Dear Pine View Families,

Welcome to a new year at Pine View! the summer has flown by and my family and I can't believe that school is starting again. But we are all very excited. A new year brings new teachers, new challenges, new friends and new opportunities. For those returning parents, there will be a new opportunity for involvement with the schedule of PVA events. The PV Fair is moving to the spring, when it is cooler, and the Peramathon will be in early November, so it's not so blisteringly cold. Pinnacle will remain in January, as it was last year.

Pine View will be turning 50 this year and we will have a whole slew of events to recognize this momentous occasion - Stay Tuned!

Our next PVA meeting is Tuesday September 11 at 6:30pm in the Student Union. It is a open full membership meeting. We will be voting on a few changes to our by-laws and all parent members have a vote. We will be joined by our new board members **Isa Chauhan, Susan Harris, Amy Lenhart, Scarlett Guy, Kati Burns** and **Valerie Rupp**. Current board members **Mildred Pastorizo** and **Robert Gray** were reelected for another 3 year term. All parents are welcome to join us. It's going to be a great year.

See you at Pine View!

Ben Turoff
PVA President

Pine View's 1st Annual Read-A-Thon is coming!

Information packets will be sent home on Tuesday, September 4th.
Read-A-Thon: **September 10th – 21st**.

If we meet our fundraising goal of \$10,000, you can see Dr. Covert and our beloved aide Mr. Lenny compete in a game of 'Egg Russian Roulette' as seen on The Tonight Show with Jimmy Fallon!

Principal's Perspective

August 5, 2018

Dear Pine View School Parents:

Welcome back and what an amazing start to 2018-2019 school year! Pine View School is so fortunate to have such wonderful students, parents, staff, and faculty members, and we believe that our strength as a school and community lies in our shared vision of what we strive to accomplish daily! There have been incredible new faculty and staff hired to join our Pine View family this summer, and please welcome them. A complete list is available on our website.

Thank you to PVA for sponsoring the new-to-Pine View parent coffees in the Multipurpose Room this year! If you have not already joined PVA using the all-in-one-form, please, visit www.yourpva.org and join today! It is free, helps you stay connected, and the support this groups provides our students and teachers is unparalleled. Also, to help “spread the word” and increase communication between the school and home, we encourage everyone to join our free communication service called Remind.com. It’s free, easy, and quick to join- simply text @pineviewsc to 81010 on your phone to receive updates, emergency messages, information on school events, and more!

Although it feels like we never slowed down from last year’s exciting events and successes throughout the year- from PV Fair, to Pinnacle, to Peramathon, to Cobalt, testing, GradBash, and another graduation ceremony at the Van Wezel- this year may prove to be even busier! Our academic successes were even greater this year, and we will be sharing data with parents on just how amazing our students demonstrated mastery- we know that you are proud, and we say kudos to our teachers for inspiring, motivating, channeling, and supporting their stellar work!

This summer was incredibly busy with HVAC renovations and many areas on campus have new paint, sod, sidewalks, energy-efficient LED lights, and much, much more. Construction has begun in earnest on the new interior to Building 11 (Purple), and the contractors should begin the front office safety and security demolition/glass installation in September. Once the area is prepared, it will take several weeks for them to custom manufacture the bullet-resistant glass, and we will keep students and parents informed about new front office entrance areas as we get closer.

We are continuing our work in the social and emotional development and support of our students through our 212° Forum series this year with each class spending a few minutes with me in the auditorium regarding the importance of mindset. A social and developmental psychologist at Stanford University, Dr. Carol Dweck has conducted extensive research and has written on the importance of mindset which may have a profound impact on the ability of our children to view adversity as opportunity. As Dr. Dweck shared in an interview at Stanford in 2012:

“In a fixed mindset students believe their basic abilities, their intelligence, their talents, are just fixed traits. They have a certain amount and that's that, and then their goal becomes to look smart all the time and never look dumb. In a growth mindset, students understand that their talents and abilities can be developed through effort, good teaching and persistence.”

This year is incredibly exciting for many reasons, but chiefly among them is that this is Pine View’s 50th anniversary! In January of 1969, a small group of highly-dedicated educational professionals came together to create a unique and special place where the learning needs of gifted children could be met. Over the last 50 years, our school has continued serving our community, and there are many celebrations planned for the entire year. A #PV50 steering committee of parents, students, alumni, faculty, and more will be sharing event information soon.

We look forward to another year at Pine View- *Building on Our Tradition of Excellence!*

Stephen P. Covert, Ph.D.
Principal

Attendance Information

Attendance Information Sheet – Please Keep!

