Dear Pine View Parents,

It is said that the two-faced Roman God Janus is looking forward to the future, and backward to the past, at the same time. It is time for us at PVA to do the same: reflect on what we achieved these past few months and look forward to what we still need to accomplish. PVA always strives to come up with new ideas to help Pine View and its community, but we are also reinventing our organization from within. One key aspect this year, is to communicate better about *what we do and who we are*. PineViews is a great medium for that. I hope you all enjoy our new column, where we feature some of the many parents that volunteer at Pine View. You can see, that we all come from different backgrounds, places and ethnicities, yet what unites us is a common goal: *to help and support Pine View School*.

We want to ensure that our kids have all the necessary resources to reach their full potential academically, but also enjoy their time at school with fun activities. PVA does this by supporting our teachers and school through funding requests. For instance, this past month, PVA approved a funding request for \$5000 from the science department to purchase new supplies for their classrooms. PVA is also aware that our gifted students experience pressure to excel; therefore, we support efforts that address social and emotional needs as well. Pine View's garden provides a green oasis for our students, that allows them to get out of the classroom for a while. Angel Wehlange and her team chair the Garden Committee, which is supported by PVA funds.

We also revised our mission statement. We felt that it was necessary to come up with a more distinct statement that truly defines: *who we are and what we do*. The PVA Board worked on this for many months, attended workshops and had many meetings and discussion. We finally came up with:

The Pine View Association, working with the Pine View community, supports & advances the excellence of Pine View School.

It reflects *what we do and who we are* in a simple sentence. I hope that you are taking this simple message to heart. Come join us anytime, be a part of this wonderful community of parents, alumni, staff and teachers. We will embrace you with open arms!

From all of us at PVA, we wish you a wonderful holiday season and a Happy New Year. See you back in 2020 for many more exciting times at this special school!

Yours truly,
Isa Chauhan
PVA President

News... from the Board Room

This column is to inform our membership of PVA board meetings in a more informal fashion — all board meetings are recorded by our Secretary, Heidi Bodor. She keeps detailed minutes of our meetings.

On November 12th we had another productive PVA board meeting. `

Special guest:

- Ms. Ames, PVS science teacher, and two of her students came to the meeting to represent the science department for a funding request in the amount of \$5000.
- Mrs. Kolsky, Mrs. Williams, and Mrs. Bradly, representing the 3rd grade for a request to support a new theater program.
- Dr. Sheppard, PVS's new AP for Elementary school

Funding Requests:

- The science department students gave an interesting and informative power point presentation, explaining the need (skull models, heart models, human torso model, skeleton model etc.). Request was approved and a check in the amount of \$5000 was issued to support PV science department.
- Third Grade Theater Program requested to get funding for professional theater coach. Request was approved and a check for \$1500 was issued for the 3rd grade team.

Committee update:

- The Fair committee was praised by all board members for an outstanding job on putting the fair together. There were no complaints, everything went smoothly, and the weather was great! Thanks to Ben and his team, PVS had one of the best Fairs yet.
- Read-A-Thon was finally wrapped up, all prizes went out to students and a raffle date for an I phone XR and tickets to the Kennedy Space Center was set.
- Pinnacle is going great thanks to Melissa and Megan.
- Thanks Renata Gaertner and her team of volunteers to a wonderful day with happy students at Pine View Pride!

New Business:

- PVA cookbook: The cookbook is still in the beginning stages. We are looking for recipes from teachers, administration and support staff. We will have more details at the next meeting.
- New Proposed Pine View Diploma. After the meeting, a few board members stayed to discuss the new proposed changes to the PVS Diploma. Dr. Covert answered questions, while some board members expressed their opinions and concerns. At this point, the proposal will be looked over by the school board for further approval. A date when it will be discussed at the school board has not been set but can be found on the schoolboard website.

Dear Donor/Sponsor:

Pine View School for the Gifted will be holding Pinnacle, its annual gala fundraiser, on Saturday, February 8, 2020. The event will feature a dinner and dance with both a live and silent auction. As a public school, Pine View relies heavily upon community support for their progressively diverse educational opportunities.

Supporting our school with a donation would provide exposure for your business to the families of our 2200 students. As a sponsor or underwriter you gain additional exposure through not only our online auction, but all Pinnacle marketing materials, the Pine View school newsletter, and will be prominently displayed at the gala.

As an added bonus, our internet based auction is open to the public and can be viewed at: www.biddingforgood.com/pineview This allows for even greater exposure for your business.

Would you please consider donating one of your items or services? No donation would be too big or too small and it is tax deductible. Your contribution and support will be greatly appreciated by all students, faculty, administrators and parents.

If you have any questions, you may reach Courtney Rosenthal (941) 993-7933 or Megan Heller (239) 220-2529. Alternatively, you can email us at pinnacle@yourpva.org. We would be happy to retrieve your items or please feel free to mail them to:

Meet Your PVA Board & Committee Chairs

Melissa Perrin ...

