Dear Pine View Families,

By the time you are receiving this issue of Pine Views, we are already in February, but nevertheless, I want to wish you and your family a Happy New Year and all the best for great 2020!!

It is hard to believe that we are already past the half-way point of our school year! PVA has still a lot to do, but we are proud of what we have already accomplished this past 6 months:

1. **PVA raised** lots of funds through: Membership, annual sponsorship and donations, PACE, and a successful Read-A-Thon fundraiser.
2. **PVA gave** more than \$100,000 back to Pine View School for: Agenda Books, Pine Views magazine, Science Department, Band, Robotics Clubs (Middle and Highschool), Faculty, staff and custodian appreciation celebrations, Proud Python, PV Pride, Campus Aides, Elementary and Middle school, Elementary theater program, and a wonderful PV Fair.

Now it is time to look toward our main goals for the remainder of the school year:

1. **Pinnacle:** Pinnacle is PVA's biggest fundraiser of the year. Thanks to our wonderful co-chairs Megan Heller and Melissa Perrin, it is sure to be one of the best Pinnacles yet. Come and celebrate with us on February 8<sup>th</sup> at the Sarasota Yacht Club. This is a dinner, dance and auction gala to support our Pine View School.
2. **Peramathon:** Peramathon is Pine View's version of a jogathon where kids collect pledges for laps around the PV track. Please go to <https://www.yourpva.org/event/peramathon/> or email our co-chairs Woomee Yu and Camillia Mankovich at [peramathon@yourpva.org](mailto:peramathon@yourpva.org). Participate, donate, volunteer! It is a very fun event to attend and I encourage you to come and stop by.
3. **Python Run:** Python Run will be a PVA event this year, thanks to PVA board member Camillia Mankovich. This event is for all runners and will be held on April 18<sup>th</sup>. Please see flier information at this issue of Pine Views. More information will be coming soon.
4. **Giving Challenge:** Giving Challenge is scheduled for April 28<sup>th</sup>. Our Giving challenge committee, headed by Jamie Heath, is busy putting all information together. We will keep you posted and have more information coming as we get closer to the event.
5. **Elections:** Our PVA elections will be held on April 14, 2020. We are looking for Pine View parents that are motivated to join our fun, productive and diverse board. We are always interested in introducing new ideas, and in parents who are willing to share their skills with us. IT skills are in high demand, but most of all, we need parents who are sincere, dedicated and willing to work hard to make our school the best place for our children! What about you? The nomination form is part of this issue of Pine Views. Please fill it out and email it to [president@yourpva.org](mailto:president@yourpva.org).

Let's all work together on getting our goals accomplished, but above all, let's not forget to have fun and celebrate our wonderful Pine View Community together.

Yours truly,  
Isa Chauhan  
PVA President

# News... from the Board Room

This column is to inform our membership of PVA board meetings in a more informal fashion-all board meetings are recorded by our Secretary, Heidi Bodor. She keeps detailed minutes of our meetings.

On January 14th we had another productive PVA board meeting.

## **Special guest:**

- Ms. Spielman, PVS AP for high school
- Megan Heller and Melissa Perrin, co-chairs of Pinnacle 2020

## **Presidents Message:**

- The last 6 months were very successful for PVA. We surpassed our goals in membership numbers, annual supports and sponsorship numbers. Thanks to all the hard work of Susan Harris (membership chair) and Rachel West (sponsorship chair). We ran successful fundraiser and PV Fair. PVA embraced a new mission statement and build a strong communication protocol between the board and its committees.
- Now it is time to work on future goals: Pinnacle, Peramathon, Giving Challenge, Elections and revision of By-laws, boost sponsorship, and show our continued support to all PVA committees.

