Ben Turoff  
Eric Rosenthal

Dear Pine View Families,

Goodbye September, welcome October! We hope for cooler weather, fun fall activities and are looking forward to Pine View's most beloved school celebration: Pine View Fair! Ben Turoff and his **team of volunteers** are already deep in preparations. Make sure, to mark your calendar for November 9<sup>th</sup>. I love this year's t-Shirt design! If you buy a t-shirt in advance, it will be your fast-pass at the fair-no standing in lines anymore! Order now, while supplies last!

September was another month that reflected what PVA is all about:

**VOLUNTEERS  
MAKE A  
DIFFERENCE.**

**teamwork** and **volunteerism**, all to benefit Pine View! I was so excited to meet all our PVA chairs: we all know about Pinnacle, Peramathon, Fair, and Read-A-Thon. But do you know that PACE, Garden, Pine Views, School Store, Pine View Pride, Proud Python and Box Tops are committees as well? These PVA

committees are headed by dedicated Pine View Parent **volunteers**. They help and support our school, kids, teachers and administration. Thank you for all you do! You are the foundation on which PVA is build on.

I hope everyone in school participated in the Read-A-Thon fun(d)raiser this last month. What a blast!! Thank you Read-A-Thon chair Priya Acharya for organizing, planning, and executing this fun and successful event. The Read-A-Thon is a win-win for all: it teaches the children the love of reading while generating funds for the school, which in turn go back to the students. What not to like about this?

As part of the Read-A-thon were two bookfairs, Books A Million in Venice and Barnes and Nobles in Sarasota. Both events combined had more than 300 Pine View families attending. There were book signings and readings by famous author Diane Ochiltree and author/illustrator, Frank Remkiewicz. Students listened to their teachers read, participated in a scavenger hunt and walked home with goodie bags. Thank you to our teachers and staff attending these events, especially Mrs. Wozniak, Mrs. Lenerz, Mr. Lenerz, Mrs. Molinaro, Mrs. Drown, Mrs. Burkett, Mr. Vitkus, Mrs. Tucak, Mrs. Spielman, Mrs. Abela and Dr. Covert. You all came out on a Saturday to support our school! That is true dedication and **volunteerism**!

I wish you all another successful month at Pine View. If you feel like **volunteering**, please let us know, there are many fun opportunities awaiting.

Yours truly,  
Isa Chauhan  
PVA President

# PINE VIEW FAIR

Get to the rides and attractions a lot faster. This year's fair shirt will serve as a **FAST PASS**. You need to wear the Nov.2019 fair shirt on the day of the fair. This will provide you with priority access to the PVA rides and attractions. The fast pass does not include Teachers and Student Club booths.

Each ride will have 2 lines, a Regular line and a Fast Pass line. 2 people will enter the ride/attraction from the Fast Pass line for every 1 person on the Regular line.

Accommodations will be made to keep family groups and friends together. However, overall, the Fast Pass line will move at twice the speed of the Regular Line (a 2:1 ratio). On busy or more popular rides, Fast Pass riders may be limited to 3 Fast Pass rides per person per hour.

This is a new feature being introduced at the fair. We are hoping that it works out well for everybody. LET'S HAVE FUN AT THE FAIR !

If you missed the Pre-order deadline, limited sizes and quantities will still be available for sale before the fair on Nov. 6, 7 and 8 for **\$15.00**, and for **\$18.00** on the day of the fair.

# Meet Your PVA Board

## Jeffrey Guy ...

### *Where did you grow up?*

I was born in Red Bank, New Jersey, but have lived in Sarasota, Florida since I was 2.

My grandparents bought a vacation home in Port Charlotte in the mid 70s. After my parents first trip to see them on vacation, they decided to pack up their home in NJ and move to Sarasota 2 weeks later!

### *How are you connected to Pine View School?*

I have 2 children at Pine View, Kennedy who is a 6th grader and London who is a 4th grader. They are both very active in school and athletics, Kennedy hopes to play on the middle school girls basketball team this year. London also plays basketball, and takes the bus from Pine View multiple days weekly to participate in Sarasota Crew. My son Lincoln is a first grader currently but will be coming to Pine View next year.

