About Pine Views...

This publication is the official newsletter of the PineView Association. Nine issues are published throughout the year and are mailed home to members of PVA and distributed throughout the Pine View community.

The nine issues are:

July/August
September
October
November
December/January
February
March
April
May/June

Submissions: Students, faculty, staff and parents are encouraged to submit articles and photos no later than the 10th of the month preceding the issue date.

Please submit articles to
pineviews@yourpva.org

Information and articles should be of interest to the PineView School community.

Pine Views is published by and all rights reserved by the Pine View Association. President's Letter

Dear Pine View families:

My son came home today and told me that there are 45 school days left in the school year. How can that be? Weren't we just at locker days and open houses? My next thought was that the Pine View and PVA calendars are WAY too full to fit into 45 days! And so it goes – every year flies by faster than the one before, and we always find ourselves right here – wondering how we will get it all in before the sweet sounds and sights of summer are upon us.

This issue of *Pine Views* has all the info you need to make it to summer with your sanity intact. Testing schedules, Faculty & Staff Appreciation information and sign-ups, 5th & 8th grade moving up information, end-of-the-year concerts & events – it's all here for you in one place.

By the way, if you filled out the all-in-one form, and received this issue, *you are a PVA member*. Come out and **vote** for our 2017 PVA Board nominees, and learn more about all the great things PVA Volunteers did for the school this year. Participate in the life of your child's school! **Our Annual Meeting will be held on Tuesday, April 11**, in the Student Union.

Many thanks to those of you who attended last month's **Town Hall Meeting** regarding the new building scheduled to be constructed at PV, as well as PV's dire need for new science labs. I am pleased to report that the meeting went well, and that the **District presented Pine View with a check for \$3 million**, to be used to completely gut Building 11 and rebuild it with eight state-of-the-art science labs. The "science wing" project will be added to the scope of the current HVAC work already being done on campus, and the money is approved and available now. Planning for the new science spaces has already begun, and PVA will host another town hall so everyone has an opportunity to provide input into what should be included in the labs. The new science labs should open sometime in the 2018-19 school year. Thanks to all of you who contacted the Landings and School Board to demand the facilities our students need and deserve!

Want to know what's going on with PVA in between issues of *Pine Views*? **Follow us on Facebook @pineviewassociationPVA!**

See you at Pine View!

Karen Kirsch
Pine View Association President

Invites you to be a part of
**Faculty & Staff
Appreciation!!**

Pine View's tradition of excellence would not be possible without our dedicated teachers and staff. Our biggest event of the year is coming the first week in May 1st-5th where we serve breakfast one day and lunch on the other four days. Last year we added little give-aways by random drawing that was a big success. There are lots of ways to get involved and give back to the Pine View Community. All involved are acknowledged in an upcoming issue of Pine Views. Thank You!

Donate desserts, homemade or store bought

Donate cases of water or canned soda

Volunteer your time to help set-up, serve, or clean-up

Donate money to our event as a Patron

\$1,000 Double Diamond \$500 Diamond \$300 Platinum \$250 Gold \$200 Silver

\$150 Bronze \$100 Python Up to \$99 Friend

Principal's Perspective

Dear Pine View School Parents and Community:

April is a wonderful time of year, and we have so many exciting activities in all grades! We hope that you are able to celebrate the many achievements of our students during the many awards and culminating events in the coming weeks. Many of these special and traditional PV events would not be possible without the direct support and critical involvement of our amazing Pine View parents- thank you for going the extra degree for our students!

On April 8, Pine View is helping our students, staff, faculty and our community build awareness of healthy choices and our 5-2-1-0 program. At our fourth annual Python Run website, <http://pvpythonrun.com/> you will find information about the *Python Run 5K*, as well as how you can contribute as a sponsor of the race, race course information, and registration details. See you at the race! Thank you to SmileWorks Dentistry and all our sponsors for making this great event possible!

On the school website, you will also find information about FSA schedules, Advanced Placement (AP) mock schedules, Advanced Placement (AP) exam schedules, End of Course (EOC) exam schedules and end of year activities. We will soon be celebrating “grad bash” in Orlando with our seniors and know that we will have a wonderful time. Our students continue to impress me daily, and through their scholarship, their behavior, and their commitment to sharing their gifts with others, Pine View students truly distinguish themselves.

A construction Town Hall information night was held in March, and we continue to strive to share information and updates to our parents and community as it becomes available. We are very excited that our goal for facilities for our students which support their incredible achievement continues to be a priority for the district. In addition to continuing with our HVAC renovation, information continues to flow and be updated regarding our new construction project for campus.

We are pleased that so many of you have taken advantage of our Remind.com service- registration is easy! It's free, and very easy to use. All you need to do is send a text message to 81010 with @pineviewsc in the message field. You will immediately receive a confirmation reply. It may also ask you to enter your name so that I know who is registering, but it is not necessary (or feel free to reply).

In addition to myriad academic achievements across all curricula, our students and teachers are continuing the tradition of excellence at Pine View and consistently going 212- continuing our tradition of excellence in the Sarasota County Schools' Academic Olympic tournament, a world qualifying performance at the STEM competition with our VEX Robotics team, , and talented musicians performing and achieving distinction in band, chorus, and orchestra throughout Florida!” It is an honor and privilege to serve our amazing students, teachers, and community, and we wish everyone an outstanding spring!

Stephen P. Covert, Ph.D.
Principal

Pine View School Mission Statement

The mission of Pine View School is to provide a qualitatively different learning environment that nurtures a passion for intellectual curiosity, encourages risk taking, independence and innovation, and is committed to a tradition of academic excellence and social responsibility.