## **Committee update:**

- The Pinnacle committee headed by Melissa and Megan presented the board with the latest update on Pinnacle. There are lots of amazing auction items including: vacation homes in Florida, Utah and cruising for ½ day on a 60ft yacht! Also, back by popular demand: a day with principal Dr. Covert, SRO Bobianski or Mr. Lenny.
- Peramathon update was given by Woomee Yu. She was thankful for all parents who donated prizes for the event. She asked if more donations could be given toys, wireless headphones, gift cards etc. (anything that elementary school kids would like). The board talked about making Python run a PVA event. It was later decided, by an e-vote, that the Python run will be incorporated into PVA events.
- Karen Kirsch updated the board on SDMT. PVA has three board members that participate on the SDMT committee.
- Ben Turoff informed the board that the Fair was very successful this year and that the committee was done with their bookkeeping. A check of almost \$18,000, generated by the Fair, will be presented to Pine View School.
- The governance committee headed by Jeff Guy will be meeting and discussing by-law revisions and upcoming elections.
- Pine Views, headed by Bridget Hannon, was considering changes in its printing cycle and discussed digital vs print editions. As of now, Pine Views schedule and mode of publication will remain as is for the remainder of the school year.

## **New Business:**

- There was no new business to report.

The next PVA meeting will be held on February 11 in MPR and is a Full Membership meeting.  
Everyone is welcome to attend!

# Meet Your PVA Board & Committee Chairs

## Alex Merkher ...

### *How did you end up in Sarasota?*

My parents moved to Sarasota County in the 90's, and we became regular visitors to the area. In 2012, after my wife's sister moved to Florida, we decided to move from Pennsylvania to Venice permanently, since we were already in love with area. We truly feel that we live in a Paradise — the weather, the restaurants, having friends and family near us — and , of course — Pine View!

### *What is your connection to Pine View?*

Our youngest daughter, Arielle, joined Pine View in the 5th grade. At the orientation for new parents, my wife, Natalie, offered to help PVA with some of the IT related projects. Since we were both working in the technology field, I also started helping out (i.e. she “volunteered” me). Over the course of the next seven years, both Natalie and I served on the PVA board (although not at the same time) in various roles. Natalie had chaired the Sponsorship committee and ran the Summer Camp auction, and both of us have helped bring PVA into the 21st century — we helped set up the technical infrastructure that allowed the PVA to operate more efficiently and helped automate many of its processes.

### *What is your role in PVA, and why did you get involved?*

For the past seven years I have been doing all of the technology related tasks at the PVA: website support, email and shared file infrastructure, membership databases, Salesforce for Nonprofit, and etc.

Since this is my last year on the board, I am transitioning all of the PVA technology management to a new and wonderful board member – Latha Rengarajan, who is amazing and has stepped in without missing a beat.

When Natalie and I first listened to the New Parent orientation, we realized that by finding Pine View we have won the lottery — this amazing and unique school, which was perfect for our child, was right there, in our area! Volunteering for the PVA was a privilege for us — an opportunity to return a small portion of the love, care, and support that the teachers and staff of Pine View provide to our child every day.

PVSD has just come off its most successful weekend of mid-season competitions in recent memory.

On Saturday, twelve members traveled to Sickles High School in Tampa to compete in the penultimate tournament before Grand Finals in the Florida Gulf Coast Catholic Forensic League (FGCCFL).

In Congress, Diana Rudel was recognized for her accomplishments as Presiding Officer. And Ray Min received 2nd place in Congressional Debate.

In her first ever competition, 9th grader Ocean Bruinius placed 3rd in Program Oral Interpretation (POI).

In his first tournament competing in Informative Speaking, Andrei Nesterenko brought home 2nd place honors.

In Dramatic Interpretation, Jake Nicholson earned a bronze and Summer Bossman took gold!

Finally, a pair of our varsity speakers, Grace Kim and Kiran Kadiyala, traveled to Durham, NC, to independently represent Pine View at the Cavalier Invitational nationwide tournament.

Besting hundreds of competitors from across the nation, Grace Kim captured 3RD PLACE in Extemporaneous Speaking and (we don't get to proclaim this all too often): Kiran Kadiyala Championed in Original Oratory.