We picked Pine View obviously for the quality of the education it provides to its students. Having grown up in Sarasota and not have taken advantage of the opportunity to attend Pine View, I wanted to give them every opportunity to learn and go to the school with the best Sarasota has to offer.

### *What role do you have on the PVA board?*

My role in PVA this year is as its governance chair. As an attorney outside of the board, I understand the legal challenges associated with non-profit entities and boards such as PVA. My goal, along with all members of the board, is to further the reach of PVA and continue its excellence in fundraising and other charitable giving.

# & Committee Chairs

## Heidi Bodor ...

### *Where did you grow up?*

I'm a native Sarasotan.

### *What is your connection to Pine View?*

Our two daughters, Ellie and Karina, have been at Pine View since the 6th grade. Karina is a junior this year and Ellie graduated this past May and is beginning her first year at Smith College.

### *How did you choose Pine View?*

While looking for a middle school, our kids were immediately drawn to the natural wooded setting and the bright and quirky students here. They found their tribe. Everyone was so welcoming and there were also many club options. Whether your child is interested in hula-hooping, chess, robotics, or speech & debate, there is something for everyone! It's also close to Sarasota Crew, which both of them have enjoyed being part of.

### *What is your role in PVA and what do you like about PVA?*

I am currently serving as PVA secretary. I joined the PVA Board because I believe in the mission of this school and love working to help kids have the resources they need to succeed. It's also a way to give back to a school that has given so much to our children and what is more important than helping to support a great education for all of our kids?

## Lydia Howard ...

### *How did you end up in Sarasota Florida?*

My family had been living in New Hampshire for 12 years and the winters and the isolation were really getting to me. We had been vacationing in Florida for years and we loved the west coast. So I woke up one day and told my husband that we're moving to Florida. He thought I was crazy but said ok. We still own a business in New Hampshire which is challenging at times but I wouldn't change a thing except I think we should have moved sooner.

### *What's your connection with Pine View?*

I have a son, David, in the 10th grade. He was been at Pine View since 8th grade. He really enjoys his classes.

### *How did you get involved with Pine View?*

I answered a request for volunteers in the School store over the summer. I had no idea what to expect and didn't even know there was a school store before I saw the volunteer request. I showed up at locker day and decided that the store was going to be a great fit because I could use my business background.

### *How have you helped since joining the School Store Board?*

I lead a team that organized all of the items and catalogued them so we know what we have and when it was purchased. I added announcements at school and ads in the Pine Views so others knew what the store offers. I want the store to not just be for fun and games but also for school supplies. I love seeing the kids come in and find things that they really enjoy playing with or that special pencil.

### **Out of Field Notification**

**8/27/19**

Guidelines from the Department of Education requires schools to inform parents if any teachers are “Out-of-Field.” For teachers at Pine View, this typically means they are lacking the courses for gifted education endorsement and/or ESOL.

The following teachers are listed as “out-of-field”: **Dylan Bell, Wendy Hazlett, Maggie Higgins, Rachel Lenerz, Pamela Novak, Marie Rosander, John Shea, Leslie Stewart and Patricia Zdravkovich.**

Most of our teachers in this category are currently enrolled in coursework that will address this “out-of-field” status.

# Principal's Perspective

October 2019

Dear Pine View School Parents:

Welcome back and what an amazing start to 2019-2020 school year! Our community of learners and supporters of the Pine View mission and vision is truly the most amazing and invigorating climate in which I have served, and we are so excited to begin our year with such enthusiasm!

Thank you to PVA for sponsoring the new-to-Pine View parent coffees in the Multipurpose Room this year! If you have not already joined PVA using the new form, please, visit [www.yourpva.org](http://www.yourpva.org) and join today! It is free, helps you stay connected, and the support this groups provides our students and teachers is unparalleled. We will not be using the Remind.com service for school-wide announcements, but your child's individual teacher or club may continue to use it. Announcements from me and the school will come to you via phone call, email, text, and we may also try to increase our presence on social media platforms to keep our community informed and updated!