How did you end up in Sarasota?

We moved our family to Sarasota the summer of 2013 from Tampa when my husband, Scott, started practicing at Sarasota Memorial Hospital. We were very excited to move to this beautiful city!

What is your connection to Pine View?

We have four kids and our two middle sons are in their second year at Pine View. Ethan is in 7th grade and Everett is in 5th grade. Both boys have made excellent friends and are thriving in the academically challenging curriculum that Pine View offers.

What is your role in PVA and why did you get involved?

Having four kids ranging in age from seventeen to four and being married to a physician with a demanding work schedule I find myself having to focus my time in charities and organizations that I believe I can offer the most to. When I was asked to co-chair Pinnacle with Megan Heller I knew this important event was something I wanted to support and be involved in. I'm excited to play a small part in such a great event! I have met such incredible people through the planning process and are truly grateful for all the support we have received from parents, administration, teachers and staff.

Rachel West ...

How did you end up in Sarasota?

We have been vacationing in Sarasota since 2003. It's our "happy place" and reminds me of my home town, where I grew up in Southern China. 10 years later, we decided to move from Boston to live here on a full-time basis while I continue to travel for business.

What is your connection to Pine View?

My son started at Pine View School since he was eight years old, he has made many great friends and loves his teachers, advanced studies, and a very active campus. He enjoys bonding with his teammates at Sarasota Crew and frequent regattas.

What is your role in PVA, and why did you get involved?

I have been volunteering at PVA for the last five years, from funding requests to e-communication, technical support, and now I am chairing the sponsorship program. It's a rewarding experience to have built great relationships with many of the parents, sponsors, board members, and faculties over the years. Pine View is one of the finest educational institutions in the region. As a parent, I am very grateful for the excellent learning environment and the tremendous opportunity it provides to our students. No matter how busy I am with my work and client commitments, I will manage to support Pine View school in any capacity that I can. We always need more volunteers, doing the smallest things like sending emails to a sponsor or making phone calls, would make a difference in connecting our community and giving our students the best possible resources to grow & thrive.

Meet Your PVA Board & Committee Chairs

Karen Kirsh ...

What is your connection to Pine View?

My connection to Pine View began when I started there as a student in the fourth grade (in those days, PV was only grades 4-12). I also met my husband, John, at Pine View – we are both PV graduates. Our oldest son, Jack, graduated from PV in 2018, and is now a sophomore at UF. Our son, Ben, is currently a junior at PV. We are a Pine View family!

What is your role in PVA and why do you volunteer?

Over the years, I have had many roles in PVA. I have been on the Board for about seven years, and have served as president, vice-president, Peramathon co-chair, and I am currently the funding request chair. I volunteer because I want to be involved in the life and direction of my children's school, and to give back to a place that has meant so much to our family. I have also been blessed to forge some amazing friendships with the other PVA parents – we work hard, but we also have a lot of fun! I also volunteer because I feel like I should – we need everyone's commitment to support this amazing school and its students. My mom was a PVA volunteer, and I always felt proud to see her helping out on campus when I was a student at PV. My hope is that my boys feel the same way!

What do you love most about Pine View?

What I love most about Pine View is that there's a place for everyone here – and that everyone is different, so no one is. I love to watch Pine View kids grow and thrive in this magical place that allowed me to do the same. I love that, at Pine View, it's ok to be a geek, an athlete, a drama nerd, a history buff, a STEM kid – or a unique combination of all of those things and more. I believe that every individual PV student adds something to the culture and DNA of this place, and that the whole is much greater than the sum of its parts. In addition to receiving a world-class education from teachers who really *get* gifted kids, Pine View is a place where many kids feel like they belong, for the first time ever – and I really love that. My boys have received an incomparable education in a totally unique learning environment, where they could be who they are, and find and follow their own, unique paths.

DreamLarge Weekends – Winners

Two Pine View students, 8th grader Devin Gulliver and 9th grader Cole Laudenslager, were part of the winning team of the inaugural DreamLarge Weekends. This weekend-long program took place at Ringling College in October and was developed to promote creativity and innovation in Sarasota County students to become local changemakers. Cole and Devin worked with their team to create an anti-bullying campaign by combining the efforts of two local non-profits, Embracing Our Differences and Sarasolo. As a result of the win, Embracing Our Differences and Sarasolo were awarded a \$6,000 donation. The boys have been asked to participate in the PINC creative thinking conference and present their winning idea at this event

Pine View School Student Entrepreneur - Christiana Guan

Christiana Guan, a 12th grader, won the \$2000 Second place prize for her business plan for Ecolysian at New College's first Social Entrepreneurship Conference in September 2019.

The conference brought together business leaders and influential community members to empower and equip the next generation of social entrepreneurs.

"Social entrepreneurship is a new concept of business where the focus is not on the profits, but

increase environmental activism.

Congratulations, Christiana!

on the impact they make on the world," explains Emiliano Espinosa, an Environmental Studies student and co-founder of the conference.