As their coach, I join these students' peers and families in congratulating them on their accomplishments and victories. PVSD will look back on this weekend with deep pride for a long time to come!

Warm regards,  
Jym Froelich

# Principal's Perspective

February, 2020

Dear Pine View School Parents and Community:

While the rest of the country is chilly and shoveling snow, we are truly fortunate in the Sunshine State to enjoy our warm weather, our incredible students and teachers, and our amazingly supportive Pine View parents! In this month's *Principal's Perspective*, I want to share some updates and kudos to some amazing people.

I want to personally thank the tireless efforts, incredible dedication, and truly demonstrating the Pine View motto of 'going the extra degree' to Pinnacle co-chairs, Melissa Perrin and Megan Heller, and the entire Pinnacle Committee with PVA! They all put together and made an absolutely wonderful Pinnacle a huge success at the Sarasota Yacht Club! While we are awaiting final expenses and donations to be counted, we know it all goes to help support teachers enriching and inspiring the gifted education of our PV students, grades 2 through 12. Thank you, Melissa and Megan, everyone on the Pinnacle Committee, and Isa Chauhan for your tireless work, your leadership, and your commitment to Pine View School!

Thank you to Pine View's School Advisory Council, Chair, Carole McLaughlin, and Blake Wiley and David Delaney for coordinating this year's 23<sup>rd</sup> annual Pine View-hosted Sarasota Special Olympics which will be held on Saturday, February 22<sup>nd</sup>. This is an annual way we engage our community, and celebrate the amazing gifts of the special athletes throughout Sarasota County, and allows our PV students to earn volunteer hours.

Kudos to our 3<sup>rd</sup> grade students and their amazing teachers — Ms. Abeysekera, Ms. Bradly, Ms. Kolsky, Dr. Singleton, and Ms. Williams for their wonderful 3<sup>rd</sup> grade Showcase this year! We thank PVA for supporting a partnership with EdExplore where our 3<sup>rd</sup> grade team invited a visiting artist in residence to collaborate with our students and teachers in writing their own plays. These mini-plays were performed for parents in the evening, and then for the school the next day. Inspiring creativity and outside-the-box thinking in our gifted students to write, produce, design costumes, and perform original plays has been wonderful to see come to life — thank you, 3<sup>rd</sup> grade!

This is a busy and important time of year for many reasons — we are continuing to prepare our students, grades 2 through 12, for outstanding success in the coming months on statewide assessments, and myriad other tests. On the school website, you will find an introduction letter and schedules about the upcoming Florida Standards Assessments (FSA's), Advanced Placement (AP) mock schedules, Advanced Placement (AP) exam schedules, End of Course (EOC) exam schedules. Thank you to Lori Wiley, our School Testing Coordinator, for all her work in making the spring testing go as seamlessly as possible!

We want to thank the design and construction teams of Harvard-Jolly and Tandem Construction who joined the project manager, Paul Pitcher and I in speaking to the Rivendell Community recently regarding our new building construction which will start on June 1<sup>st</sup>, 2020. Thank you to all the parents who attended the Town Hall on new construction held this past fall, and we will likely hold another meeting on construction as design plans are finalized. We will continue to share important information with parents regarding design, dates, and information related to the construction project as it becomes available and look forward to the incredible enhancements this will provide our school community!

I have been visiting with seniors to start our preparations for graduation and drafting my comments which make the ceremony so personalized and special for them. It's hard to believe it's right around the corner, and Pine View thanks each and every parent for their love, support, and encouragement of their students — whether a second or twelfth grader, going the extra degree makes all the difference! Thank you!

