recommend that each student's reading goal be 500 minutes during the Read-A-Thon period. We suggest finding time to read on the bus, while waiting for after-school activities to begin, while traveling (such as a long car or plane ride), or in the hour before bedtime. Having a parent or sibling read to their Read-A-Thon competitor also counts! The daily reading recommendation is 35 minutes. Listening to audiobooks will not count toward the reading goal.

Artwork by 6th grader Aarya S

Fundraising through online donations makes you eligible to participate in the daily prize drawings!

Be sure to tell the sponsors to write the student's name with the donation so we can credit the student accurately.

Donations can be made by using the Read-A-Thon dropdown at: <https://www.yourpva.org/donate/>

RULES

1. Flat online donations per student of \$150 or more would enroll the student and parent in daily prize drawings for ALL days. Be sure to contribute early for more chances to win.
2. Contributions should be the minimum suggested amount on the daily prize drawing day (see chart below) and can be higher but not lower.
3. Students winning the daily drawings will receive a one hour all activity pass to Knockerball N Ninja's; the parent/guardian responsible for the ONLINE DONATION gets to choose one reward from the daily prize list. Everyday, one teacher or administrative staff who has actively helped support the Read-A-Thon gets to win too!
4. Daily Prize winners can make selections on a first come, first earned basis and cannot be exchanged once committed to.
5. If parents have multiple children, please be sure to mention which child the online contribution is associated with. Only one child can be associated with each contribution. Multiple contributions can add up to the daily suggested online donation amount.
6. Winners will be announced the next day, listen to the daily morning announcements at Pine View and PVA FaceBook updates.
7. Daily Prizes can be selected by calling or texting **Priya Acharya at 941.321.9334 or emailing: priyanaveen2008@gmail.com**
8. Daily Prizes will be available in the office for collection on Friday, 9/20/19
9. Students can include daily online contributions toward their overall pledges collected and will receive more prizes based on total donations raised by them. **Donations can be made by anyone at: www.yourpva.org/donate**

Meet Your PVA Board

Isa Chauhan ...

Q: Where were you born and raised?

A: I was born and raised in Hamburg, Germany. I came to the United States for the first time when I was 19 years old to study Environmental Engineering.

Q: How did you end up in Sarasota Florida?

A: I met my now husband Asim in Atlanta, Georgia, when I first came to the United States. We were young and decided to live in Sarasota for a short while — we never left and started our family in this beautiful town.

Q: What's your connection to Pine View?

A: We have three children: Mira (21), Naina (16) and Julian (15), all who have been to Pine View or are still at Pine View. Mira graduated in 2016 and is now a senior at the University of Chicago, Naina is a Junior and Julian is a Freshman at PV.

Q: Why did you pick Pine View?

A: We thought it would be a good fit, for several reasons, we liked the fact that it went all the way through high school, we also liked the openness of the campus and the freedom and independence the student's experience from an early age on, and, of course, PV's reputation as one of the best schools in the country was a major factor as well!" PV was the perfect fit for Mira and, later, Naina and Julian followed in Mira's footsteps. They all love their school and never even considered changing after 8th grade.

Q: What is your role in PVA and what do you like about PVA?

A: I am very honored to serve as PVA's president this year. Joining PVA and being involved in school activities and events was really a no-brainer; the school has given so much to our family, the teachers are dedicated and amazing, our kids are happy at Pine View, so giving back to school is a pleasure and an honor. Being part of the PVA family does not only help me understand the school better, but also is a great opportunity to meet fellow parents and teachers.

Camille Cline ...

Q: How did you get involved at Pine View?

A: From helping in classrooms and on field trips, to serving as a Supply Sale, Pinnacle, Holiday Wish List, Fair, and Peramathon volunteer, I have been involved with PVA since my daughter, Senior Kemper Bernstein, started as a 2nd Grader in 2010. My son, Jack Bernstein, Class of 2023, followed three years later in Mrs. Cookerly's class. They love their teachers, friends, and all the experiences and knowledge Pine View School for the Gifted affords them.

Q: How have you helped since joining the PVA Board?