School Advisory Council (SAC) Mission Statement

The purpose of the School Advisory Council is to enhance school site decision making, to serve in an advisory capacity to the principal regarding school improvement, to assist in the preparation and evaluation of the school improvement plan, and to provide input on the budget and use of school improvement funds pursuant to Florida Statue 229.58.

Shared Decision Making Team (SDMT) Mission Statement

The Shared Decision Making Team is the policy making body at Pine View. Teachers, support staff, parents, and students have representatives who serve on this committee. Visitors are welcome to attend.

DR. COVERT ONLINE - Stephen.Covert@sarasotacountyschools.net

Feel free to drop Dr. Covert a line, ask a question, or share a comment. Keep in mind, however, that due to his heavy schedule, there may be a day or two delay in responding. He does promise to answer each and every message as quickly as possible.

About PVA (Pine View Association)

The Pine View Association is Pine View's organization of parents, teachers, staff and friends. PVA strives to enhance and enrich Pine View students' school experience by supporting the school's academic, social, fine arts and technology objectives. PVA encourages volunteerism, raises and disburses funds, promotes communication and cooperation with the school, provides input to the school on issues of concern to parents, and supports gifted advocacy issues on a local and statewide basis.

Accomplishments

Poetry Winners

Congratulations to 8th grader Emily Benson, who won the first place Lee Bennet Hopkins Poetry Award for Young People in the junior division. Her poem was selected from 632 entries from all over the state of Florida.

Congratulations to Donovan Vu for winning 1st place, 3rd place and honorable mention for the Sarasota Poetry Life competition. Donovan won a \$100 award for himself and a \$500 award for the Pine View Poetry Society. Also congratulations to 11th grade students Augie Spieske, Raj Parmar, and Mathew Pitchford for receiving honorable mention as well as 6th grader Dane Vallrugo for receiving honorable mention. All of these students have been invited to share their work at Florida Studio Theatre on April 22 during the Poetry Life Weekend celebration of events.

Model UN Awards

Congratulations to the following Model UN members who received awards at FHSMUN 38. Outstanding Delegate- Claire Shiparski, Alex Anaki; Outstanding Delegation – Claire Shiparski, Alex Anaki, Allie Odishelidze, Riley Board; Distinguished Delegation – Ashley Naidel, Narissa Kelliher; Honorable Delegation – Ben Covert, Stefani Wald, Kemper Bernstein, Kailin Huang, Hannah Sticht, and Brett Martinez.

Free Throw Contest

Over Spring break Coach DiGiacomo and daughter Ellie traveled to Valdosta State College for the Elks National Free Throw Contest – Regional Semi-Final. Ellie beat out 5 state champions of the Elks National Free Throw contest winning over Alabama's state champ by one free throw in a shoot- out for first place. Ellie will now compete at the

National Championship on April 20-22 in Chicago at DePaul University.

Film Winners

Two Pine View students were among the twelve winners of the Nova University Holocaust Reflection Contest. Vaughan Heaps won first place and Evan Dietrich won second place, both in the short film category. Vaughan's video was featured at the award ceremony that both attended in Miami last month.

Winners met with several Holocaust survivors and learned more about the efforts of the Holocaust Learning and Education Fund, Inc. and the Miami Holocaust Memorial.

You can view their winning entries using the links below. You can see Vaughan's film *Epitome of a Hero* at <https://youtu.be/kUBI8WoBF6E> and Evan's film *Beyond the Irreparable* at <https://youtu.be/5JikcvXSle8>.

Spring Break

Pine View had students volunteering in many ways and places: "Feeding Our Future" and All Faith's Food Bank had many students making a difference, Pine View students at the *Alternative Spring Break*, the worldwide UN Happiness Walk (Gulf Coast Chapter), and many, many more! These truly do bring to life the portion of Pine View's mission statement regarding our emphasis on teaching social responsibility to our students.

Prior to Break, the Chinese language students participated in a competition sponsored by USF. First place group winners for the jeopardy games were middle school students from Pine View School and students from Olympic High School. Pine View School also won the first place in calligraphy. Kudos to Lin Lao Shi and Wang Lao Shi and our students.

We also share kudos to our Social Studies Department and our students who

earned spots at the State History Fair after winning the local competitions! Kudos to Carol Lavallee for earning a full scholarship and recognition to attend a special workshop, “First in Business: George Washington, Mount Vernon, and the New Nation” at George Washington’s home in Mount Vernon, Virginia.

Aquarium

Kudos to Jason Miller for assembling and getting our new salt water aquarium up and running in the main office lobby. We will soon have fish, coral and other salt water creatures for everyone to see, and the Marine Biology students and Jason have graciously taken this on as a project. Kudos to him and his students!

Science Fair

Pine View students were among the district champions in the recent STEM Fair. Winners included:

- **Sachit Gali**- 1st Place in High School Biomedical & Health Sciences, A Novel Machine Learning Approach to the Diagnosis of Heart Abnormalities

- **Jack Gallahan**- 1st Place in High School Physics & Astronomy, Application of Cyclic Space Theory to Transfinite Mathematics (Mu Alpha Theta Award For Mathematics, Recognition from U.S. Air Force and Air Force Association)
- **Sonica Prakash** - 1st Place in Middle School Biomedical & Health Sciences, Developing a Medical Algorithm for Pharmacogenomics and Personalized Medicine
- **Alanna Densmore** - 1st Place in Middle School Physics & Astronomy, Need for Speed (Recognition from Air Force Association)
- **Ava Michalopoulos** - 2nd Place in Elementary Engineering (4th grade), Can My Heart Light the World?