We are committed to supporting all students in a highly rigorous academic setting while developing personal and community responsibility, and this year is off to a wonderful start! The month of October, as you will see in this issue of PineViews, is full of activities for you and your student(s) at Pine View. Although it feels like we never slowed down from last year's exciting events and successes throughout the year- this year may prove to be even busier!

We are so grateful to our PVA Rocket Read-A-Thon Chair, Pryia Acharya, our PVA President, Isa Chauhan, and all the members of the PVA Executive Board for their incredible work in getting the Rocket Read-A-Thon together! We have held two events off-campus at BooksAMillion and Barnes & Noble, and both were smashing successes. The goal is to get our 2<sup>nd</sup> through 8<sup>th</sup> graders reading, and they instilled a little friendly competition to spur the students along. A special thank you goes out to our faculty members who came out to show their support and be special guest readers at the off-campus event, or simply be present and show they care about spreading the love of literature with our students and families!

Congratulations to Pine View, our students, teachers, parents, and our community for achieving another year of accolades and achievements! We recently were excited to announce 22 National Merit Commended Scholars, as well as 27 National Merit Semifinalists! This is a higher percentage than last year and speaks volumes about the rigor of Pine View courses taught by our dedicated Pine View teachers, the hard work and going the extra degree of our students, and the fantastic support of our parents! The 27 National Merit Semifinalists are now able to apply to the National Merit Scholarship Corporation for Finalist designation which could bring with it scholarship money, additional recognition, and corporate scholarships dollars. Whether achievements such as this or other national rankings or successes, it is only possible through the unique collaboration between supportive parents, brilliant children, and highly-skilled and trained teachers coming together to create this special school- thank you!

We look forward to another year at Pine View- Building on Our Tradition of Excellence for All!

## Pine View's 212° Philosophy

At 211 degrees, water is hot.  
At 212 degrees, it boils.  
And with boiling water,  
comes steam.  
And with steam,  
you can power a train.

# Attendance Information

## ATTENDANCE POLICIES

You can view your student's attendance information on the 'FAMILY ACCESS' portal

**ALL ABSENCES** For an absence (including those for religious observance) to be considered **excused**, one of the following must be submitted to the front office within 3 days of a student's return to school:

- **Signed absent note from parent/guardian** that includes student name/grade/dates of absence/reason for absence. If a reason is not given the absence will not be excused.
- **Doctor Note** – Highly recommended anytime available.
- **Passports** - To excuse a future, full day absence, a student must bring a signed note to the front office at least 3 days prior to the anticipated absence. This note is then attached to the passport form which must be signed by all teachers and a parent/guardian before being returned to the front office for administrative review. Passports will NOT be excused for students identified as *excessively absent* (see below) or during FSA's, EOC's or other standardized testing.

## **PARTIAL DAY ATTENDANCE**

Per Sarasota County School Board policy, a middle or high school student must be present 4 periods of the school day to be considered in attendance for the day. Elementary students must be in attendance until 12:30 and/or not dismissed prior to 12:30 to be considered in attendance for the day.

## **EARLY DISMISSAL PROCEDURE**

All students leaving campus prior to the end of their academic day **MUST** be signed out in the front office. To avoid classroom disruptions, a student should bring a signed note from a parent/guardian to the front office before school to obtain a pass to be dismissed from class. The student then meets their parent/guardian in the front office for sign-out. High school students (including those who are 18) leaving campus early and driving themselves **MUST** have a signed note from a parent or guardian advising that the student has permission to leave school early (For safety, random verification calls to home will be made). If a student is being picked up by someone other than a parent/guardian, the student **MUST** have a signed note from the registering parent/guardian giving permission for the student to leave with the person named in the note.

## **EXCESSIVE EXCUSED LATE ARRIVALS/EARLY DISMISSALS**

If a student has 5 excused late arrivals or early dismissals in a semester, Pine View School considers this excessive and will require doctor notes for future late arrivals/early dismissals to be considered excused.

## **EXCESSIVE ABSENCES**

If a student has nine absences/semester or eighteen absences/year which have not been excused with medical documentation, the Sarasota County School District deems this to be excessive and Pine View School will require doctor notes for future absences to be considered excused.