A: Since joining the Pine View Association (a 501c3 non-profit organization; yourpva.org) board in 2013, I have served as Legislative Chair/Parliamentarian, Pine Views Managing Editor, President, Funding Request Chair, and Governance Chair. Any parent, teacher, or alumnus/alumna who is a servant-leader should consider filling out a nomination form to join the PVA Board. No experience necessary, but it does help.

& Committee Chairs

Camille Cline ... *continued from page 28*

Q: What do you hope for Pine View's future?

A: Pine View is a family that's always evolving to make our community and world a better place. We have an opportunity to help our students and their families with our presence, expertise, and resources. And we can identify, cultivate, and recognize those who share in this journey with us. I never dreamed how much Pine View would enrich our family. I wish to express gratitude for the education my children have attained by supporting all our students, teachers, parents, and staff so that future families may share the joy.

Priya Acharya ...

Q: Where were you born and raised?

A: I was born and raised in India and moved to the United States in 2002 to study my Masters in Finance in Chicago.

Q: How did you end up in Sarasota Florida?

A: My husband wanted to move to Sarasota for his work and we came here in January 2010 and decided that this was home from now on.

Q: What's your connection to Pine View?

A: My son, Neil, is in Miss Wozniak's Fifth grade class and my daughter, Leena, just turned five and is in Kindergarten but hopes to follow her big

brother's footsteps and join Pine View in second grade.

Q: Why did you pick Pine View?

A: From the day we moved to Sarasota, all we heard was about how we should send our son to Pine View because it was the best school in Florida. When it came time for Neil to be in second grade, we felt that Pine View would be a great fit for him academically, culturally and socially. It's been a great choice and Neil is happy to be part of Pine View School.

Q: What is your role in PVA and what do you like about PVA?

A: One night this June, I was called and requested to chair the Read-A-Thon fundraiser. I learned that it had a successful launch last year and that there was no one available to chair it this year. I found it to be my responsibility as a parent of a big community of over 2000 parents to do my part and help the school in every way that I could. I simply could not let the school lose some valuable funds from a wonderful program that was struggling to find a chair and so I took it on. I hope Pine View students and teachers enjoy all the exciting events and prizes planned for the Read-A-Thon, while helping support the school by requesting pledges from their family and friends.

It's each of our responsibility to give back to the school that does so much for our children and their future. Its a pleasure to find some like minded people in PVA who genuinely care for the greater good of the school and its community.

Attention Pine View School Parents

We are excited to announce that we will be using Membership Toolkit for our Directory, Online Sales and Communications starting with the 2019-2020 school year.

We invite you to visit yourpva.membershiptoolkit.com to see everything your Pine View Association has to offer this year. Once you create a verified Membership Toolkit Account, you will have access to view our PVA Student Directory.

When registering and creating an account, as long as you use the email address that the invitation has been sent to, your user account will be automatically linked to your information we imported from MySchoolAnywhere.

Here's what you need to do:

- Go to <https://yourpva.membershiptoolkit.com>.
 - Click on the Register/Login button.
 - If you already have an account with another organization that uses Membership Toolkit you can use the same email and password to login. You can then proceed to the numbered steps below.
 - Select "Create Account" and fill in the name, email, and password information.
 - Click "verify my email" and then check your email for a link to complete the process. The link expires in 2 hours. If you do not receive the email, check your spam or junk folders.
 - Once you have verified your email address, log back in and finish the registration process.
1. Complete or confirm the **Parent/Family and Student Information**.
 2. Complete or confirm the **Directory/Publish Preferences**.
 3. Once these forms are completed or confirmed, you will have access to the PVA Student Directory!

Once the Primary Account is set up, the **Primary User** can "invite" other email **addresses** to access his/her account. This allows the Secondary User to have their own login information, but still have access to the family account.

If you are receiving this email by mistake, please reply to admin@yourpva.org and tell us, and your account will be made inactive.

Questions? - Please don't hesitate to contact us at admin@yourpva.org.

Out of Field Notification

8/27/19

Guidelines from the Department of Education requires schools to inform parents if any teachers are “Out-of-Field.” For teachers at Pine View, this typically means they are lacking the courses for gifted education endorsement and/or ESOL.

The following teachers are listed as “out-of-field”: **Dylan Bell, Wendy Hazlett, Maggie Higgins, Rachel Lenerz, Pamela Novak, Marie Rosander, John Shea, Leslie Stewart and Patricia Zdravkovich.**

Most of our teachers in this category are currently enrolled in coursework that will address this “out-of-field” status.