# Attendance Information

## ATTENDANCE POLICIES

You can view your student's attendance information on the 'FAMILY ACCESS' portal

**ALL ABSENCES** For an absence (including those for religious observance) to be considered **excused**, one of the following must be submitted to the front office within 3 days of a student's return to school:

- **Signed absent note from parent/guardian** that includes student name/grade/dates of absence/reason for absence. If a reason is not given the absence will not be excused.
- **Doctor Note** – Highly recommended anytime available.
- **Passports** - To excuse a future, full day absence, a student must bring a signed note to the front office at least 3 days prior to the anticipated absence. This note is then attached to the passport form which must be signed by all teachers and a parent/guardian before being returned to the front office for administrative review. Passports will NOT be excused for students identified as *excessively absent* (see below) or during FSA's, EOC's or other standardized testing.

## **PARTIAL DAY ATTENDANCE**

Per Sarasota County School Board policy, a middle or high school student must be present 4 periods of the school day to be considered in attendance for the day. Elementary students must be in attendance until 12:30 and/or not dismissed prior to 12:30 to be considered in attendance for the day.

## **EARLY DISMISSAL PROCEDURE**

All students leaving campus prior to the end of their academic day MUST be signed out in the front office. To avoid classroom disruptions, a student should bring a signed note from a parent/guardian to the front office before school to obtain a pass to be dismissed from class. The student then meets their parent/guardian in the front office for sign-out. High school students (including those who are 18) leaving campus early and driving themselves MUST have a signed note from a parent or guardian advising that the student has permission to leave school early (For safety, random verification calls to home will be made). If a student is being picked up by someone other than a parent/guardian, the student MUST have a signed note from the registering parent/guardian giving permission for the student to leave with the person named in the note.

## **EXCESSIVE EXCUSED LATE ARRIVALS/EARLY DISMISSALS**

If a student has 5 excused late arrivals or early dismissals in a semester, Pine View School considers this excessive and will require doctor notes for future late arrivals/early dismissals to be considered excused.

## **EXCESSIVE ABSENCES**

If a student has nine absences/semester or eighteen absences/year which have not been excused with medical documentation, the Sarasota County School District deems this to be excessive and Pine View School will require doctor notes for future absences to be considered excused.

## **MORNING WAKE-UP CLUB**

If a high school student is late to school five times without an excuse note, the student will receive a letter inviting them to join the "Morning Wake-Up Club". If the family 'opts in' to this intervention they will receive an automated Connect-Ed message at 6:30am encouraging their student to arrive on time for school.

## **UNEXCUSED ABSENCES**

**High School students:** Attendance and administration closely monitor unexcused absences (full day or any day with one or more unexcused class periods) and the following steps are taken:

5 unexcused – counseled by grade level administrator

10 unexcused – Saturday school and referral

15 unexcused – Saturday school and \*\* ***Loss of PV parking for two weeks (HS only)***\*\*

## **LOSS OF PERMIT/DRIVER'S LICENSE (8<sup>th</sup>-12<sup>th</sup> Grade)**

The attendance records of students (ages 14 - 17, 8<sup>th</sup> - 12<sup>th</sup> grade) who have 15 unexcused absences (includes any day with one or more unexcused class periods) within a 90-calendar day period are automatically forwarded to the Department of Highway Safety and Motor Vehicle by the Sarasota County School District and driving privileges (license/permit) may be revoked.

# Absence Excuse Form

## ABSENCE EXCUSE FORMS

Dear Parents and Guardians,

On the following page are two blank, absence request forms for future use. This form includes all the necessary information that attendance needs should your child be late to school, is absent or requires an early dismissal. (High school students with a driver's license, a registered parking space and a signed note from a parent may leave early and drive themselves.) The 'other' category can be used to request a Passport for a future full-day absence.

**STUDENTS 18 YEARS OF AGE MUST STILL HAVE  
NOTES FROM HOME TO EXCUSE ABSENCES,  
TARDIES AND TO LEAVE CAMPUS EARLY**

Please feel free to detach and copy this form for use throughout the school year - more copies can be obtained in the front office. This form is not required to excuse an absence but is simple to complete and will help assure that you've included all the necessary information for your child. Handwritten, signed notes are still accepted and doctor notes are always strongly recommended when available.