## **MORNING WAKE-UP CLUB**

If a high school student is late to school five times without an excuse note, the student will receive a letter inviting them to join the "Morning Wake-Up Club". If the family 'opts in' to this intervention they will receive an automated Connect-Ed message at 6:30am encouraging their student to arrive on time for school.

## **UNEXCUSED ABSENCES**

**High School students:** Attendance and administration closely monitor unexcused absences (full day or any day with one or more unexcused class periods) and the following steps are taken:

5 unexcused – counseled by grade level administrator

10 unexcused – Saturday school and referral

15 unexcused – Saturday school and **\*\* Loss of PV parking for two weeks (HS only)\*\***

## **LOSS OF PERMIT/DRIVER'S LICENSE (8<sup>th</sup>-12<sup>th</sup> Grade)**

The attendance records of students (ages 14 - 17, 8<sup>th</sup> - 12<sup>th</sup> grade) who have 15 unexcused absences (includes any day with one or more unexcused class periods) within a 90-calendar day period are automatically forwarded to the Department of Highway Safety and Motor Vehicle by the Sarasota County School District and driving privileges (license/permit) may be revoked.

# Absence Excuse Form

## ABSENCE EXCUSE FORMS

Dear Parents and Guardians,

On the following page are two blank, absence request forms for future use. This form includes all the necessary information that attendance needs should your child be late to school, is absent or requires an early dismissal. (High school students with a driver's license, a registered parking space and a signed note from a parent may leave early and drive themselves.) The 'other' category can be used to request a Passport for a future full-day absence.

STUDENTS 18 YEARS OF AGE MUST STILL HAVE  
NOTES FROM HOME TO EXCUSE ABSENCES,  
TARDIES AND TO LEAVE CAMPUS EARLY

Please feel free to detach and copy this form for use throughout the school year - more copies can be obtained in the front office. This form is not required to excuse an absence but is simple to complete and will help assure that you've included all the necessary information for your child. Handwritten, signed notes are still accepted and doctor notes are always strongly recommended when available.

Thank you,

Your carline attendants want to help make your experience as pleasant as possible, and we know that drop-off and pickup can be stressful times of the day. Here are some tips to try to make things easier:

### High School Morning Drop-off in the Parent Loop

- Students should not be exiting the left side of the vehicle at any time for any reason. We realize many of our students are learning to drive but students are left vulnerable if they are out of the car on the left to switch seats with a parent.
- When cars are unloading their students, passing them is a safety hazard. Please stay in the right lane to drop off your student and then merge into the left lane to exit the parent loop.
- Pull up as far as possible in the drop off lane to keep traffic flowing.

### Elementary and Middle School Morning Drop-off in the Parent Loop

- Around 200 cars drop off students in the loop between 8:45 and 9:15!
- Did you know that we can fit almost 20 cars in the parent loop at a time? Please pull your car all the way up so that as many students as possible can exit their vehicles at one time. There may be 100 cars behind you!
- Once you have reached the sidewalk/awnings, and the cars in front of you have stopped, students should exit their vehicle. *Using the whole sidewalk for drop-off helps carline move more quickly.*
- Students must exit their vehicle on the **curb side only** for safety reasons.
- The lanes merge at the end of the loop – students must be dropped off at the curb prior to the merge.
- We really appreciate your children having their things organized so they can quickly hop out. If your child requires a great deal of assistance, you should use the parking lot or pull forward to the end of the loop.
- Parent expectations – please put your phone away, wait in the line unless otherwise directed – don't pull around a car that has stopped, stay in your vehicle, drive cautiously (5 mph), and bear with us as we try to get all of the cars and students where they need to go.
- Efficient drop-offs help all of our students arrive at class on time!

### Morning Drop-off requiring assistance

- If you need to get out of your vehicle or accompany your child onto campus, please park in the visitors' spots in the main parking lot.
- Make sure to sign in at the office if you are walking your child to class. Our school day starts at 7:21 for high school students, so all visitors need to be signed in between 7:21 and 3:52.