Principal's Perspective

September 2019

Dear Pine View School Parents and Community:

Welcome back and what an amazing start to the 2019-2020 school year! Pine View School is so fortunate to have such wonderful students, parents, staff, and faculty members, and we believe that our strength as a school and community lies in our shared vision of what we strive to accomplish daily!

Thank you to PVA who sponsored the new-to-Pine View parent coffees in the Multipurpose Room this year! If you have not already joined PVA, please, visit www.yourpva.org! It is free, helps you stay connected, and the support this group provides our students and teachers is unparalleled! While certain clubs, classes, and organizations on campus may still use Remind.com; however, Pine View School as a whole will no longer use this service as the previously-free service has changed their business model to a pay service for large schools such as Pine View. *Our commitment to proactive communication with parents and our community will be just as strong and frequent as it has been in the past, though- we will use texts, automated phone calls, our website, social media, and the district app to keep our community informed!*

We are committed to supporting all students in a highly rigorous academic setting while developing personal and community responsibility, and this year is off to a wonderful start! The month of September, as you will see in this issue of *PineViews*, is full of activities for you and your child(ren) at Pine View. Although it feels like we never slowed down from last year's exciting 50th anniversary celebration, events and successes throughout the year- this year may prove to be even busier!

We will be sharing with our community the intensive and extensive work of the Pine View Vision-setting Committee which has been working for over a year on a draft vision statement for Pine View School- one that is aspirational and supports our mission in working with and supporting the needs of gifted students at Pine View. At multiple points in the journey of this committee that included students, alumni, parents, faculty, district personnel, community members, and administrators, feedback was solicited, received and most important- *heard*. We will be sending a mailing home with more information and a post to our website. Thank you to all members of our community who served or provided feedback in the process!

We are continuing our work in the social and emotional development and support of our students through our 212° Forum series this year with each class spending some time with me in the auditorium considering the motivational and thought-provoking messages regarding the importance of mindset, which we share with our students. Mindset and a belief that failure is not defining if one views experience as an opportunity to learn and grow is critical.

Also, Pine View's new construction project is in the design phase as an architectural firm and a construction management firm have been selected by the School Board. Harvard-Jolly will partner with Tandem Construction, the School Board, and Pine View School to create a learning space appropriate for our campus and the unique learning needs of our students. We anticipate sharing more information with parents and our community as the process moves along this fall!

We are excited to welcome several new faces to Pine View School in the front office and on campus this fall. Please, join me in welcoming Pine View's new middle school assistant principal, Ms. Melissa Abela to Pine View! Also, serving in the capacity of assistant principal for elementary grades, Dr. Allison Sheppard. Our new School Resource Officer is a member of the Sarasota County School's Police Department, Officer John Bobianski. Each of these individuals brings with them amazing passion, dedication, and experience to meet the needs of our students!

We look forward to another year at Pine View School- *Building on Our Tradition of Excellence for All!*

Pine View School Mission Statement

The mission of Pine View School is to provide a qualitatively different learning environment that nurtures a passion for intellectual curiosity, encourages risk taking, independence and innovation, and is committed to a tradition of academic excellence and social responsibility.

SAC Mission Statement

The mission of the School Advisory Council (SAC) is to enhance school decision making to improve students' academic performance and intellectual, social and emotional growth and development. As such, the SAC serves in an advisory capacity to the principal regarding school improvement; assists in preparation and evaluation of the school improvement plan; and provides input and assistance in preparation of the school's annual budget and the use of school improvement funds, as per Florida law.

SDMT

Mission Statement

The Shared Decision Making Team is the policy making body at Pine View. Teachers, support staff, parents, and students have representatives who serve on this committee. Visitors are welcome to attend.