Christiana was the only high school student selected for the final pitch competition. Ecolysian is an e-commerce business offering up cycled and eco-friendly products along with a Blog to

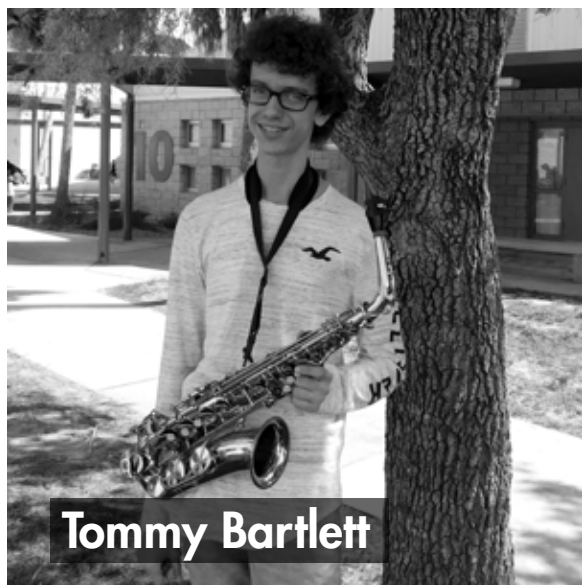

George Harding, Thomas (TJ) Travnicsek and Evan Hannon played on the Riverview JV and Varsity Football teams this Fall.

Congratulations, Pine View Band Students!

Kudos to the 18 Pine View Band students who auditioned for the **2020 All State Concert Band**, and particularly to Tommy and Carson, who were accepted. Competition is steep; fewer than ten percent of auditioning students are chosen, and Pine View has had more students selected in the past decade than any other school in Sarasota, Manatee, or Charlotte counties.

Event sponsored by PVA!

Attention Pine View School Parents

We are excited to announce that we will be using Membership Toolkit for our Directory, Online Sales and Communications starting with the 2019-2020 school year.

We invite you to visit yourpva.membershiptoolkit.com to see everything your Pine View Association has to offer this year. Once you create a verified Membership Toolkit Account, you will have access to view our PVA Student Directory.

When registering and creating an account, as long as you use the email address that the invitation has been sent to, your user account will be automatically linked to your information we imported from MySchoolAnywhere.

Here's what you need to do:

- Go to <https://yourpva.membershiptoolkit.com>.
 - Click on the Register/Login button.
 - If you already have an account with another organization that uses Membership Toolkit you can use the same email and password to login. You can then proceed to the numbered steps below.
 - Select "Create Account" and fill in the name, email, and password information.
 - Click "verify my email" and then check your email for a link to complete the process. The link expires in 2 hours. If you do not receive the email, check your spam or junk folders.
 - Once you have verified your email address, log back in and finish the registration process.
1. Complete or confirm the **Parent/Family and Student Information**.
 2. Complete or confirm the **Directory/Publish Preferences**.
 3. Once these forms are completed or confirmed, you will have access to the PVA Student Directory!

Once the Primary Account is set up, the **Primary User can "invite" other email addresses** to access his/her account. This allows the Secondary User to have their own login information, but still have access to the family account.

If you are receiving this email by mistake, please reply to admin@yourpva.org and tell us, and your account will be made inactive.

Questions? - Please don't hesitate to contact us at admin@yourpva.org.

Principal's Perspective

Dear Pine View School Parents and Community:

It seems like the year just began, and it's already almost Winter Break! The Band, Choir, and Orchestra ensembles are performing their Winter concerts, and have dazzled audiences on campus, as well as at festivals and throughout Sarasota with their work, and our art students have achieved acclaim at shows, as well. This past Thanksgiving break was a wonderful time to remember all of the wonderful students, teachers, and parents which help to make our school such an outstanding educational environment, and for which we are truly thankful!

We want to share some fall updates on new construction and thank PVA for partnering with us for our Town Hall on new construction. Architectural firm, Harvard-Jolly, and our construction firm, Tandem Construction, presented information to an audience at the December Town Hall meeting. The 80,000 square foot, three-story building is intended to replace all of the classrooms currently taught in Mobile Learning Cottages. Construction is anticipated to begin in June of 2020 and take 13 to 18 months to complete. We are so excited to gain back fields and open spaces on campus, as well as create an architectural centerpiece to campus to meet the instructional and learning needs of our students.

This is a busy and important time of year for many reasons; holiday concerts, festivities, family, and continuing highly-rigorous instruction. We are continuing to prepare our students, grades 2 through 12, for outstanding success in the spring on statewide assessments ("FSA's", iReady assessments, End-of-Course assessments, Advanced Placement examinations, and myriad other tests). While these are some of the many public ways in which we are collectively assessed, Pine View teachers and students truly do breathe life into our mission of providing, "...a qualitatively different learning environment that nurtures a passion of intellectual curiosity, ... and that is committed to a tradition of academic excellence and social responsibility." Through PVA support and teacher-created initiatives, Pine View continues to reinforce all the arts as critical components in our students' complete education. In addition, through PVA's support and brought to life by our teachers and students, the Pine View Vision supports our upward trajectory as a school for the next 50 years of excellence- "Pine View is the premier school for arts and sciences dedicated to providing excellence in research-based teaching practices that foster intellectual, social and emotional growth in gifted students."