Thank you,

## WALL OF FAME - Dec-Jan 2020

At 211 degrees, water is hot – at 212 degrees, it boils, and with boiling water, comes steam, and with steam, you can power a train.

One degree. Applying one extra degree of temperature to water means the difference between something that's simply very hot and something that generates enough force to power a machine – a beautifully uncomplicated metaphor that ideally should feed everything we do.

Thomas Edison said... "Many of life's failures are men who did not realize how close they were to success when they give up."

Vince Lombardi tightened it up with... "Inches make the champion."

212 distills it even further. According to Sam Parker, author of "212, The Extra Degree", the purpose of the 212 message is to create a level of awareness and accountability that inspires and challenges all of us to try harder, give more and, ultimately, enjoy more.

To learn more, please visit [www.givemore.com](http://www.givemore.com)

**GRADE 2:** David Cook always goes above and beyond in everything he does. David is kind, conscientious, caring, hardworking, and motivated to learn! When his peers are being silly, he encourages them quietly to get back on task. David is an excellent role model. He has an excellent work ethic inside and out of the classroom, at recess, lunch, and in the hallways. David consistently makes it to 212 Outstanding on our classroom behavior chart by exceeding expectations and consistently following directions the first time. He is a pleasure to know and teach.

**GRADE 3:** Nicholas Allen is new to Pine View this year and has demonstrated 212 with his passion for learning. Nicholas loves science and wants to memorize the Periodic Table. He has a goal in reading to be on the media center's AR wall of fame this school year and is already past 300 AR points. Nicholas strives to get good grades and do his work well. He cares about his friends and is the first to stand up for them. Nicholas has a strong curiosity that helps him ask a lot of questions and make connections in his learning. Nicholas is well respected by his classmates and his teacher.

**GRADE 4:** Sivani Thiru is well deserving of the 212 award for meeting and exceeding classroom expectations. She always lends a hand to those in need to both peers and teachers alike. She starts each day with a smile and compliments others. She strives to make the best out of every situation. Outside of school, she volunteers at Nate's Honor Animal Shelter and takes piano lessons. Congratulations, Sivani!

**GRADE 5:** As a new student to Pine View, Keith Chen has embraced the 212 philosophy. Keith never gives less than his best. When it comes to academics his work is always stellar, whether it be projects, class discussions, or group presentations. Keith is always willing to share his knowledge with others and is a fantastic helper; facilitating Socratic seminars or acting as a CFO for Biztown. We are so lucky to have him here at Pine View to share his many talents!

**GRADE 6:** Nicola Bagnardi exemplifies perseverance inside and outside the classroom. He completes assignments on time and works diligently to maintain good grades! Nicola is an above and beyond student that always sees projects to completion, trying different means to reach solutions. He is also eager to help his classmates anytime they need extra help with a concept. Nicola's creativity is an inspiration to his classmates and his writing is often shown as an example - he truly goes the extra degree!

**GRADE 7:** Interpersonally, Sophia Genelhu-Balzan is a team player who is cheerful and inclusive. She has a smile for everyone and strives to be a positive influence in every situation. Sophia shows genuine interest and concern for her peers. She always has a friendly, supportive word for all. She gladly assists classmates in casts and on crutches to get to classes by carrying their bags. Finally, she has put incredible effort into her academics this quarter, raising her grades significantly.

**GRADE 8:** Courtney Nelson is indeed the perfect example of the 212 concept here at PV! Courtney goes the extra degree in journalism class all the time—stays and helps with the high school publications and helps her classmates with their work. She is a kind, gentle student who strives to do well in all areas. Courtney has been very active in the Global Green Group; helping to get ready for the PV Fair and helping to create some educational pieces about the importance of recycling. Courtney was one of four students that volunteered three hours to help with the annual Coastal Clean Up in September. Her diligence to do well academically is seen when she helps others to learn concepts in science.