Attendance Information

ATTENDANCE POLICIES

You can view your student's attendance information on the 'FAMILY ACCESS' portal

ALL ABSENCES For an absence (including those for religious observance) to be considered **excused**, one of the following must be submitted to the front office within 3 days of a student's return to school:

- **Signed absent note from parent/guardian** that includes student name/grade/dates of absence/reason for absence. If a reason is not given the absence will not be excused.
- **Doctor Note** – Highly recommended anytime available.
- **Passports** - To excuse a future, full day absence, a student must bring a signed note to the front office at least 3 days prior to the anticipated absence. This note is then attached to the passport form which must be signed by all teachers and a parent/guardian before being returned to the front office for administrative review. Passports will NOT be excused for students identified as *excessively absent* (see below) or during FSA's, EOC's or other standardized testing.

PARTIAL DAY ATTENDANCE

Per Sarasota County School Board policy, a middle or high school student must be present 4 periods of the school day to be considered in attendance for the day. Elementary students must be in attendance until 12:30 and/or not dismissed prior to 12:30 to be considered in attendance for the day.

EARLY DISMISSAL PROCEDURE

All students leaving campus prior to the end of their academic day MUST be signed out in the front office. To avoid classroom disruptions, a student should bring a signed note from a parent/guardian to the front office before school to obtain a pass to be dismissed from class. The student then meets their parent/guardian in the front office for sign-out. High school students (including those who are 18) leaving campus early and driving themselves MUST have a signed note from a parent or guardian advising that the student has permission to leave school early (For safety, random verification calls to home will be made). If a student is being picked up by someone other than a parent/guardian, the student MUST have a signed note from the registering parent/guardian giving permission for the student to leave with the person named in the note.

EXCESSIVE EXCUSED LATE ARRIVALS/EARLY DISMISSALS

If a student has 5 excused late arrivals or early dismissals in a semester, Pine View School considers this excessive and will require doctor notes for future late arrivals/early dismissals to be considered excused.

EXCESSIVE ABSENCES

If a student has nine absences/semester or eighteen absences/year which have not been excused with medical documentation, the Sarasota County School District deems this to be excessive and Pine View School will require doctor notes for future absences to be considered excused.

MORNING WAKE-UP CLUB

If a high school student is late to school five times without an excuse note, the student will receive a letter inviting them to join the "Morning Wake-Up Club". If the family 'opts in' to this intervention they will receive an automated Connect-Ed message at 6:30am encouraging their student to arrive on time for school.

UNEXCUSED ABSENCES

High School students: Attendance and administration closely monitor unexcused absences (full day or any day with one or more unexcused class periods) and the following steps are taken:

5 unexcused – counseled by grade level administrator

10 unexcused – Saturday school and referral

15 unexcused – Saturday school and **** Loss of PV parking for two weeks (HS only)****

LOSS OF PERMIT/DRIVER'S LICENSE (8th-12th Grade)

The attendance records of students (ages 14 - 17, 8th - 12th grade) who have 15 unexcused absences (includes any day with one or more unexcused class periods) within a 90-calendar day period are automatically forwarded to the Department of Highway Safety and Motor Vehicle by the Sarasota County School District and driving privileges (license/permit) may be revoked.

Absence Excuse Form

ABSENCE EXCUSE FORMS

Dear Parents and Guardians,

On the following page are two blank, absence request forms for future use. This form includes all the necessary information that attendance needs should your child be late to school, is absent or requires an early dismissal. (High school students with a driver's license, a registered parking space and a signed note from a parent may leave early and drive themselves.) The 'other' category can be used to request a Passport for a future full-day absence.

STUDENTS 18 YEARS OF AGE MUST STILL HAVE
NOTES FROM HOME TO EXCUSE ABSENCES,
TARDIES AND TO LEAVE CAMPUS EARLY

Please feel free to detach and copy this form for use throughout the school year - more copies can be obtained in the front office. This form is not required to excuse an absence but is simple to complete and will help assure that you've included all the necessary information for your child. Handwritten, signed notes are still accepted and doctor notes are always strongly recommended when available.

Thank you,

Pine View School Attendance

News from Carline – Policies and Associated Rationales

Hello Pine View Families!

Your carline attendants want to help make your experience as pleasant as possible, and we know that drop-off and pickup can be stressful times of the day. Here are some tips to try to make things easier:

High School Morning Drop-off in the Parent Loop

- Students should not be exiting the left side of the vehicle at any time for any reason. We realize many of our students are learning to drive but students are left vulnerable if they are out of the car on the left to switch seats with a parent.
- When cars are unloading their students, passing them is a safety hazard. Please stay in the right lane to drop off your student and then merge into the left lane to exit the parent loop.
- Pull up as far as possible in the drop off lane to keep traffic flowing.