### Afternoon Pick-up in the Parent Loop

- We have around 100 cars picking up students in the loop between 3:50 and 4:15.
- It is essential that you pull your car all the way up, regardless of where your child is standing. You may want to remind your child to watch for you, and feel free to ask one of the attendants to call for your child if s/he didn't see you.
- Please only allow your child to enter the car on the curb side. Traffic is moving through the outside lane, and our students' safety is our priority.
- Elementary students who are not picked up by 4:10 may be asked to wait in the office. If your children are in the office after carline is over, you may park in the loop and come in and get them.
- High school pickup – please do not switch drivers in the parent loop. If the driver needs to get out, please use the parking lot.

### Afternoon Pick-up in the Shell Lot at 3:52

- The Shell Lot is another afternoon pickup location. Students will be waiting on the sidewalk under the awning.
- It is essential that parents park, get out of their cars, and come get their children from the sidewalk. This is because we cannot be responsible for supervising children crossing active traffic.
- After 4:05, elementary students will be brought from the Shell Lot to the office.

## MATH DEPARTMENT TAKES A.I.M.

The AIM Resource Center – AIM stands for “Academic Intervention and Mentoring” – is now open in Room #106, Building 1.

The Resource Center will be an excellent support system for students and their teachers. Ms. E. Padgett, the AIM Resource teacher, is very excited to have this opportunity to work directly with PV’s student body and has outlined a wide variety of services to accomplish this goal. Depending on the service, students are referred by their math teacher or can sign-up on the AIM Resource website to come in. Services include:

- iReady/Algebra Nation Club - will be offered before school (during Period 2 from 8:18 am – 9:10 am) and during students’ lunch periods. Students in Grades 2 – 10, who are referred for this service, will be provided with a personalized math program, designed to support their growing proficiency within specific skill areas. According to Ms. Padgett, “Mathematics is based around a continuum of skills. Each year builds on the skills previously learned. Being able to identify even the smallest of weaknesses or gaps is one thing; having the opportunity to work directly with students to fortify weaknesses and close gaps is awesome”!
- Literacy Lounge - an inviting way to incorporate mathematics and reading. A donation library of interesting stories and articles will be provided to include Elementary, Middle and High School materials. Students can come in and relax, read amazing stories and learn something new! Sign up on the AIM Resource website to come in during your lunch.
- Small Group Collaboration - students (up to 5 at a time) can work together on assignments, projects, makeup homework, hands-on activities, etc. Students can either be referred by their math teacher or sign-up up on the AIM Resource website.
- Enrichment activities - students will have a chance to do some critical-thinking enrichment pertaining to the specific unit of study in which they are working. These enrichment activities can earn you some cool classroom rewards! Sign up on the website!
- Math Magic (Grade 5): Ms. Padgett will be organizing the Math Magic club for select students in Grade 5. This group will investigate how the seemingly complex world of numbers and algebraic reasoning can be viewed in a new way. Math Magic create a sense of wonder and curiosity about mathematics. It’s the fun way to learn short-cuts, tips and tricks! Ms. Padgett says “I love doing math magic with students. I want to create a way for our emerging middle school students to view math as something that can be fun, as well as challenging. I want to encourage them to see beyond the question ‘What’s the answer?’ and to learn how to use critical thinking skills to explore and discover ‘How is it done? What’s the trick?’” Look for information coming home soon!
- Makeup homework or testing
- Homework assistance
- And more!

For more information or for students to sign-up for selected services, be sure to visit the AIM Resource website at: <https://EPadgett.educatorpages.com>.

***It’s going to be a great year!***

# MIDDLE SCHOOL HONOR ROLL CRITERIA FOR GRADES 6, 7, 8

Students and Parents!  
Please read the following information  
regarding Honor Roll as your child enters  
Middle School!

The criteria for Middle School Honor Roll is as follows:

**A's are 4 points**  
**B's are 3 points**  
**C's are 2 points**

Specials are ***not*** used to calculate the GPA, however, we encourage all students to give it 212 degrees in these classes nonetheless.

The minimum GPA to make honor roll is a 3.5.