Your student's attendance information can be viewed on the 'FAMILY ACCESS PORTAL'

ALL ABSENCES (Including those for religious observance)

For an absence to be considered **excused**, one of the following must be submitted to the front office **within 3 days** of a student's return to school:

1. AN ABSENT NOTE - The note must include your child's first and last name (please use the name that was used at registration), their grade, the **reason** for the absence and a parent/guardian signature.
2. A DOCTOR NOTE - Please be sure your child's full name is on the note.
3. PASSPORTS can be used to excuse a **future** absence. At least **3** days prior to a known **full** day absence, your student should bring a note signed by a parent/guardian to the front office requesting a passport. This note is attached to the passport which is then signed by all teachers and a parent/guardian before being returned to the front office for administrative review. The passport is not excused until reviewed and approved by administration **before** the absence.

TARDY: LATE TO SCHOOL

For a tardy to be considered excused after a child arrives late to school from home, the student must turn in either a signed note from a parent/guardian or a doctor note within three days.

EARLY DISMISSALS

All students leaving campus prior to the end of their academic day **MUST** be signed out in the front office. To avoid calling into classrooms and disrupting instructional time, a student leaving early should bring a signed note from a parent/guardian to the front office before school to obtain a pass to be dismissed from class. The student then meets their parent/guardian in the front office for sign-out. High school students (**including those who are 18**) leaving campus early and driving themselves **MUST** have a signed note from a parent or guardian advising that the student has permission to leave school early. If a student is being picked up by someone **other** than a parent/guardian, they **MUST** have a signed note from the parent/guardian giving permission for the student to leave with the person named in the note and this individual must be on the student's contact list.

EXCESSIVE EXCUSED ABSENCES

If a student has **9** EXCUSED absences/semester or **18** EXCUSED absences/year which have not been excused with a doctor note or passport, the Sarasota County School District deems this to be excessive and Pine View School will require doctor notes **for the remainder of the school year** for future absences to be considered excused. Submitting doctor notes is always recommended if your child has a medical visit during an absence.

EXCESSIVE EXCUSED TARDIES (LATE TO SCHOOL)

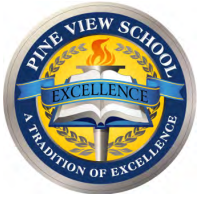

If a student has **9** excused tardies/semester or **18** excused tardies/year, Pine View School considers this excessive and will require doctor notes **for the remainder of the year** for all future tardies to be excused.

UNEXCUSED TARDIES – LATE TO SCHOOL

If a student (9th – 12th grade) is late to school five times without an excuse note, the student will receive a letter inviting them to join the "Morning Wake-Up Club". If the family 'opts in' to this attendance intervention they will receive an automated Connect-Ed message at 6:30am encouraging their student to arrive on time for school.

UNEXCUSED ABSENCES

When a student (grades 6 – 12) has 5 unexcused absences (full day or any day with one or more unexcused class periods) they will be referred to their assistant principal. The Department of Motor Vehicles will be notified by the school district when a student (who is or will be 14 years of age during the school year, but has not yet reached their 18th birthday) has reached 15 unexcused absences within a running 90-day period. The Sarasota County School District generates this list and any student on this list **may have their driver's license or driver's permit revoked**.

Absence Excuse Forms

ABSENCE EXCUSE FORMS

Dear Parents and Guardians,

On the following page are two blank, absence request forms for future use. This form includes all the necessary information that attendance needs should your child be late to school, is absent or requires an early dismissal. (High school students with a driver's license, a registered parking space and a signed note from a parent may leave early and drive themselves.) The 'other' category can be used to request a Passport for a future full-day absence.

**STUDENTS 18 YEARS OF AGE MUST STILL HAVE
NOTES FROM HOME TO EXCUSE ABSENCES,
TARDIES AND TO LEAVE CAMPUS EARLY**

Please feel free to detach and copy this form for use throughout the school year - more copies can be obtained in the front office. PINE VIEW EXERCISE CLUB STARTING SOON!

Our club is called **Spark Brain Builders**

**A before school exercise
program to prime the brain
for learning**

How Does Exercise Impact Learning?

Everyone knows exercise is good for your body. However, did you know that exercise immediately benefits your brain as well?

Exercise produces numerous chemicals that affect cognition, mood, and executive function. A chemical that dramatically increases post-exercise is BDNF.

BDNF – Brain-Derived Neurotrophic Factor – is like “miracle grow” for your brain.

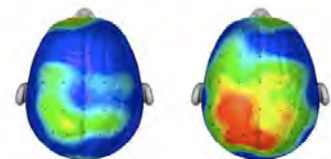

BDNF causes growth in connections of brain cells (learning), growth of capacity of systems (attention, memory), and is even involved in growing new brain cells (previously not thought possible!).

BDNF is an anti-depressant, anti-toxic stress factor and correlates with intelligence and memory. Dr. John Ratey, a psychiatrist from Harvard, says that if exercise was a medication, we would all want to buy it – the effects are so beneficial and so powerful.