Elementary and Middle School Morning Drop-off in the Parent Loop

- Around 200 cars drop off students in the loop between 8:45 and 9:15!
- Did you know that we can fit almost 20 cars in the parent loop at a time? Please pull your car all the way up so that as many students as possible can exit their vehicles at one time. There may be 100 cars behind you!
- Once you have reached the sidewalk/awnings, and the cars in front of you have stopped, students should exit their vehicle. *Using the whole sidewalk for drop-off helps carline move more quickly.*
- Students must exit their vehicle on the **curb side only** for safety reasons.
- The lanes merge at the end of the loop – students must be dropped off at the curb prior to the merge.
- We really appreciate your children having their things organized so they can quickly hop out. If your child requires a great deal of assistance, you should use the parking lot or pull forward to the end of the loop.
- Parent expectations – please put your phone away, wait in the line unless otherwise directed – don't pull around a car that has stopped, stay in your vehicle, drive cautiously (5 mph), and bear with us as we try to get all of the cars and students where they need to go.
- Efficient drop-offs help all of our students arrive at class on time!

Morning Drop-off requiring assistance

- If you need to get out of your vehicle or accompany your child onto campus, please park in the visitors' spots in the main parking lot.
- Make sure to sign in at the office if you are walking your child to class. Our school day starts at 7:21 for high school students, so all visitors need to be signed in between 7:21 and 3:52.

Afternoon Pick-up in the Parent Loop

- We have around 100 cars picking up students in the loop between 3:50 and 4:15.
- It is essential that you pull your car all the way up, regardless of where your child is standing. You may want to remind your child to watch for you, and feel free to ask one of the attendants to call for your child if s/he didn't see you.
- Please only allow your child to enter the car on the curb side. Traffic is moving through the outside lane, and our students' safety is our priority.
- Elementary students who are not picked up by 4:10 may be asked to wait in the office. If your children are in the office after carline is over, you may park in the loop and come in and get them.
- High school pickup – please do not switch drivers in the parent loop. If the driver needs to get out, please use the parking lot.

Afternoon Pick-up in the Shell Lot at 3:52

- The Shell Lot is another afternoon pickup location. Students will be waiting on the sidewalk under the awning.
- It is essential that parents park, get out of their cars, and come get their children from the sidewalk. This is because we cannot be responsible for supervising children crossing active traffic.
- After 4:05, elementary students will be brought from the Shell Lot to the office.

MATH DEPARTMENT TAKES A.I.M.

The AIM Resource Center – AIM stands for “Academic Intervention and Mentoring” – is now open in Room #106, Building 1.

The Resource Center will be an excellent support system for students and their teachers. Ms. E. Padgett, the AIM Resource teacher, is very excited to have this opportunity to work directly with PV’s student body and has outlined a wide variety of services to accomplish this goal. Depending on the service, students are referred by their math teacher or can sign-up on the AIM Resource website to come in. Services include:

- iReady/Algebra Nation Club - will be offered before school (during Period 2 from 8:18 am – 9:10 am) and during students’ lunch periods. Students in Grades 2 – 10, who are referred for this service, will be provided with a personalized math program, designed to support their growing proficiency within specific skill areas. According to Ms. Padgett, “Mathematics is based around a continuum of skills. Each year builds on the skills previously learned. Being able to identify even the smallest of weaknesses or gaps is one thing; having the opportunity to work directly with students to fortify weaknesses and close gaps is awesome”!
- Literacy Lounge - an inviting way to incorporate mathematics and reading. A donation library of interesting stories and articles will be provided to include Elementary, Middle and High School materials. Students can come in and relax, read amazing stories and learn something new! Sign up on the AIM Resource website to come in during your lunch.
- Small Group Collaboration - students (up to 5 at a time) can work together on assignments, projects, makeup homework, hands-on activities, etc. Students can either be referred by their math teacher or sign-up up on the AIM Resource website.
- Enrichment activities - students will have a chance to do some critical-thinking enrichment pertaining to the specific unit of study in which they are working. These enrichment activities can earn you some cool classroom rewards! Sign up on the website!
- Math Magic (Grade 5): Ms. Padgett will be organizing the Math Magic club for select students in Grade 5. This group will investigate how the seemingly complex world of numbers and algebraic reasoning can be viewed in a new way. Math Magic create a sense of wonder and curiosity about mathematics. It’s the fun way to learn short-cuts, tips and tricks! Ms. Padgett says “I love doing math magic with students. I want to create a way for our emerging middle school students to view math as something that can be fun, as well as challenging. I want to encourage them to see beyond the question ‘What’s the answer?’ and to learn how to use critical thinking skills to explore and discover ‘How is it done? What’s the trick?’” Look for information coming home soon!
- Makeup homework or testing
- Homework assistance
- And more!