**GRADE 9:** Ethan Messier is a kind student who often includes others in his conversations and laughter. Demonstrating the 212 “Everyday – Everyway” spirit, Ethan consistently goes the extra degree evidenced by his good-naturedness as well as his high achievement through dedication to his studies. He is a responsible student who completes his work well the first time and is willing to share his knowledge with other students to help them succeed. Ethan comes to class with a positive attitude and a smile that spreads to those around him.

**GRADE 10:** As a student that is new to Pine View this year, Max Rudin has found his way into the 10th grade class. His character allows him to easily get along with others, as he is consistently being kind, caring, and respectful towards his peers. Max is supportive of his classmates and engages regularly in class discussions, bringing fresh insight into the conversation. He has great social acuity for a healthy balance between contributing his own knowledge and then stepping back to allow others to do the same. Max is an excellent, focused, and hard-working young man who is always prepared for class, always smiling, and always ready to learn. He shares his talents with his peers as evident in chamber orchestra, in which he plays the violin, and in AP Calc BC, in which he is a top-performing learner.

**GRADE 11:** Emely Fernandez is an upbeat and engaging young lady. Her smile and positivity are ever present in class as well as with all her extra-curricular endeavors. Emely created the Pine View Dance Club and enjoys sharing her passion for dancing with her peers. Emely also has a passion for helping others and currently volunteers with Sarasota Memorial Hospital. Her extra-curricular activities include membership with the Speech & Debate Club, Key Club, Mock Trial Club, and dancing with her studio. “When given the choice between being right and being kind; choose kind.” (Dr. Wayne Dyer) Emely chooses kind every time. Emely is a polite and respectful student who puts 100% plus into all she does and is a pleasure to have in all of her classes.

**GRADE 12:** Vincent Scuteri is conscientious, personable, and helpful. Aside from excelling in his studies, Vinnie is also involved with Speech & Debate, where he serves as a mentor for the less experienced club members. He is an essential asset to the Speech class in sharing his knowledge and experience with his classmates. Vincent is an upstanding individual with a high standard of ethics and is the quintessential leader; quietly taking charge while thoughtfully and mindfully ensuring that everyone has had the opportunity to be heard. He is the current president of the Mock Trial Club, the vice-president of the Speech & Debate Club, and has the role of Attorney with Teen Court. Vincent also represented Pine View School this past summer at Boys State. One foundational characteristic of Vincent is the way in which he interacts with others: always with kindness and respect.

**STAFF:** Long-time faculty member, Ms. Hali Flahavan, is recognized for truly *going the extra degree* at PV for her leadership in growing the next generation of outstanding educators! Ms. Flahavan accepted the challenge to support our Future Educators program, and has recruited and supported Pine View students who have an interest in shaping the future by becoming teachers. In the words of the youngest Nobel Prize Laureate, Malala Yousafzai, “One child, one teacher, one book, one pen can change the world.” Ms. Flahavan brings that quote to life at Pine View!

Through Forums with Dr. Covert and grade level Guidance Counselors, students are being introduced to the concept of “212” and “going the extra degree”.

Opportunities to compare and contrast examples of going the extra degree in various settings are provided. Grade level recognition of students who have demonstrated that extra degree of effort through moral character or performance character are being showcased on the Pine View “Wall of Fame” proudly displayed in the Student Union. The 212 “Wall of Fame” recognizes students who demonstrate going the extra degree.

Nominations are received from grade level and/or classroom teachers. This recognition may highlight Moral Character (Citizenship, Gratitude, Kindness, Responsibility, Honesty, Respect, Good Sportsmanship) or Performance Character (Personal Improvement, Risk-taking, Diligence, Independent Learning, or Enthusiasm). Students may be recognized for a specific action or for demonstrating the 212 “Everyday – Every way” spirit. As Dr. Covert points out when he addresses students, “the true measure of success is not to outdo others but rather to outdo ourselves”. The 212 message certainly reinforces that important notion for Pine View students.

Dear Pine View Elementary Families:

Fulfilled, happy, confident, responsible, kind, and loving. We have learned that these are goals families want for their children, and as teachers, what we want for our students.