Exercise is directly linked to the production of BDNF, and some doctors (including Dr. Ratey) are using it as a “new prescription” to treat depression, ADHD, autism, and more.

“SPARK Brain Builders” is an expansion of the already successful Run Club – SPARK will be held five days a week, starting towards the end of September. Flyers will be coming home soon for elementary and middle school!!

Composite of 20 student brains taking the same test

After sitting quietly After 20 minute walk

ResearchScan compliments of Dr. Chuck Hillman University of Illinois

Spark Brain Builders will meet each morning from 8:15-8:45 on the track (weather permitting). The track will be supervised, and students are encouraged to get out and run or walk. Parents are welcome to accompany their child/children. If you can volunteer to help, please contact Amanda Simon or Cindi Wozniak!

At 211 degrees, water is hot – at 212 degrees, it boils, and with boiling water, comes steam, and with steam, you can power a train.

One degree. Applying one extra degree of temperature to water means the difference between something that's simply very hot and something that generates enough force to power a machine – a beautifully uncomplicated metaphor that ideally should feed everything we do.

Thomas Edison said... "Many of life's failures are men who did not realize how close they were to success when they give up."

Vince Lombardi tightened it up with... "Inches make the champion."

212 distills it even further. According to Sam Parker, author of "212, The Extra Degree", the purpose of the 212 message is to create a level of awareness and accountability that inspires and challenges all of us to try harder, give more and, ultimately, enjoy more.

WALL OF FAME - March/April 2018

Grade 2: Jenna Hinck always goes out of her way to be a friend to all students, whether they need a partner during reading class, a friend on the playground, or little bit of help on schoolwork. She is a friendly young lady and is enjoyed by all of her classmates.

Grade 3: Grace Mele has gone above and beyond to help others in our class. She has been a good friend, answered questions, and given encouragement to her peers. Grace shows kindness, and compassion in school. Her teachers are very proud of the effort and skill she has demonstrated with this positive peer leadership role!

Grade 4: Ava Lenerz passionately cares for her classmates, the community, and others who may be in need. Ava started the Tiny Heroes Club which raises awareness and money for families who are affected by the life threatening birth defect, Congenital diaphragmatic hernia(CDH). The Tiny Heroes Club sells rubber ducks once a month, usually holiday themed, and gives 100% of the profits to the non-profit, Tiny Hero. Ava also started what she calls "mitzvah bags." They are filled with bottled water and food that are kept in the family car and she gives these bags out to those in need. She has such a kind heart!

Grade 5: Mia Woodman gives 100% effort plus in everything she does. Mia is kind-hearted and goes out of her way to make sure everyone feels included. Her strong moral character is beautifully inspiring. Mia overcomes any obstacle with a smile on her face and a positive attitude. Mia is a beautiful person, inside and out.

Grade 6: Elizabeth Strong inspires others to try harder and give more. Attentive, prepared, polite and articulate, Liza is always ready to impart assistance to both students and teachers alike. In addition, her unflagging academic efforts show her amazing performance character making her the epitome of 212* degrees.

Grade 7: Reed Trott is a hard working student who is always engaged in lessons. He regularly contributes to discussions with insightful questions and connections to the curriculum. Reed sees the benefit of perseverance and is willing to work through tough situations to gain the knowledge he seeks to better understand his classes and the world around him. Reed shows his 212 spirit by continuing through uncomfortable circumstances and working outside of his comfort zone to achieve his goals.

Grade 8: Cooper Couden is an amazing student and an awesome person. He has gone out of his way to help friends and strangers in need and never hesitates to do so. He is prepared and excited to be here and is such a great new addition to Pine View. We love having Cooper in our classes!

Grade 9: Pragnya Govindu is an outstanding student who sets a positive tone in the classroom through her attitude and work ethic. She quietly takes on challenging tasks and pushes herself to exceed expectations in all of her work. Pragnya is considerate of her classmates and kind in her dealings with others.

Grade 10: Lana Katz has a cheerful demeanor and a positive attitude toward all that she undertakes. Lana approaches all that she does with enthusiasm, giving nothing less than her best. She actively participates in all of her classes and is known to bring creativity to in-class discussions. Lana is always concerned about the welfare of others. For example, she always comes in the mornings with a greeting and pleasantries to share. Lana is also a kind person, willing to put aside what she is doing to help a friend or peer. She enjoys working with children and is also an animal enthusiast. She combines these two passions with her volunteer work at *InStride of Sarasota*.

Grade 11: Elizabeth Bright is a wonderfully conscientious and accomplished student. She is very approachable and is confident interacting with people of all ages. Elizabeth has a passion for helping others and making the world a better place, which genuinely radiates and encourages those around her. She has recently worked with several other students to create a tutoring club for students in grades 6-11 at Pine View School.