For more information or for students to sign-up for selected services, be sure to visit the AIM Resource website at: <https://EPadgett.educatorpages.com>.

It’s going to be a great year!

MIDDLE SCHOOL HONOR ROLL CRITERIA FOR GRADES 6, 7, 8

Students and Parents!
Please read the following information
regarding Honor Roll as your child enters
Middle School!

The criteria for Middle School Honor Roll is as follows:

A's are 4 points
B's are 3 points
C's are 2 points

Specials are ***not*** used to calculate the GPA, however, we encourage all students to give it 212 degrees in these classes nonetheless.

The minimum GPA to make honor roll is a 3.5.

For example, *if* a student has a report card that is the following:

Spanish 89 = **3 points**
Math 80 = **3 points**
Social Studies 91 = **4 points**
Science 95 = **4 points**
Language Arts 92 = **4 points**

This would mean that the student has an average of **3.6**.
Total the points $3+3+4+4+4 = 18$ divided by 5 (the number of classes).
This student made the honor roll!

If you have any questions regarding Middle School GPA calculation, please contact Mrs. Kelly Hawking, Pine View Middle School Counselor

COMMUNITY INVOLVEMENT

Just a Reminder, all volunteers need to register this year in the new system! They will be NEW VOLUNTEERS. The Community Involvement office will add level 2 data to volunteer profiles. Volunteers can add other schools once they log into their profile from the top dashboard icon. It is quick and easy to add another school.

Instructions for registering as a volunteer in the Community Involvement Portal:

1. Go to the Community Involvement Portal:
https://volunteer.samaritan.com/custom/528/#/volunteer_home
2. Search for the school you are interested in volunteering for.
3. Click on the school opportunity.
4. Select "SIGN UP" on the left side of the screen under the photo.
5. Select "NEW VOLUNTEER" and complete the application. EVERY volunteer needs to do this whether they have volunteered for 20 years or are brand new.
6. If you are a SCS Staff Member or Student, this is when you are finished. If not...
7. After you submit your application, you will receive an e-mail within one to two business days from "Sarasota County Schools <TheAdvocates@VerifiedVolunteers.com>" to complete a background screening. Click the link provided in the e-mail that starts with <https://app.verifiedvolunteers.com/verify> followed by a bunch of letters and/or numbers.
8. Complete the background screening using the information you provided in your application. Most of this information will auto-fill so you will only need to retype a few sections.
 - *Please note: This background screening will request your social security number. This is a secure server that is only associated with Sarasota County Schools. If you do not have a social security number or do not wish to provide it, this could extend the time it will take for approval due to a potential result in false background check findings (i.e., someone with the same name and birthday).*
9. You will receive a confirmation e-mail from "TheAdvocates <TheAdvocates@VerifiedVolunteers.com>" once Sarasota County Schools has reviewed your background screening.

Community Involvement – Volunteers Count!

Level 1 Volunteering

Level 1 is the starting point for all volunteering. You must be Level 1 approved before you can be Level 2 approved. With a Level 1 clearance, you must stay within eye and earshot of a school faculty member or teacher at all times.

To become a Level 1 volunteer, you should:

1. **Sign up!** Sign up on the district's volunteer portal called [Volunteers Count!](#) You can do this from home, at any Sarasota County school, or at the Office of Community Involvement (OCI) the Landings. OCI will notify you when you are approved.
2. **Reach out!** Once approved, you will be added to the schools approved volunteer list. If you are eager, reach out to schools so you can get started ASAP!
3. **Find the best fit!** If you aren't sure where you want to volunteer or what you want to do, contact the school district's Office of Community Involvement to find a school that needs your specific skill set. You can call (941) 927-9000 ext. 31500 or e-mail CommunityInvolvement@sarasotacountyschools.net.
4. **Possibly get Level 2!** Once you are level one approved, you may proceed to get your Level 2 clearance completed. Please Click "Level 2 Volunteering" to learn more.