For example, *if* a student has a report card that is the following:

Spanish 89 = **3 points**  
Math 80 = **3 points**  
Social Studies 91 = **4 points**  
Science 95 = **4 points**  
Language Arts 92 = **4 points**

This would mean that the student has an average of **3.6**.  
Total the points  $3+3+4+4+4 = 18$  divided by 5 (the number of classes).  
This student made the honor roll!

If you have any questions regarding Middle School GPA calculation, please contact Mrs. Kelly Hawking, Pine View Middle School Counselor

## COMMUNITY INVOLVEMENT

Just a Reminder, all volunteers need to register this year in the new system! They will be NEW VOLUNTEERS. The Community Involvement office will add level 2 data to volunteer profiles. Volunteers can add other schools once they log into their profile from the top dashboard icon. It is quick and easy to add another school.

Instructions for registering as a volunteer in the Community Involvement Portal:

1. Go to the Community Involvement Portal:  
[https://volunteer.samaritan.com/custom/528/#/volunteer\\_home](https://volunteer.samaritan.com/custom/528/#/volunteer_home)
2. Search for the school you are interested in volunteering for.
3. Click on the school opportunity.
4. Select "SIGN UP" on the left side of the screen under the photo.
5. Select "NEW VOLUNTEER" and complete the application. EVERY volunteer needs to do this whether they have volunteered for 20 years or are brand new.
6. If you are a SCS Staff Member or Student, this is when you are finished. If not...
7. After you submit your application, you will receive an e-mail within one to two business days from "Sarasota County Schools <[TheAdvocates@VerifiedVolunteers.com](mailto:TheAdvocates@VerifiedVolunteers.com)>" to complete a background screening. Click the link provided in the e-mail that starts with <https://app.verifiedvolunteers.com/verify> followed by a bunch of letters and/or numbers.
8. Complete the background screening using the information you provided in your application. Most of this information will auto-fill so you will only need to retype a few sections.
  - *Please note: This background screening will request your social security number. This is a secure server that is only associated with Sarasota County Schools. If you do not have a social security number or do not wish to provide it, this could extend the time it will take for approval due to a potential result in false background check findings (i.e., someone with the same name and birthday).*
9. You will receive a confirmation e-mail from "TheAdvocates <[TheAdvocates@VerifiedVolunteers.com](mailto:TheAdvocates@VerifiedVolunteers.com)>" once Sarasota County Schools has reviewed your background screening.

# Community Involvement – Volunteers Count!

## Level 1 Volunteering

Level 1 is the starting point for all volunteering. You must be Level 1 approved before you can be Level 2 approved. With a Level 1 clearance, you must stay within eye and earshot of a school faculty member or teacher at all times.

To become a Level 1 volunteer, you should:

1. **Sign up!** Sign up on the district's volunteer portal called [Volunteers Count!](#) You can do this from home, at any Sarasota County school, or at the Office of Community Involvement (OCI) the Landings. OCI will notify you when you are approved.
2. **Reach out!** Once approved, you will be added to the schools approved volunteer list. If you are eager, reach out to schools so you can get started ASAP!
3. **Find the best fit!** If you aren't sure where you want to volunteer or what you want to do, contact the school district's Office of Community Involvement to find a school that needs your specific skill set. You can call (941) 927-9000 ext. 31500 or e-mail [CommunityInvolvement@sarasotacountyschools.net](mailto:CommunityInvolvement@sarasotacountyschools.net).
4. **Possibly get Level 2!** Once you are level one approved, you may proceed to get your Level 2 clearance completed. Please Click "Level 2 Volunteering" to learn more.

## Level 2 Volunteering

Level 2 is the highest volunteer clearance. This clearance permits you to be alone with students for volunteering purposes. This is also a common clearance needed to chaperone field trips and mentor. To get a Level 2 clearance, you must be fingerprinted by the district's Safety and Security Department.

To become a Level 2 volunteer, you should...

1. **Get Level 1!** You must first be a Level 1 volunteer before you become a Level 2 volunteer. You can become a Level 1 volunteer by applying on our volunteer portal, [Volunteers Count!](#)
2. **Be fingerprinted!** You can be fingerprinted at the District Safety and Security Department at the Landings or the North Port Police Department. The Office of Community Involvement will notify you once you are approved.