Sonica Prakash and Alanna Densmore have been nominated for the Broadcom MASTERS Science Fair. Sachit Gali and Sonia Prakash will be representing Sarasota County at the State Science and Engineering Fair of Florida.

Dear Parent/Guardian,

Your student will be taking the computer-based Next Generation Sunshine State Standards U.S. History, Biology, Civics End-of-Course (EOC) assessment(s) during the week of May 15-19, 2017. Please review the daily schedule for specific dates. Your student will have/had an opportunity to participate in a practice test to become familiar with the computer-based testing platform, item types, and response formats he or she will see on the NGSSS assessments.

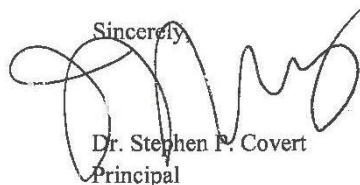

If you or your student would like to review the CBT practice test at home, you can download instructions and a practice test (called an "ePAT") at www.FLAssessments.com/ePAT. Your student may practice as often as necessary prior to testing. You may also view Student Tutorials at www.FLAssessments.com/StudentTutorials.

Please review the following policies with your student before testing:

- **Electronic Devices**—Students are not permitted to have any electronic devices, including but not limited to cell phones and smartphones, at any time during testing OR during breaks (e.g., restroom), **even if they are turned off or students do not use them**. If your student is found with an electronic device, his or her test will be invalidated.
- **Testing Rules Acknowledgment**—All FSA tests include a Testing Rules Acknowledgment that reads, "I understand the testing rules that were just read to me. If I do not follow these rules, my test score may be invalidated." Prior to testing, test administrators read the rules to students, and students acknowledge that they understand the testing rules by signing below the statement on their work folder.
- **Discussing Test Content after Testing**—The last portion of the testing rules read to students before they sign below the Testing Rules Acknowledgment states, "After the test, you may not reveal details about the passages or items to anyone. This includes any type of electronic communication, such as texting, emailing, or posting online, for example, on websites like Facebook, Twitter, or Instagram." Please make sure your student understands that "discussing" test content includes any kind of electronic communication, such as texting, emailing, or posting to blogs or social media websites.
- **Test Invalidations**—Students are responsible for working on their own during the test and for protecting their answers from being seen by others. If students are caught cheating during testing, their tests will be invalidated. FDOE employs a test security company, Caveon Test Security, to analyze student test results to detect unusually similar answer patterns. Student results within a school that are found to have extremely similar answer patterns will be invalidated.
- **Leaving Campus**—If your student leaves campus before completing a test session (for lunch, an appointment, or illness, etc.), he or she **WILL NOT** be allowed to complete the test session. If your student does not feel well on the day of testing, it may be best for him or her to wait and be tested on a make-up day. Please remember not to schedule appointments on testing days.

If you have any questions related to this test administration, you may contact Kristin McCombie, Testing Coordinator at (941) 486-2001. For more information about the statewide assessment program and assessment graduation requirements, visit the FDOE website at <http://feat.fldoe.org/>.

Sincerely,

Dr. Stephen P. Covert

Dear Parent/Guardian,

The purpose of this letter is to inform you that your student will take the computer-based Florida Standards Assessments FSA Grade 3, 4, 5, 6, 7, 8, 9, 10 ELA Reading/Mathematics and/or Algebra 1/Geometry/Algebra 2 End-of-Course (EOC) assessment(s) during the window of March 27, 2017 to May 12, 2017. Please see the daily schedule for specific dates. Your student will have/has had an opportunity to participate in a practice test to become familiar with the computer-based testing platform, item types, and response formats he or she will see on the FSA assessments. If you or your student would like to review the computer-based practice test at home, the practice tests and answer keys are available at <http://www.fsassessments.org/students-and-families/practice-tests/>.

For information regarding test session lengths for all Spring 2017 FSA assessments, please visit the FSA Portal at www.fsassessments.org, click on the Students and Families icon, then select Spring 2017 Testing Times.

Please review the following policies with your student before testing:

- **Electronic Devices**—Students are not permitted to have any electronic devices, including, but not limited to, cell phones, smartphones, and smartwatches, at any time during testing or during breaks (e.g., restroom), **even if the devices are turned off or students do not use them**. If your student is found with an electronic device, his or her test will be invalidated.
- **Calculators**—For Grades 7 and 8 Mathematics, **approved calculators may be used during SESSIONS 2 and 3 only**. For EOC assessments, **approved calculators may be used during SESSION 2 only**. If students have handheld calculators during Session 1, their tests will be invalidated. Calculators are not permitted during Grades 3–6 Mathematics tests.
- **Testing Rules Acknowledgment**—All FSA tests include a Testing Rules Acknowledgment that reads: “I understand the testing rules that were just read to me. If I do not follow these rules, my test score may be invalidated.” Prior to testing, test administrators read the rules to students, and students acknowledge that they understand the testing rules by signing below the statement on their planning sheets, worksheets, or work folders.
- **Discussing Test Content after Testing**—The last portion of the testing rules read to students before they sign below the Testing Rules Acknowledgment states: “Because the content in all statewide assessments is secure, you may not discuss or reveal details about the passages or items after the test. This includes any type of electronic communication, such as texting, emailing, or posting online, for example, on websites like Facebook, Twitter, or Instagram.” Please make sure your student understands that “discussing” test content includes any kind of electronic communication, such as texting, emailing, or posting to blogs or social media websites. **While students may not share information about secure test content after testing, this policy is not intended to prevent students from discussing their testing experiences with their parents/families.**
- **Working Independently**—Students are responsible for doing their own work during the test and for protecting their answers from being seen by others. If students are caught cheating during testing, their tests will be invalidated. In addition, the Florida Department of Education (FDOE) employs Caveon Test Security to analyze student test results to detect unusually similar answer patterns. Student tests within a school that are found to have extremely similar answer patterns will be invalidated.
- **Leaving Campus**—If your student begins a test session and leaves campus before completing it (for lunch, an appointment or illness, etc.), he or she **will not** be allowed to return to that test session. If your student does not feel well on the day of testing, it may be best for him or her to wait and be tested on a make-up day. Please remember not to schedule appointments on testing days.
- **Testing Accommodations**—If your student has an Individual Education Plan (IEP), Section 504 plan, or English Language Learner (ELL) plan, please contact the school to discuss the testing accommodations that will be provided for your student.