Level 2 Volunteering

Level 2 is the highest volunteer clearance. This clearance permits you to be alone with students for volunteering purposes. This is also a common clearance needed to chaperone field trips and mentor. To get a Level 2 clearance, you must be fingerprinted by the district's Safety and Security Department.

To become a Level 2 volunteer, you should...

1. **Get Level 1!** You must first be a Level 1 volunteer before you become a Level 2 volunteer. You can become a Level 1 volunteer by applying on our volunteer portal, [Volunteers Count!](#)
2. **Be fingerprinted!** You can be fingerprinted at the District Safety and Security Department at the Landings or the North Port Police Department. The Office of Community Involvement will notify you once you are approved.
 - **Safety and Security Department at the Landings**
 - By appointment only
 - Hours: 8:30am to 12:00pm and 1:00pm to 3:30pm
 - Address: Blue Awning Building, First Floor at 1950 Landings Blvd. Sarasota, FL 34231
 - Phone number: (941) 927-9000 ext. 31132
 - E-mail: scsbfingerprinting@sarasotacountyschools.net
 - **North Port Police Department**
 - Please connect with a Volunteer Coordinator at one of our North Port schools to get information on how to be fingerprinted at the North Port Police Department.

Recycling at Pine View

Welcome to our new school year.

Once again, Pine View will be doing some recycling to keep items out of our landfill. Thanks to Mr. Labiner and Mrs. Krogman, we will be recycling:

Electronic Waste (E-Waste) every Tuesdays from 8:30 AM – 9:30 AM at the entrance to the Faculty parking lot. This is a service free of charge for items such as **computers, cables, fax machines, DVD/CD/VHS players, video game consoles, printers, electronic toys, power supplies, rechargeable batteries, scanners and keyboards.** Please NO TVs or computer monitors.

We also will be recycling **printer cartridges, GoGO Squeeze pouches, musical instruments, can tabs, plastic rings from multi-pack drinks, and old markers.** These can be dropped off at the Front Office or taken to Room 128 in the Yellow Building.

Our goal for this year is to **decrease the number of single-use water bottles** on our campus. We recommend refillable water bottles for your students to help our effort to reduce the amount of plastic going to trash. We have a refilling station in the Student Union, and we are working towards installing a few more stations on our campus.

PINE VIEW RUN CLUB STARTING SOON!

Pine View Run Club **Spark Brain Builders**

**A before school exercise
program to prime the brain
for learning**

How Does Exercise Impact Learning?

Everyone knows exercise is good for your body. However, did you know that exercise immediately benefits your brain as well?

Exercise produces numerous chemicals that affect cognition, mood, and executive function. A chemical that dramatically increases post-exercise is BDNF.

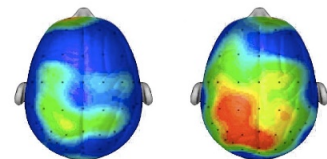

BDNF – Brain-Derived Neurotrophic Factor – is like “miracle grow” for your brain.

BDNF causes growth in connections of brain cells (learning), growth of capacity of systems (attention, memory), and is even involved in growing new brain cells (previously not thought possible!).

BDNF is an anti-depressant, anti-toxic stress factor and correlates with intelligence and memory. Dr. John Ratey, a psychiatrist from Harvard, says that if exercise was a medication, we would all want to buy it – the effects are so beneficial and so powerful.

“SPARK Brain Builders” is an expansion of the already successful Run Club – SPARK will be held five days a week, starting on September 3. Forms will be coming home soon for elementary and middle school. All students MUST have a completed form in order to participate!

Composite of 20 student brains taking the same test

Spark Brain Builders will meet each morning from 8:15-8:45 on the track (weather permitting). The track will be supervised, and students are encouraged to get out and run or walk. Parents are welcome to accompany their child/children. If you can volunteer to help, please contact Cindi Wozniak!