We recognize that as a family member, you are our students' first teacher and we want to partner with you to help our children become tolerant, compassionate, and caring adults. To support achieving these goals and to help our students build their social-emotional skills, we are pleased to share that we are implementing Sanford Harmony in our school community.

This social emotional learning program has been made available through the generosity of entrepreneur and philanthropist, T. Denny Sanford. Mr. Sanford selected National University to disseminate Sanford Harmony at no cost to elementary schools and organizations throughout the United States.

Social emotional learning (SEL) helps children by promoting their health and emotional well-being and contributing to the prevention of violence, truancy, bullying, and substance abuse. In addition, SEL is associated with significant gains on academic achievement tests.

Sanford Harmony is designed to build healthy relationships among students by having them engage in activities that promote understanding and respect. Over the course of the five units listed below, students will enhance their abilities to learn, work, and spend time together.

- Diversity and Inclusion
- Critical Thinking
- Communication
- Problem Solving
- Peer Relationships

Information will be sent home periodically, sharing activities in each unit. You will find out more about Harmony Goals, Meet Up, Buddy Up, and other fun strategies being used in the classroom. We welcome your feedback. To learn more about Sanford Harmony please visit [sanfordharmony.org](http://sanfordharmony.org).

Thank you for your support!

Sincerely,  
Kate McManus/ Elementary School Counselor

## A.I.M. RESOURCE IN FULL SWING –

What a wonderful opportunity our students have this year! The AIM Resource Center – AIM stands for “Academic Intervention and Mentoring” – is fully operational in Room #106, Building 1, designed and supported by one of our long-standing PV math teachers, Ms. Eida Padgett. The Resource Center is an excellent support system for students and their teachers and the reviews offered up by parents and students alike is very positive. Here are a few of the service offerings:

**i-Ready Club:** Students from both the elementary and middle school level are participating in i-Ready. Utilizing both diagnostic data and teacher recommendation, Ms. Padgett adjusts student lessons so that they are focused on specific mathematical domains; areas of needed support. According to Ms. Padgett, “The iReady Club gives students an opportunity to work on their math skills in a ‘student-oriented’ environment ~ with a teacher available to provide additional assistance, if needed. I see up to 20-25 students per day for iReady club”. iReady Club is offered daily during Period 2 (8:30 a.m. – 9:00 a.m.) or during student lunch hours (Periods 5, 6 and 7). Recommended time spent in lesson is 20 – 30 minutes. iReady Club is by referral only.

**Lunch Bunch:** Have a math question? Need some help understanding a math concept? Maybe just a little extra practice? Ms. Padgett also offers “Lunch Bunch” sessions. These sessions are open to all students who wish to participate and are centered around the students themselves. These 30-minute sessions include answering individual student questions, reviewing or assisting with homework or even reteaching/reviewing a lesson. Feel free to stop by! Lunch Bunch is open to all students. The current “Lunch Bunch” schedule is as follows:

<u>Grade 3 math</u> -	Wednesdays @ 11:15 a.m.
<u>Grade 4 math</u> -	Thursdays @ 12:30 p.m.
<u>Grade 5 math</u> -	Wednesdays @ 12:30 p.m.
<u>Grade 6 math</u> -	Tuesdays @ 11:30 a.m.
<u>Pre-Algebra</u> -	Wednesdays and Fridays @ 1:30 p.m.
<u>Algebra 1</u> -	Wednesdays and Fridays @ 1:00 p.m.
<u>Geometry</u> -	Tuesdays and Thursdays @ 1:00 p.m.
<u>Algebra 2</u> -	Wednesdays @ 1:00 p.m.

**Other Resources:** Students are also invited to come at their convenience during the day if they would like any kind of assistance with math. Ms. Padgett is available to work one-on-one with students to help them better understand a problem, a concept or an entire chapter! Small groups of students are welcome to come in, work together at Collaboration Corner; completing homework, project work, even reviewing for an upcoming quiz or test. As one student told Ms. Padgett.... “Sometimes it’s nice to work independently, but reassuring to know that there is a teacher there to help us if we need it – just in case!”