If you have any questions related to this test administration, you may contact Kristin McCombie, Testing Coordinator, at (941)486-2001. For more information about the FSA program, please visit the FSA Portal at www.FSAssessments.org.

Thank you for supporting your student and encouraging him or her to do his or her best during this test administration.

Sincerely,

Dr. Stephen P. Covert

March 28, 2017

Dear Parent/Guardian,

The purpose of this letter is to inform you that your student will take the Grade 5 or Grade 8 Statewide Science Assessment on May 1 & 2, 2017 for Grade 5 and May 1, 2017 for Grade 8. The Statewide Science Assessment measures Grades 5 and 8 student achievement of the *Next Generation Sunshine State Standards* in Science.

The Grade 5 Statewide Science Assessment consists of two 80-minute paper-based test sessions administered over two days. The Grade 8 Statewide Science Assessment consists of two 80-minute paper-based test sessions administered in one day. If you or your student would like to gain familiarity with the item types and response formats your student will see on his or her Statewide Science Assessment, sample questions and answer keys are available at <http://www.fldoe.org/accountability/assessments/k-12-student-assessment/science.shtml>.

Please review the following policies with your student before testing:

- **Electronic Devices**—Students are not permitted to have any electronic devices, including, but not limited to, cell phones, smartphones, and smartwatches, at any time during testing OR during breaks (e.g., restroom), **even if the devices are turned off or students do not use them**. If your student is found with an electronic device, his or her test will be invalidated.
- **Testing Rules Acknowledgment**—All Statewide Science Assessments include a Testing Rules Acknowledgment that reads: "I understand the testing rules that were just read to me. If I do not follow these rules, my test score may be invalidated." Prior to testing, test administrators read the rules to students, and students acknowledge that they understand the testing rules by signing below the statement in their test books.
- **Discussing Test Content after Testing**—The last portion of the testing rules read to students before they sign below the Testing Rules Acknowledgment states: "Because the content in all statewide assessments is secure, you may not discuss or reveal details about the passages or items after the test. This includes any type of electronic communication, such as texting, emailing, or posting online, for example, on websites like Facebook, Twitter, or Instagram." Please make sure your student understands that "discussing" test content includes any kind of electronic communication, such as texting, emailing, or posting to blogs or social media websites. **While students may not share information about secure test content after testing, this policy is not intended to prevent students from discussing their testing experiences with their parents/families.**
- **Working Independently**—Students are responsible for doing their own work during the test and for protecting their answers from being seen by others. If students are caught cheating during testing, their tests will be invalidated. In addition, the Florida Department of Education (FDOE) employs Caveon Test Security to analyze student test results to detect unusually similar answer patterns. Student tests within a school that are found to have extremely similar answer patterns will be invalidated.
- **Leaving Campus**—If your student begins a test session and leaves campus before completing it (for lunch, an appointment or illness, etc.), he or she **will not** be allowed to return to that test session. If your student does not feel well on the day of testing, it may be best for him or her to wait and be tested on a make-up day. Please remember not to schedule appointments on testing days.
- **Testing Accommodations**—If your student has an Individual Education Plan (IEP), Section 504 plan, or English Language Learner (ELL) plan, please contact the school to discuss the testing accommodations that will be provided for your student.

If you have any questions related to this test administration, you may contact Kristin McCombie, Testing Coordinator at (941) 486-2001. For more information about the statewide assessment program, visit the FDOE website at <http://www.fldoe.org/accountability/assessments/k-12-student-assessment>.

Thank you for supporting your student and encouraging him or her to do his or her best during this test administration.

Spring Choral Concert

Thursday, April 13, 2017

7:00pm

PVS Auditorium

(\$5 Donation)

Choir Festival (MPA) Update:

The PVS Middle Concert Choir (7th & 8th Grade Choir) received a SUPERIOR at the Florida Vocal Association's District 11 Music Performance Assessment on February 23, 2017. The Beginning Choir (6th Grade) and the High School Women's choir both received Excellent Ratings in performance and Superiors in Sight-Reading Reading. I am incredibly proud of each choir. They are all passionate about music and work very hard on a daily basis.

Test Anxiety

You've done all of your homework and studied hard, and you think you have a grip on the material. But then the day of the test comes. Suddenly, you blank out, freeze up, zone out, or feel so nervous that you can't get it together to respond to those questions you knew the answers to just last night.

If this sounds like you, you may have a case of test anxiety — that nervous feeling that people sometimes get when they're about to take a test. It's normal to feel a little nervous and stressed before a test. Just about everyone does. And a touch of nervous anticipation can help you get revved and keep you on your toes while you're taking the test. But for some people, this normal anxiety is more intense. The nervousness they feel before a test can be so strong that it interferes with their concentration or performance.

What Is Test Anxiety?