We want to wish everyone a wonderful upcoming Winter Break, and Happy Holidays to everyone! School will be closed over the Winter Break, and will re-open on Tuesday, January 7th, 2020. We hope that everyone will make some time to relax, rejuvenate, and re-connect with friends and loved ones.

Happy Holidays!

Attendance Information

ATTENDANCE POLICIES

You can view your student's attendance information on the 'FAMILY ACCESS' portal

ALL ABSENCES For an absence (including those for religious observance) to be considered **excused**, one of the following must be submitted to the front office within 3 days of a student's return to school:

- **Signed absent note from parent/guardian** that includes student name/grade/dates of absence/reason for absence. If a reason is not given the absence will not be excused.
- **Doctor Note** – Highly recommended anytime available.
- **Passports** - To excuse a future, full day absence, a student must bring a signed note to the front office at least 3 days prior to the anticipated absence. This note is then attached to the passport form which must be signed by all teachers and a parent/guardian before being returned to the front office for administrative review. Passports will NOT be excused for students identified as *excessively absent* (see below) or during FSA's, EOC's or other standardized testing.

PARTIAL DAY ATTENDANCE

Per Sarasota County School Board policy, a middle or high school student must be present 4 periods of the school day to be considered in attendance for the day. Elementary students must be in attendance until 12:30 and/or not dismissed prior to 12:30 to be considered in attendance for the day.

EARLY DISMISSAL PROCEDURE

All students leaving campus prior to the end of their academic day MUST be signed out in the front office. To avoid classroom disruptions, a student should bring a signed note from a parent/guardian to the front office before school to obtain a pass to be dismissed from class. The student then meets their parent/guardian in the front office for sign-out. High school students (including those who are 18) leaving campus early and driving themselves MUST have a signed note from a parent or guardian advising that the student has permission to leave school early (For safety, random verification calls to home will be made). If a student is being picked up by someone other than a parent/guardian, the student MUST have a signed note from the registering parent/guardian giving permission for the student to leave with the person named in the note.

EXCESSIVE EXCUSED LATE ARRIVALS/EARLY DISMISSALS

If a student has 5 excused late arrivals or early dismissals in a semester, Pine View School considers this excessive and will require doctor notes for future late arrivals/early dismissals to be considered excused.

EXCESSIVE ABSENCES

If a student has nine absences/semester or eighteen absences/year which have not been excused with medical documentation, the Sarasota County School District deems this to be excessive and Pine View School will require doctor notes for future absences to be considered excused.

MORNING WAKE-UP CLUB

If a high school student is late to school five times without an excuse note, the student will receive a letter inviting them to join the "Morning Wake-Up Club". If the family 'opts in' to this intervention they will receive an automated Connect-Ed message at 6:30am encouraging their student to arrive on time for school.

UNEXCUSED ABSENCES

High School students: Attendance and administration closely monitor unexcused absences (full day or any day with one or more unexcused class periods) and the following steps are taken:

5 unexcused – counseled by grade level administrator

10 unexcused – Saturday school and referral

15 unexcused – Saturday school and **** Loss of PV parking for two weeks (HS only)****

LOSS OF PERMIT/DRIVER'S LICENSE (8th-12th Grade)

The attendance records of students (ages 14 - 17, 8th - 12th grade) who have 15 unexcused absences (includes any day with one or more unexcused class periods) within a 90-calendar day period are automatically forwarded to the Department of Highway Safety and Motor Vehicle by the Sarasota County School District and driving privileges (license/permit) may be revoked.

Absence Excuse Form

ABSENCE EXCUSE FORMS

Dear Parents and Guardians,

On the following page are two blank, absence request forms for future use. This form includes all the necessary information that attendance needs should your child be late to school, is absent or requires an early dismissal. (High school students with a driver's license, a registered parking space and a signed note from a parent may leave early and drive themselves.) The 'other' category can be used to request a Passport for a future full-day absence.

**STUDENTS 18 YEARS OF AGE MUST STILL HAVE
NOTES FROM HOME TO EXCUSE ABSENCES,
TARDIES AND TO LEAVE CAMPUS EARLY**

Please feel free to detach and copy this form for use throughout the school year - more copies can be obtained in the front office. This form is not required to excuse an absence but is simple to complete and will help assure that you've included all the necessary information for your child. Handwritten, signed notes are still accepted and doctor notes are always strongly recommended when available.