**Math Magic Club:** On the lighter side, Ms. Padgett is also sponsoring the Math Magic Club. Students in grades 5 and 6 are welcome to join in the fun! Math Magic Club is on Mondays at 11:30 for students in Grade 6 and 12:30 pm for students in Grade 5. During Club time, Ms. Padgett shares the “magic” behind the math. Participants have fun learning through demonstration the power of math and importance of numbers. Ms. Padgett teaches tricks that use each of the basic operations (+, -, x, ÷), as well as techniques that can be used to increase performance in math class – even math competition! Best of all, Math Magic Club teaches listening skills and teamwork; builds confidence, self-esteem and improves mental concentration. Students take their work home to share and amaze family and friends alike.

If your student hasn’t had an opportunity to visit the A.I.M. Math Resource Center, be sure to encourage them to stop by, say hello and check it out. Hours are 7:15 am – 9:15 am and 11:15 am – 2:15 pm daily, Monday through Friday. You can also visit our website at <https://EPadgett.educatorpages.com>.

## How Does Exercise Impact Learning?

Everyone knows exercise is good for your body. However, did you know that exercise immediately benefits your brain as well?

Exercise produces numerous chemicals that affect cognition, mood, and executive function. A chemical that dramatically increases post-exercise is BDNF.

BDNF - Brain-Derived Neurotrophic Factor - is like “miracle grow” for your brain.

BDNF causes growth in connections of brain cells (learning), growth of capacity of systems (attention, memory), and is even involved in growing new brain cells (previously not thought possible!).

BDNF is an anti-depressant, anti-toxic stress factor and correlates with intelligence and memory. Dr. John Ratey, a psychiatrist from Harvard, says that if exercise was a medication, we would all want to buy it – the effects are so beneficial and so powerful.

**“SPARK Brain Builders” is an expansion of the already successful Run Club – SPARK will be held five days a week, starting on September 3. Forms will be coming home soon for elementary and middle school. All students MUST have a completed form in order to participate!**

Just a Reminder, all volunteers need to register this year in the new system! They will be NEW VOLUNTEERS. The Community Involvement office will add level 2 data to volunteer profiles. Volunteers can add other schools once they log into their profile from the top dashboard icon. It is quick and easy to add another school.

Instructions for registering as a volunteer in the Community Involvement Portal:

1. Go to the Community Involvement Portal:  
[https://volunteer.samaritan.com/custom/528/#/volunteer\\_home](https://volunteer.samaritan.com/custom/528/#/volunteer_home)
2. Search for the school you are interested in volunteering for.
3. Click on the school opportunity.
4. Select "SIGN UP" on the left side of the screen under the photo.
5. Select "NEW VOLUNTEER" and complete the application. EVERY volunteer needs to do this whether they have volunteered for 20 years or are brand new.
6. If you are a SCS Staff Member or Student, this is when you are finished. If not...
7. After you submit your application, you will receive an e-mail within one to two business days from "Sarasota County Schools <[TheAdvocates@VerifiedVolunteers.com](mailto:TheAdvocates@VerifiedVolunteers.com)>" to complete a background screening. Click the link provided in the e-mail that starts with <https://app.verifiedvolunteers.com/verify> followed by a bunch of letters and/or numbers.
8. Complete the background screening using the information you provided in your application. Most of this information will auto-fill so you will only need to retype a few sections.
  - *Please note: This background screening will request your social security number. This is a secure server that is only associated with Sarasota County Schools. If you do not have a social security number or do not wish to provide it, this could extend the time it will take for approval due to a potential result in false background check findings (i.e., someone with the same name and birthday).*
9. You will receive a confirmation e-mail from "TheAdvocates <[TheAdvocates@VerifiedVolunteers.com](mailto:TheAdvocates@VerifiedVolunteers.com)>" once Sarasota County Schools has reviewed your background screening.