Test anxiety is actually a type of **performance anxiety** — a feeling someone might have in a situation where performance really counts or when the pressure's on to do well. For example, a person might have performance anxiety just before trying out for the school play, singing a solo on stage, getting into position at the pitcher's mound, stepping onto the platform in a diving meet, or going into an important interview. Like other situations in which a person might feel performance anxiety, test anxiety can bring on "butterflies," a stomachache, or a tension headache. Some people might feel shaky or sweaty, or feel their heart beating quickly as they wait for the test to be given out. A student with really strong test anxiety may even feel like he or she might pass out or throw up. Test anxiety is not the same as doing poorly on a certain test because your mind is on something else. Most people know that having other

things on their minds — such as a breakup or the death of someone close — can interfere with their concentration and prevent them from doing their best on a test.

Who's Likely to Have Test Anxiety?

People who worry a lot or who are perfectionists are more likely to have trouble with test anxiety. People with these traits sometimes find it hard to accept mistakes they might make or to get anything less than a perfect score. In this way, even without meaning to, they might really pressure themselves. Test anxiety is bound to thrive in a situation like this. Students who aren't prepared for tests but who care about doing well are also likely to have test anxiety. If you know you're not prepared, it's a no-brainer to realize that you'll be worried about doing poorly. People can feel unprepared for tests for several reasons: They may not have studied enough, they may find the material difficult, or perhaps they feel tired because didn't get enough sleep the night before.

What Can You Do?

Test anxiety can be a real problem if you're so stressed out over a test that you can't get past the nervousness to focus on the test questions and do your best work. Feeling ready to meet the challenge, though, can keep test anxiety at a manageable level.

Use a little stress to your advantage. Stress is your body's warning mechanism — it's a signal that helps you prepare for something important that's about to happen. So use it to your advantage. Instead of reacting to the stress by dreading, complaining, or fretting about the test with friends, take an active approach. Let stress remind you

to study well in advance of a test. Chances are, you'll keep your stress from spinning out of control. After all, nobody ever feels stressed out by thoughts that they might do **well** on a test.

Ask for help. Although a little test anxiety can be a good thing, an overdose of it is another story. If sitting for a test gets you so stressed out that your mind goes blank and causes you to miss answers that you know, then your level of test anxiety probably needs some attention. Your teacher, your school guidance counselor, or a tutor can be good people to talk to if you always get extreme test anxiety.

Be prepared. Some students think that going to class is all it should take to learn and do well on tests. But there's much more to learning than just hoping to soak up everything in class. That's why good study habits and skills are so important — and why no amount of cramming or studying the night before a test can take the place of the deeper level of learning that happens over time with regular study.

Many students find that their test anxiety eases when they start to study better or more regularly. It makes sense — the more you know the material, the more confident you'll feel.

Having confidence going into a test means

you expect to do well. When you expect to do well, you'll be able to relax into a test after the normal first-moment jitters pass.

Watch what you're thinking. If expecting to do well on a test can help you relax, what about if you expect you **won't** do well? Watch out for any negative messages you might be sending yourself about the test. They can contribute to your anxiety. If you find yourself thinking negative thoughts ("I'm never any good at taking tests" or "It's going to be terrible if I do badly on this test"), replace them with positive messages. Not unrealistic positive messages, of course, but ones that are

practical and true, such as "I've studied hard and I know the material, so I'm ready to do the best I can." (Of course, if you haven't studied, this message won't help!)

Accept mistakes. Another thing you can do is to learn to

keep mistakes in perspective — especially if you're a perfectionist or you tend to be hard on yourself. Everyone makes mistakes, and you may have even heard teachers or coaches refer to mistakes as "learning opportunities." Learning to tolerate small failures and mistakes — like that one problem you got wrong in the math pop quiz — is a valuable skill.

Music for Medicine

**Attention: Pine View Student
Pianists**

Performance/Volunteer Opportunity

The Music for Medicine program at Sarasota Memorial Hospital is looking for pianists interested in volunteering their time and talent to a wonderful "Arts in Healthcare" program. Music for Medicine brings student volunteer musicians to Sarasota Memorial Hospital to help spread the healing power and comfort of music to patients, family and staff of the hospital. Musicians play selections of their choosing on the beautiful new grand piano purchased by the Music for Medicine program, located in the lobby of the new Courtyard Tower. The program is looking for accomplished pianists interested in playing on a regular monthly basis (very flexible scheduling) with a cellist and/or solo. This is a great opportunity to practice your performance skills in a supportive environment and be of service at the same time! If you are looking for an opportunity to earn volunteer community service hours while playing beautiful music for a very appreciative audience please contact the program Director and Pine View 9th grader, Jack Gallahan on jrgallahan11@gmail.com or call (603) 502-8351.

A message from Kate McManus, Elementary School Counselor....

Pine View 5th grade students have received lessons in the classroom regarding careers. They were asked to get on the website <http://www.bls.gov/k12/students.htm> and explore different careers and area of interests. There are many drop-down tabs to explore that may be of ongoing interest during their educational years. Also, on Friday, May 5th, we will have various professionals in their classrooms that allow our 5th grade students the opportunity to learn first-hand information regarding careers that may interest them. We are so grateful for the support of our parent and community volunteers!

Orthopedic Injuries

If it is necessary for your child to use crutches or any other assistive device at school, we must have documentation from a healthcare provider regarding the type of injury and physical limitations. THANK YOU!

Shared Decision Making Team

February 23rd Meeting

We are so pleased to announce that we were able to celebrate over the PA system the **25 National Merit Finalists** this year- we are seeing increases in the numbers of students earning this national distinction over time and are *very proud for our amazing PV students!*

February 3 and 4 were the annual Variety Shows and thanks go to Caroline Gannon and Julia Schran as class sponsors for leading the effort and supporting our student directors and their shadows.