Thank you,

Pine View School Attendance

Dear Pine View Elementary Families:

Fulfilled, happy, confident, responsible, kind, and loving. We have learned that these are goals families want for their children, and as teachers, what we want for our students.

We recognize that as a family member, you are our students' first teacher and we want to partner with you to help our children become tolerant, compassionate, and caring adults. To support achieving these goals and to help our students build their social-emotional skills, we are pleased to share that we are implementing Sanford Harmony in our school community.

This social emotional learning program has been made available through the generosity of entrepreneur and philanthropist, T. Denny Sanford. Mr. Sanford selected National University to disseminate Sanford Harmony at no cost to elementary schools and organizations throughout the United States.

Social emotional learning (SEL) helps children by promoting their health and emotional well-being and contributing to the prevention of violence, truancy, bullying, and substance abuse. In addition, SEL is associated with significant gains on academic achievement tests.

Sanford Harmony is designed to build healthy relationships among students by having them engage in activities that promote understanding and respect. Over the course of the five units listed below, students will enhance their abilities to learn, work, and spend time together.

- Diversity and Inclusion
- Critical Thinking
- Communication
- Problem Solving
- Peer Relationships

Information will be sent home periodically, sharing activities in each unit. You will find out more about Harmony Goals, Meet Up, Buddy Up, and other fun strategies being used in the classroom. We welcome your feedback. To learn more about Sanford Harmony please visit sanfordharmony.org.

Thank you for your support!

Sincerely,
Kate McManus/ Elementary School Counselor

WALL OF FAME - November 2019

At 211 degrees, water is hot – at 212 degrees, it boils, and with boiling water, comes steam, and with steam, you can power a train.

One degree. Applying one extra degree of temperature to water means the difference between something that's simply very hot and something that generates enough force to power a machine – a beautifully uncomplicated metaphor that ideally should feed everything we do.

Thomas Edison said... "Many of life's failures are men who did not realize how close they were to success when they give up."

Vince Lombardi tightened it up with... "Inches make the champion."

212 distills it even further. According to Sam Parker, author of "212, The Extra Degree", the purpose of the 212 message is to create a level of awareness and accountability that inspires and challenges all of us to try harder, give more and, ultimately, enjoy more.

To learn more, please visit www.givemore.com

GRADE 2: Eric Mattison consistently exhibits the extra degree as he eagerly takes on incredible responsibilities and volunteer efforts on a daily basis. When extra help is needed for special classroom events, Eric steps up to help wherever needed, no matter the challenge or time expended. He is also helpful with his classmates as he promotes an enthusiastic, collaborative atmosphere for all involved. He is a great organizer and follows through with his classroom responsibilities with extra attention to detail. Eric Mattison is being nominated for 212 degrees, not only for his organizational excellence each and every day, but also for his amazing attitude and smile!!

GRADE 3: Kate Chen, who is new to Pine View, has stepped up in every way. Kate demonstrates kindness, friendship, and inclusion for those around her. She is a curious learner who exhibits exceptional focus and diligence in her work. Taking ownership of her learning, Kate shines through with her fantastic work ethic. Kate is an exemplary role model in the classroom and goes the extra degree every day.

GRADE 4: Tristan Treadway is someone that goes out of his way to be helpful and considerate of others. He helps his teachers with attendance every morning and he doesn't even have to be asked. Tristan is dependable, encouraging, supportive, and self-motivated. Not only is he kind to the students and the teachers, he is a leader on his baseball team as well. Tristan plays the piano in his spare time and volunteers every year at the Jewish Food Festival, another example of his kindness and caring for others. Tristan is an example of a young man that goes 212 degrees to help others realize their own importance.

GRADE 5: Sora Fancher is a highly responsible student who has taken on the role as Elementary Student Council President, after playing a vital role last year with its many community service projects. While being a respected and accountable leader, Sora also shows compassion to all. Sora is quick to offer help and does a thorough job at whatever she attempts. She offers creative and critical thinking to her classes and group discussions in all subjects. Sora Fancher consistently delivers 212 degrees of effort through her personal and moral character.

GRADE 6: Jackson Mitchell is a dedicated student and respectful young man who excels in and out of the classroom. A new to Pine View student, Jackson is an accomplished actor who recently won acclaim for his performance as Mowgli in The Venice Little Theater's production of The Jungle Book. Keeping up a hectic performance schedule coupled with his academic requirements wins the academy award for this young man! Jackson is a wonderfully amazing addition to our school inspiring others with his enthusiasm and outstanding performance character.

GRADE 7: Annika Biggs has adopted the 212 Philosophy right from her very start at Pine View. As a student she works hard and goes above teachers' expectations. Annika has a pleasant demeanor and is very kind to teachers and peers alike. During cooperative learning activities, Annika is a leader and helps with each aspect of the assignment, working respectfully with all members of her classes. Annika is not only a scholar; she is a wonderful performer. Annika gives 100% in every rehearsal for band and is always prepared for rehearsals. Outside of school, Annika is a member of the Rise Above Performing Arts group and adds a very rigorous performance and rehearsal schedule to her accomplishments.