Grade 12: Riley Board's teachers agree that she is a fabulous student and a joy to have in class. Riley is an exemplary Assistant Editor-in-Chief for the PV Torch this school year. She takes the time to mentor younger students and teach them how to report, write, and layout stories for the paper. Riley is also highly involved with Model UN as well as the Sailor Circus. She has been able to successfully maintain a wonderful balance between her school work and extra-curricular activities throughout her four years in high school.

Staff: Kelly Vest is an amazing teacher in our Math Department, and she has many years of experience working with our students, inspiring their love for mathematics, and motivating them to take rigorous and challenging courses. Recently, Mrs. Vest has begun working to ensure all the teachers who are new to Pine View are prepared and understand the "Pine View way" of doing things, and that every new-to-Pine-View teacher understands how to get everything done well. She coordinates our new teacher induction program, and always goes the extra degree! We appreciate all that Mrs. Vest does for our students, and for our new faculty, too!

Through Forums with Dr. Covert and grade level Guidance Counselors, students are being introduced to the concept of "212" and "going the extra degree".

Opportunities to compare and contrast examples of going the extra degree in various settings are provided. Grade level recognition of students who have demonstrated that extra degree of effort through moral character or performance character are being showcased on the Pine View "Wall of Fame" proudly displayed in the Student Union. The 212 "Wall of Fame" recognizes students who demonstrate going the extra degree.

Nominations are received from grade level and/or classroom teachers. This recognition may highlight Moral Character (Citizenship, Gratitude, Kindness, Responsibility, Honesty, Respect, Good Sportsmanship) or Performance Character (Personal Improvement, Risk-taking, Diligence, Independent Learning or Enthusiasm). Students may be recognized for a specific action or for demonstrating the 212 "Everyday – Every way" spirit. As Dr. Covert points out when he addresses students, "the true measure of success is not to outdo others but rather to outdo ourselves". The 212 message certainly reinforces that important notion for Pine View students.

Volunteers Keep Our School Strong!

Pine View has once again benefitted from the support of hundreds of volunteers dedicating thousands of hours each year! This support and documented hours are important for many reasons, including qualifying Pine View for the prestigious Golden School Award and Five Star School Award from the Florida Department of Education!

A special thank you goes to all of the ambitious volunteers that prepared, hosted, and cleaned up after the 5th, 8th, and 12th grade graduations and celebrations. These events were the culmination of another successful year at Pine View School.

WELCOME NEW VOLUNTEERS! **WELCOME BACK TO RETURNING VOLUNTEERS!**

One of Pine View's biggest assets is our active and dedicated family of volunteers. We strongly encourage all parents/caregivers to volunteer their time and service. Pine View volunteers bring forth an amazing range of talents and resources! Please volunteer—you will have a great time while providing a vital service to both students and staff!

If you plan to help in classrooms, with events, chaperone, or volunteer in any other way, you must be a registered and approved volunteer!

EXCITING INFORMATION!!!! NEW VOLUNTEER APPLICATION AND APPROVAL FROM HOME!!!

All new volunteers can apply through the school district's *Volunteers Count!* database on the designated computer in the front office or from home at <https://scs-datamgmt.sarasota.k12.fl.us/volunteerscount/>. This application prompts an automatic criminal background screening at no cost to the volunteer and can be processed in a few weeks. Some volunteer assignments require a higher level of screening. See the Pine View volunteer coordinators for Level 2 procedures. You can also add hours from home!

RETURNING VOLUNTEER REACTIVATION

Returning volunteers need only reactivate your account at the beginning of each school year. This can be done through the school district's *Volunteers Count!* database on the designated computer in the front office or from home at <https://scs-datamgmt.sarasota.k12.fl.us/volunteerscount/>. If you are a returning volunteer who already has Level 2 approval, reactivating your account at the beginning of each school year will keep your Level 2 approval active for 5 years. If you do not reactivate Level 2 every year, it expires and requires re-application.

VOLUNTEER SIGN IN/SIGN OUT

For security reasons, school district policy requires that each time you volunteer on campus or for a school event, you must sign in on the *Volunteers Count!* computer and sign out when you complete your volunteer work. This ensures that those volunteering are approved and provides school district worker's compensation coverage during the volunteer work. The Pine View volunteer coordinators will provide alternative ways to sign in and out for designated events when the computer is not accessible. Remember—you can enter hours for any approved volunteer work you do at home or in the community on behalf of Pine View.

PLEASE NOTE: All Visitors to Schools

Florida state law and Sarasota County School District policy require that every person who visits a district school must be screened through the national sexual predator/offender database. The district uses a program called RAPTOR to perform the screening. This screening is required upon every visit to a school. Although all school volunteers must undergo a criminal background screening (see above) before they are allowed to volunteer in schools, they also are required to be screened through RAPTOR every time they visit a school.