The annual Ballroom dance activity for our 5th graders was last week, and was a huge success! This would not be possible without the leadership and support of our PE teachers, and many others so we thank them!

Pine View hosted the Sarasota Regional Special Olympics and we appreciate David Delaney and Blake Wiley for their dedication in bringing this to PV. PV has hosted the Special Olympics for over twenty years and is a great way for us and our students to give back and go the extra degree! Thank you to the NJHS students who volunteered, and to Girl Scout troop 127 for presenting the colors, and to Ally Moyer and Alexandra Bullinger for the National Anthem.

The next PVA-sponsored Town Hall meeting is March 28 from 6:00 pm to 7:00 pm in MPR. Director of Planning, Kathie Ebaugh, will be back to give us updates and information related to new construction.

AP Mock schedule discussion

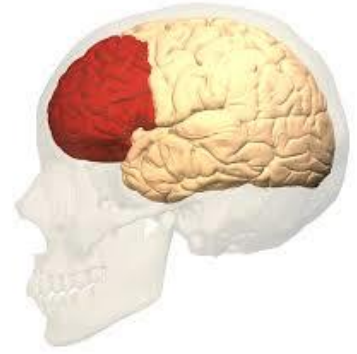

- Having exams after school causes exhaustion problems for students.
- Exams are now given during school hours.
- Compact schedule; use Gym for as few days as possible (six days).
- Student input was thought about, so was the actual AP testing schedule.

SDMT meeting minutes will be posted on school website and in Pine Views.
Next SDMT meeting will be held March 23, 2017 in Media Center.

Mrs. White and Mrs. Maggenheim enjoy the Florida Studio Theater performance of "Brownsville song (b-side for Tray)" featuring Pine View's own Catalina Grieco!

Exercise and Other Groundbreaking Techniques for the Treatment of ADHD, Aggression, and Autism Spectrum Disorders

Friday, March 3, was an exciting day for 4th grade teachers, Amanda Simon and Debbie Delaney, and elementary assistant principal, Alison Rini. We attended the last day of Dr. John Ratey's conference in Naples on the subject of exercise and its many positive effects on children and their development.

The benefits of exercise on the body are well-known. Exercise helps with cardiovascular fitness, muscle strength, coordination, and weight loss – none of that is news. However, Dr. Ratey's research has illuminated the positive effects of exercise on the brain, and his work with schools and children has already impacted Pine View a great deal.

Dr. Ratey has demonstrated that children learn and think better after vigorous exercise. You might assume that this is because exercise leaves you exhausted, so you are content to sit and listen. However, Dr. Ratey's work shows quite the opposite. Exercise *increases* activity in the brain, specifically in the prefrontal cortex. The prefrontal cortex plays a major role in executive function and exercise positively impacts:

- Planning
- Organization
- Ability to initiate or delay a response
- Consequence evaluation
- Learning from mistakes
- Maintaining focus
- Working memory

Dr. Ratey's book, *Spark*, inspired Mrs. Simon to create the Pine View Running Club, and interested students from 2nd – 8th grade have been starting their days at the track (8:15-8:45 on Wednesdays and Fridays) by getting their bodies moving and

getting their brains ready to learn. Next year we hope to expand the program to allow for even more opportunities. We are also proud that we already offer 2nd and 3rd graders an "extra" afternoon recess – it's nice when something that is good for you is also so much fun!

We are grateful to the Python Run for funding our trip to learn from Dr. Ratey, and we will continue to look for ways to incorporate brain-building movement into our school day.

Support Pine View – Become a Sponsor

Many Pine View parents have been generous supporters of the Pine View School in the past, and we hope that many more will choose to become sponsors this year. The support of our considerate, involved parents and business partners enables the Pine View Association to fund many vital programs and activities throughout the year!

The PVA Sponsorship Brochure at www.yourpva.org/PDFs/PV_Sponsorship_Menu.pdf lists all the benefits that come with different levels of sponsorship. Any donations are welcome. If you choose to donate \$500 or above, you will become a Business or Family Annual Sponsor.

Starting this year, as part of the Family Annual Sponsorship, we are offering a new benefit: any “Thank you” message published in *Pine Views* can now be customized with a picture or a personal message of your choice! Add a congratulations or encouragement to your student or their class, share best moments from summer vacation, or just add a family picture – you can personalize your own *Pine Views* message.

Some of the benefits of becoming an Annual Sponsor are:

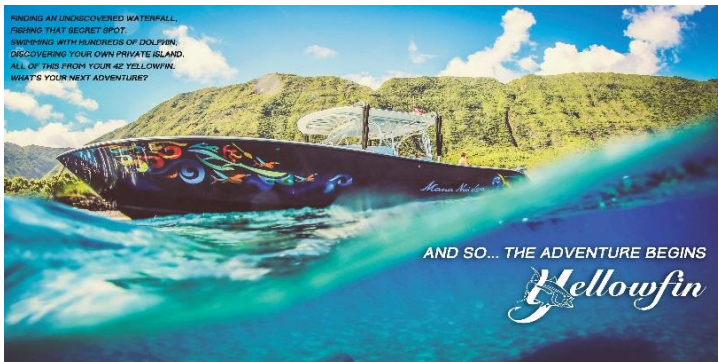

- Pine Views Thank You and Annual Sponsors Reception
- Pine Views Ads or Pine Views Thank You with Family Name or Family Message
- Business Logo/Name or Family Name on Event Banner, Sign and T-Shirt for PV Fair
- Pinnacle Gala tickets
- Business Name or Family Name listed on Pinnacle invitation
- Business Logo or Family Name listed on Event Sponsor Banner and T-Shirt for Pinnacle
- Business Ad or Family Name / Family Message in the Student Directory
- Business Ad in the Business Directory
- Business or Family Name listed on PVA Website