GRADE 8: Stella Votrubova is an outstanding student who is always curious and self-aware. Stella's remarkable inquisitiveness promotes class discussions; which in turn, benefits everyone with greater understanding of the curriculum and concepts. Stella's level of awareness and accountability inspires those around her. She is a strong, positive leader and mentor for peers. Stella exhibits a 212 attitude in everything she does and is respectful to all.

GRADE 9: Florencia Geddes goes the extra degree in many different ways. She is a very respectful, resourceful, and dedicated student who goes the extra mile to help others and to participate in class activities such as labs and group work. Florencia also makes sure to put in all effort (and then some!) when it comes to her own schoolwork. She is always ready for school with a great attitude and positive approach and is always willing to share her thoughts and ideas with the class. Florencia is a great example of going the extra degree when it comes to school obligations and her personal character.

GRADE 10: Chloe Kortie delivers superb performance as a student, and her gentle nature positively impacts others. Chloe is organized, focused, engaged and always going above and beyond in assignments and in-class discussions. Her thoughts and inquiries add so much life and contemplation to the class environment. In and outside of the classroom, Chloe willingly and selflessly helps others without hesitation. She is so helpful to not only her peers, but also her teachers, and for that, we are extremely thankful to have her with us every day. Chloe has a "refreshingly down to earth" spirit and is a great asset to the Drama Club. Chloe, thank you for going above and beyond every day and for showing your Pine View peers what 212 is all about!

GRADE 11: Poised and compassionate, Tara Gildersleeve has made a home at Pine View School. Tara is new to Pine View and has brought with her a passion for learning, a calm and determined approach to her academic endeavors, and a caring attitude toward others. Tara is currently the Flight Sargent with the Sarasota Civil Air Patrol and is involved with numerous Pine View clubs. Tara is soft spoken yet has a very tangible presence. She is warm and engaging and is quick to offer a smile to anyone whom she meets.

GRADE 12: Bright, creative, and caring, Lindsay Farb is the embodiment of the 212 creed. Lindsay has been recognized for her incredible talent in multiple media and contributed her boundless creative energy to various clubs and organizations on and off campus. Lindsay's active participation and leadership in BuildOn, raising funds for the construction of a school in Malawi demonstrate her deep compassion for humanity. It is Lindsay's creative perspective and heart that truly set her apart.

STAFF: Bob Tompkins has demonstrated exceptional leadership in ensuring that our crew and team is focused on serving the needs of the teachers in the classrooms, as well as the parents and outside organizations who use our campus and support our mission. Pine View is a campus of 75 acres and many, many buildings which all must be maintained and kept in top condition to help teachers go the extra degree with students- Bob does this every day, and his leadership in making sure our crews, both day and night, are all focused on the same things.

Through Forums with Dr. Covert and grade level Guidance Counselors, students are being introduced to the concept of "212" and "going the extra degree".

Opportunities to compare and contrast examples of going the extra degree in various settings are provided. Grade level recognition of students who have demonstrated that extra degree of effort through moral character or performance character are being showcased on the Pine View "Wall of Fame" proudly displayed in the Student Union. The 212 "Wall of Fame" recognizes students who demonstrate going the extra degree.

Nominations are received from grade level and/or classroom teachers. This recognition may highlight Moral Character (Citizenship, Gratitude, Kindness, Responsibility, Honesty, Respect, Good Sportsmanship) or Performance Character (Personal Improvement, Risk-taking, Diligence, Independent Learning, or Enthusiasm). Students may be recognized for a specific action or for demonstrating the 212 "Everyday - Every way" spirit. As Dr. Covert points out when he addresses students, "the true measure of success is not to outdo others but rather to outdo ourselves". The 212 message certainly reinforces that important notion for Pine View students.

A note from Elementary School Counselor, Kate McManus...

Dear 4th – 6th grade parents! If your child scored at or above on the following tests, they are eligible for the Duke TIP program.

Test Name	SubTest	Scores
Florida Standards Assessment (FSA) and NGSSS 2018 3rd Grade	ELA	≥ 335
	MATH	≥ 335
Florida Standards Assessment (FSA) and NGSSS 2018 4th Grade	ELA	≥ 343
	MATH	≥ 351
Florida Standards Assessment (FSA) and NGSSS 2019 3rd Grade	ELA	≥ 333
	MATH	≥ 335
Florida Standards Assessment (FSA) and NGSSS 2019 4th Grade	ELA	≥ 345
	MATH	≥ 352
Florida Standards Assessment (FSA) and NGSSS 2019 5th Grade	ELA	≥ 356
	MATH	≥ 363
	SCIENCE	≥ 235

Students need to enroll only **once** during their fourth, fifth, or sixth grades, as benefits continue to the end of their sixth-grade year. **If a student has enrolled in a previous year, do not re-enroll.**

If you choose to enroll your child into this program, please complete the following steps:

- Go to www.tip.duke.edu/enroll.
- If you have never created an online account with Duke TIP, click on 'NEW USERS' in the upper left-hand corner and fill out the new user registration form. This is where you will create a Username and a Password. If you have a username and password, log into the online system.
- After creating your account, you will be automatically logged into 'DUKE TIP'S ONLINE APPLICATION AND ENROLLMENT SYSTEM'.
- From the list of available applications on the left, select the '4th-6th Grade Talent Search'.
- Complete each page of the online enrollment form; making sure to click the 'Save & Continue' button at the bottom of each page.
- If your child qualifies for free or reduced lunch, please indicate that in the Financial Aid section.
- You may choose to register your student for the optional above-grade-level PSAT 8/9 test when applying online, if deadlines have not passed. Additional testing fees apply.
- At the end of the online enrollment, you will be prompted to pay with a Visa, Mastercard or Discover. Your enrollment may not be complete without making a payment.
- If you requested financial aid, no payment may be necessary; however, you must submit proper documentation within two weeks of your student's application.
- After submitting the online enrollment, a confirmation email will be sent to the parent email address. If you requested financial aid, instructions on submitting documentation will be included in your email confirmation.
- If you do not receive a confirmation email within 24 hours, please call 919-668-9100. Your application may not be complete. Do not submit your application and payment twice.

For further assistance, visit tip.duke.edu/contact.

Additionally, if you need information regarding your child's FSA scores, please contact Michelle Ball-Fauls, Administration Assistant.

A.I.M. RESOURCE IN FULL SWING –

What a wonderful opportunity our students have this year! The AIM Resource Center – AIM stands for “Academic Intervention and Mentoring” – is fully operational in Room #106, Building 1, designed and supported by one of our long-standing PV math teachers, Ms. Eida Padgett. The Resource Center is an excellent support system for students and their teachers and the reviews offered up by parents and students alike is very positive. Here are a few of the service offerings:

i-Ready Club: Students from both the elementary and middle school level are participating in i-Ready. Utilizing both diagnostic data and teacher recommendation, Ms. Padgett adjusts student lessons so that they are focused on specific mathematical domains; areas of needed support. According to Ms. Padgett, “The iReady Club gives students an opportunity to work on their math skills in a ‘student-oriented’ environment ~ with a teacher available to provide additional assistance, if needed. I see up to 20-25 students per day for iReady club”. iReady Club is offered daily during Period 2 (8:30 a.m. – 9:00 a.m.) or during student lunch hours (Periods 5, 6 and 7). Recommended time spent in lesson is 20 – 30 minutes. iReady Club is by referral only.

Lunch Bunch: Have a math question? Need some help understanding a math concept? Maybe just a little extra practice? Ms. Padgett also offers “Lunch Bunch” sessions. These sessions are open to all students who wish to participate and are centered around the students themselves. These 30-minute sessions include answering individual student questions, reviewing or assisting with homework or even reteaching/reviewing a lesson. Feel free to stop by! Lunch Bunch is open to all students. The current “Lunch Bunch” schedule is as follows:

<u>Grade 3 math</u> -	Wednesdays @ 11:15 a.m.
<u>Grade 4 math</u> -	Thursdays @ 12:30 p.m.
<u>Grade 5 math</u> -	Wednesdays @ 12:30 p.m.
<u>Grade 6 math</u> -	Tuesdays @ 11:30 a.m.
<u>Pre-Algebra</u> -	Wednesdays and Fridays @ 1:30 p.m.
<u>Algebra 1</u> -	Wednesdays and Fridays @ 1:00 p.m.
<u>Geometry</u> -	Tuesdays and Thursdays @ 1:00 p.m.
<u>Algebra 2</u> -	Wednesdays @ 1:00 p.m.

Other Resources: Students are also invited to come at their convenience during the day if they would like any kind of assistance with math. Ms. Padgett is available to work one-on-one with students to help them better understand a problem, a concept or an entire chapter! Small groups of students are welcome to come in, work together at Collaboration Corner; completing homework, project work, even reviewing for an upcoming quiz or test. As one student told Ms. Padgett.... “Sometimes it’s nice to work independently, but reassuring to know that there is a teacher there to help us if we need it – just in case!”

Math Magic Club: On the lighter side, Ms. Padgett is also sponsoring the Math Magic Club. Students in grades 5 and 6 are welcome to join in the fun! Math Magic Club is on Mondays at 11:30 for students in Grade 6 and 12:30 pm for students in Grade 5. During Club time, Ms. Padgett shares the “magic” behind the math. Participants have fun learning through demonstration the power of math and importance of numbers. Ms. Padgett teaches tricks that use each of the basic operations (+, -, x, ÷), as well as techniques that can be used to increase performance in math class – even math competition! Best of all, Math Magic Club teaches listening skills and teamwork; builds confidence, self-esteem and improves mental concentration. Students take their work home to share and amaze family and friends alike.