    - Please connect with a Volunteer Coordinator at one of our North Port schools to get information on how to be fingerprinted at the North Port Police Department.

## Recycling at Pine View

Once again, Pine View will be doing some recycling to keep items out of our landfill. Thanks to Mr. Labiner and Mrs. Krogman, we will be recycling: **Electronic Waste (E-Waste)** every Tuesdays from 8:30 AM – 9:30 AM at the entrance to the Faculty parking lot. This is a service free of charge for items

such as computers, cables, fax machines, DVD/CD/VHS players, video game consoles, printers, electronic toys, power supplies, rechargeable batteries, scanners and keyboards. Please NO TVs or computer monitors.

We also will be recycling printer cartridges, GoGO Squeeze pouches, musical instruments, can tabs, plastic rings from multi-pack drinks, and old markers. These can be dropped off at the Front Office or taken to Room 128 in the Yellow Building.

Our goal for this year is to decrease the number of single-use water bottles on our campus. We recommend refillable water bottles for your students to help our effort to reduce the amount of plastic going to trash. We have a refilling station in the Student Union, and we are working towards installing a few more stations on our campus.

## How Does Exercise Impact Learning?

Everyone knows exercise is good for your body. However, did you know that exercise immediately benefits your brain as well?

Exercise produces numerous chemicals that affect cognition, mood, and executive function. A chemical that dramatically increases post-exercise is BDNF.

BDNF – Brain-Derived Neurotrophic Factor – is like “miracle grow” for your brain.

BDNF causes growth in connections of brain cells (learning), growth of capacity of systems (attention, memory), and is even involved in growing new brain cells (previously not thought possible!).

BDNF is an anti-depressant, anti-toxic stress factor and correlates with intelligence and memory. Dr. John Ratey, a psychiatrist from Harvard, says that if exercise was a medication, we would all want to buy it – the effects are so beneficial and so powerful.

**“SPARK Brain Builders” is an expansion of the already successful Run Club – SPARK will be held five days a week, starting on September 3. Forms will be coming home soon for elementary and middle school. All students MUST have a completed form in order to participate!**

# Chinese Corner

"This summer I had the opportunity to travel to China for 2 months on a scholarship with the NSLI-Y program. I attended Chinese language classes every morning, culture classes each afternoon, and spent almost all remaining time with my host family. The improvement in my Chinese as a result of immersion is incredible, but more importantly I made lifelong connections that showed me the world is a much smaller place than we think. Language barriers are a small obstacle to be overcome—underneath there are so many similarities that are easy to miss."

~Alana Schreibman~

This summer, I had the opportunity to study abroad in Suzhou, China for 6 weeks on a full scholarship through the US Department of State's National Security Language Initiative. In these 6 weeks, through intensive Chinese classes, cultural activities, and time spent with my host family I vastly improved my Chinese level. I also built close bonds with my host family, my American classmates, and my Chinese high school peers. I felt that my Chinese education at Pine View greatly prepared me for this study abroad experience and I would recommend this NSLI-Y program to anyone interested in Chinese or another foreign language.

~ Jaden Wiesinger ~

This summer, we had the opportunity to participate in a three-week-long Chinese language immersion summer camp in Taiwan. During this time, we traveled to multiple famous locations in Taiwan: the Taiwan National Museum, Taipei 101, Pingxi, and Shifen, etc. Along with traveling, the summer camp included participating in a college class to improve our Chinese language skills. In the morning, we joined a Chinese class like the ones we have at Pine View, while in the afternoon was a more culturally focused lesson. These classes included a myriad of interesting activities that not only benefited our learning experiences but also fun to do. This summer camp also gave us a lot of freedom, so we were able to go out, speak to local people, explore Taiwan and purchase a ton of items. This experience left us with many unforgettable memories and helped us grow. Sophia recommends that if students who want to learn a different culture, or simply to improve their Chinese skill, they need to go on these immersion summer camp. For Bari, she learned that she can't wait to go back to visit again.

~ Sophia Nealon and Bari Namgoong ~