Thank you for supporting Pine View School

Pine View School Second Semester Exam Schedule

MAY/JUNE 2017				
				MAY 26 FINAL EXAMS: Science & World Language Writing
MAY 29 NO SCHOOL	MAY 30 FINAL EXAMS: English Math <i>Honors ENG 3 & 4 LEOC</i>	MAY 31 FINAL EXAMS: Social Studies & Math <i>Honors Gov & Econ LEOC</i> <i>Honors Pre-Calc LEOC</i>	JUNE 1 FINAL EXAMS: World Language Listening, Multiple Science/Social Studies, Semester Courses, Humanities	JUNE 2 SENIOR DAY
JUNE 5 LEOC Makeups	JUNE 6 LAST DAY OF SCHOOL			

****No Homework for participating students****

- Teachers have the option of administering Term Final exams. However, all teachers teaching the same course must be consistent in either scheduling or not scheduling exams.
- Teachers must clearly communicate to parents and students how Term Finals will be factored into their semester grades (EOCs factored into their final grade). All teachers teaching the same course must be consistent with the Term Final % weight.
- The regular schedule of classes will be followed with the exception of those students taking an EOC.
- All semester courses must schedule their exams on the assigned day, June 1st.
- *Students with multiple courses in a particular discipline should make arrangements with teachers about the scheduling of those exams.*
- World Language Department reserves the right to interchange the "listening" and the "written" portion of their exam during the two assigned dates.
- Students with multiple World Languages should coordinate with their World Language teacher to schedule their exam.
- Humanities includes art, music, PE, and technology courses.

PINE VIEW HANDS-ON CAREER DAY!

Don't miss out on this opportunity!

When:
Saturday
May 13, 2017 at 9:30am

Where:
Pine View School Campus

Who:
Current PV 9th and 10th
Grade Students

This event will focus on 6 Major Career categories and enable students to experience personal “hands-on” activities in:
Healthcare, Engineering, Law, Business, Technology & the Fine Arts
Surveys have been completed by Pine View 9th and 10th graders, and each student has chosen 2 career categories.

Pine View School

Help

Make Your School Better Join the School Advisory Council (SAC)!

What Is a SAC?

Comprised of peer-elected representatives from all stakeholder groups: principal, parents, teachers, school support staff, community partners, and students, SAC provides a platform for discussion and collaboration to ensure success of all students.