If your student hasn’t had an opportunity to visit the A.I.M. Math Resource Center, be sure to encourage them to stop by, say hello and check it out. Hours are 7:15 am – 9:15 am and 11:15 am – 2:15 pm daily, Monday through Friday. You can also visit our website at <https://EPadgett.educatorpages.com>.

PINE VIEW RUN CLUB

How Does Exercise Impact Learning?

Everyone knows exercise is good for your body. However, did you know that exercise immediately benefits your brain as well?

Exercise produces numerous chemicals that affect cognition, mood, and executive function. A chemical that dramatically increases post-exercise is BDNF.

BDNF - Brain-Derived Neurotrophic Factor - is like “miracle grow” for your brain.

BDNF causes growth in connections of brain cells (learning), growth of capacity of systems (attention, memory), and is even involved in growing new brain cells (previously not thought possible!).

BDNF is an anti-depressant, anti-toxic stress factor and correlates with intelligence and memory. Dr. John Ratey, a psychiatrist from Harvard, says that if exercise was a medication, we would all want to buy it – the effects are so beneficial and so powerful.

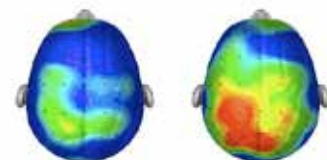

“SPARK Brain Builders” is an expansion of the already successful Run Club – SPARK will be held five days a week, starting on September 3. Forms will be coming home soon for elementary and middle school. All students MUST have a completed form in order to participate!

Just a Reminder, all volunteers need to register this year in the new system! They will be NEW VOLUNTEERS. The Community Involvement office will add level 2 data to volunteer profiles. Volunteers can add other schools once they log into their profile from the top dashboard icon. It is quick and easy to add another school.

Instructions for registering as a volunteer in the Community Involvement Portal:

1. Go to the Community Involvement Portal:
https://volunteer.samaritan.com/custom/528/#/volunteer_home
2. Search for the school you are interested in volunteering for.
3. Click on the school opportunity.
4. Select "SIGN UP" on the left side of the screen under the photo.
5. Select "NEW VOLUNTEER" and complete the application. EVERY volunteer needs to do this whether they have volunteered for 20 years or are brand new.
6. If you are a SCS Staff Member or Student, this is when you are finished. If not...
7. After you submit your application, you will receive an e-mail within one to two business days from "Sarasota County Schools <TheAdvocates@VerifiedVolunteers.com>" to complete a background screening. Click the link provided in the e-mail that starts with <https://app.verifiedvolunteers.com/verify> followed by a bunch of letters and/or numbers.
8. Complete the background screening using the information you provided in your application. Most of this information will auto-fill so you will only need to retype a few sections.
 - *Please note: This background screening will request your social security number. This is a secure server that is only associated with Sarasota County Schools. If you do not have a social security number or do not wish to provide it, this could extend the time it will take for approval due to a potential result in false background check findings (i.e., someone with the same name and birthday).*
9. You will receive a confirmation e-mail from "TheAdvocates <TheAdvocates@VerifiedVolunteers.com>" once Sarasota County Schools has reviewed your background screening.

Community Involvement – Volunteers Count!

Level 1 Volunteering

Level 1 is the starting point for all volunteering. You must be Level 1 approved before you can be Level 2 approved. With a Level 1 clearance, you must stay within eye and earshot of a school faculty member or teacher at all times.

To become a Level 1 volunteer, you should:

1. **Sign up!** Sign up on the district's volunteer portal called [Volunteers Count!](#) You can do this from home, at any Sarasota County school, or at the Office of Community Involvement (OCI) the Landings. OCI will notify you when you are approved.
2. **Reach out!** Once approved, you will be added to the schools approved volunteer list. If you are eager, reach out to schools so you can get started ASAP!
3. **Find the best fit!** If you aren't sure where you want to volunteer or what you want to do, contact the school district's Office of Community Involvement to find a school that needs your specific skill set. You can call (941) 927-9000 ext. 31500 or e-mail CommunityInvolvement@sarasotacountyschools.net.
4. **Possibly get Level 2!** Once you are level one approved, you may proceed to get your Level 2 clearance completed. Please Click "Level 2 Volunteering" to learn more.

Level 2 Volunteering

Level 2 is the highest volunteer clearance. This clearance permits you to be alone with students for volunteering purposes. This is also a common clearance needed to chaperone field trips and mentor. To get a Level 2 clearance, you must be fingerprinted by the district's Safety and Security Department.

To become a Level 2 volunteer, you should...

1. **Get Level 1!** You must first be a Level 1 volunteer before you become a Level 2 volunteer. You can become a Level 1 volunteer by applying on our volunteer portal, [Volunteers Count!](#)
2. **Be fingerprinted!** You can be fingerprinted at the District Safety and Security Department at the Landings or the North Port Police Department. The Office of Community Involvement will notify you once you are approved.