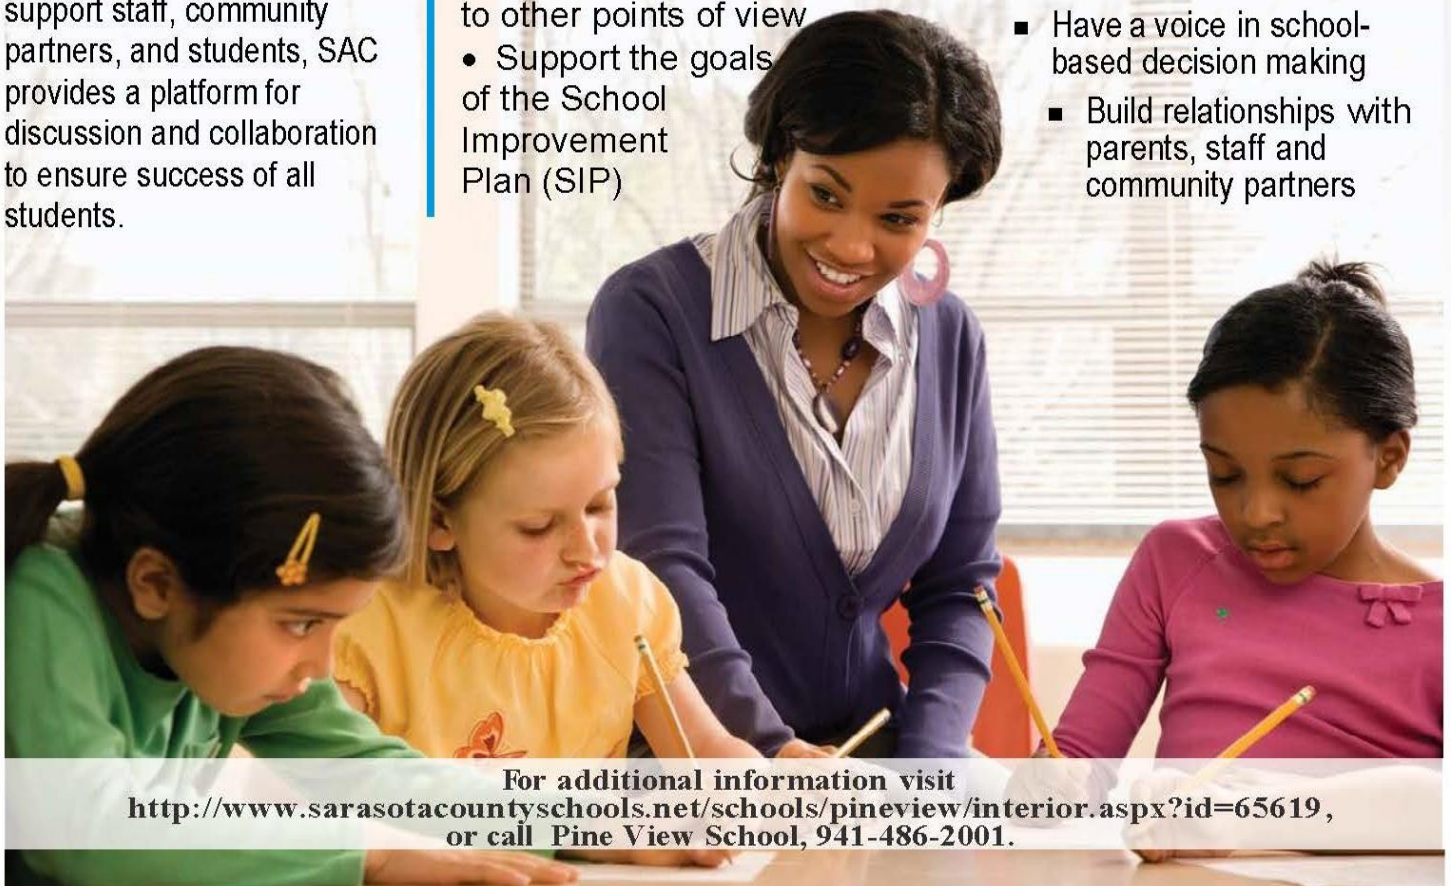

What Is Required?

- Participate in SAC trainings
- Attend monthly meetings
- Be receptive and open to other points of view
- Support the goals of the School Improvement Plan (SIP)

Why Should I Serve?

Serving on the SAC you will be able to:

- Make a difference at your school
- Speak out for all students and families
- Have a voice in school-based decision making
- Build relationships with parents, staff and community partners

For additional information visit
<http://www.sarasotacountyschools.net/schools/pineview/interior.aspx?id=65619>,
or call Pine View School, 941-486-2001.

School Advisory Council Nomination Form

Please fill out this form to apply for a seat on the School Advisory Council. Do your best to provide as much information as possible, and please retain a copy for your records.

First Name: _____ Last Name: _____

Address: _____ Apt. #: _____

City: _____ State: _____ Zip Code: _____

Home Phone: _____ Cell: _____

Work: _____ Fax: _____

Email Address: _____

Preferred Method of Contact (Check all that apply):

☐ Home Phone ☐ Cell Phone ☐ Email ☐ Work Phone

Please answer the following questions to complete your nomination.

1. Which group will you represent on the School Advisory Council (choose only one)?

- ☐ Student
- ☐ Parent/Guardian
- ☐ Community Member
- ☐ Teacher (please submit your application to administration)
- ☐ School Support Staff (please submit your application to administration)

2a. If you seek to serve as a parent/guardian, please provide information about your child/children.
(Note: To represent the parent/caregiver group, you must have a child who attends the identified school).

Name of Child: _____ Relationship: _____

Name of Child: _____ Relationship: _____

Name of Child: _____ Relationship: _____

Name of Child: _____ Relationship: _____

Name of Child: _____ Relationship: _____

2. Tell us about yourself. In your short narrative please try to answer some of the following questions:

- What was your previous involvement with Pine View (volunteering, helping with a project, supporting or running a program, participation on any advisory bodies or just being an involved parent or committed staff member)?
- How are you involved in your community (block captain, volunteer at a community-based center or a faith-based organization, etc.)?
- What other aspects of your prior education, as well as personal and professional experience would make you a valuable member of the SAC?

3. Tell us about what you would like to achieve as a SAC member:

Thank you for your interest! For more information please contact Pine View School. Visit us online at <http://www.sarasotacountyschools.net/schools/pineview/interior.aspx?id=65619> or 941-486-2001.

Congratulations to the Moody's Mega Math Challenge Teams

Hot List 2016

Congratulations to the Pine View's Speech & Debate Team

This year has been extremely productive for the Pine View High School Speech & Debate Team. Students have competed in 10 different events in more than 6 local tournaments, as well as invitational tournaments with competitors from all over the world at Yale, University of Florida, Nova University and Harvard.

In February, students competed for slots at the 2017 National Speech and Debate Tournament, scheduled to be held in Birmingham, Alabama the week of June 20. Pine View's home district, the Sunshine district of Florida encompasses the Panhandle and west coast southward to Naples. Our district is allotted 2 students per event and this year 12 qualifiers from Pine View will represent Florida at the National Tournament.

Congratulations to our Sunshine District Qualifiers:

- Congressional Debate – Jack Fitzgerald
- Public Forum Debate – Gopi and Shivni Patel
- Extemporaneous Speaking – William Wang and James Kim
- Duo Interpretation – Amanda Gerulski & Sloane Kolesar, Megan Hartnett & Arya Nalluri
- Humorous Interpretation – Minnah Stein
- Original Oratory – Harris Lichtenstein & Sy Schimberg

In addition, Thomas Allen was elected 1 of 5 district students to compete in World Debate.

Special kudos to two of our graduating seniors. Jack Fitzgerald placed 3rd in state for Congressional Debate, and William Wang has been named District Speech & Debate Student of the Year.

5th Grade Moving UP Celebration!

Countdown to Middle School

Tuesday, June 6th, 2017

Brunch 9:30-10:30am

☐ Please check here if you have any medical issues and explain for emergency purposes only.

Return bottom portion along with your check made out to Pine View to Mrs. DeVeau in portable 20.

Advertise Your Business in *Pine Views*

Pine Views provides a fantastic and targeted opportunity to promote your business, organization, or club to more than 2,000 of Pine View's families, faculty, staff, and business owners. *Pine Views* is a popular, must-read resource for Pine View families. Most families read it cover to cover! And advertising in *Pine Views* not only provides a unique opportunity to communicate with our families, business owners, and staff but has the added benefit of supporting Pine View School. Plus, PV families are incredibly loyal to the businesses that support our school. **All advertisements and payments must be received by the 10th of the month to be included in the following month's issue.** *Pine Views* is published by PVA and provided free to every student family.

Ad sizes available (please check appropriate box)
