Dear Pine View Families:

Welcome back from the longest spring break ever! What a crazy few months it has been — for all of us. But as we head into a truly unprecedented back-to-school season, I am heartened by the fact that the Pine View community is made up of the most creative, determined, compassionate, and resilient people I know. We are a family. And now, perhaps more than ever, our family must pull together and help each other get to the other side of the challenges we are facing.

My name is Karen Kirsch, and I am honored to be serving as the President of the Pine View Association (PVA) this year. I have been a PV Python for most of my life. My oldest son, Jack, graduated from PV in 2018, and my youngest son, Ben, is a rising senior. Both my husband, John, and I also graduated from Pine View. Pine View is a part of my life story. And as I enter my 43rd year as a Python (yikes!) and my 13th (and last!) year as a PV parent, I am committed to doing everything I can to further the mission of PVA:

*The Pine View Association, working with the Pine View community, supports and advances the excellence of Pine View School.*

Like everything else, PVA will look a little different this year. We recently held our first Board meeting of the new school year, via Zoom, and we all agreed that PVA's focus will be on *community* and *communication*. We need your help with both! First and foremost – join our PVA community by joining PVA as a new member or by renewing your membership! Membership in PVA is free, and comes with a host of benefits, including receiving *Pine Views* in the mail and in your inbox, and access to our student & family app-based directory. For every \$50 voluntary membership donation, you will receive one of our newly-designed and highly-coveted PVA Tervis Tumblers! Please see page four for instructions on how to start or renew your PVA membership, and join us today.

Communication will also be key to a successful school year, so let's get connected! Please follow us on FaceBook (Pine View Association PVA) and Instagram (pineviewassociation), and check out our website ([www.yourpva.org](http://www.yourpva.org)). New to Pine View this year? We can't wait to welcome you into our PV family. Watch for announcements about virtual "New to PV" coffees and get-togethers, so that we can share all-things-PV with you and connect you to other parents and families. Interested in becoming a PVA sponsor? We need and welcome your support! Check out **page 12** for our family and business sponsorship opportunities.

These are challenging times for all of us. And we are all experiencing them at the same time – but in many different ways. Whether you are sending your child back to campus or doing remote learning, whether you are scared to death or not that worried, whether your child is comfortable wearing a mask or really struggles — *we see you*, and we are here for you. As I said earlier, we are a family. *And together, as a family, we can do this, Pine View!* I am sending all of you virtual hugs, positive vibes, and all the best as our precious children head back to school. And I look forward to the day — hopefully soon — when we can all be together again, in person, at our amazing school. Until then, stay safe and be well, Pine View fam!

### PVA STEVEN LARGO "212" SCHOLARSHIP

Shannon Chan

The **Steve Largo 212 Award** recognizes the student that has lived up to his/her fullest potential in all aspects of his/her young life, going the extra "degree" in all that they attempt.

This year the Pine View Foundation is pleased to recognize Shannon Chan as the **Steve Largo 212 Award** recipient. In the spirit of this award Shannon fully maximizes her potential, and that of the people and organizations with whom she endeavors.

A gifted and caring scholar-citizen Shannon is a deep and reflective thinker and an engaged member of our community. Measured and thoughtful she accomplishes by watching, discerning, and doing. There are boisterous leaders, striving to forward their ideas and themselves, and there are young scholars like Shannon.

Shannon has a strong interest in Neuroscience and Neurology, a field to which she has already applied herself. Her abilities were honored and tested last summer as a Research Assistant/Intern at the University of Michigan's *Program for Neurology Research and Discovery*. There she worked on the ALS team of Eva Feldman, M.D., Ph.D. Shannon is currently an ALS Clinic Assistant at Sarasota Memorial Hospital. She has also, since grade 10, shadowed a local Neurologist.

Shannon's involvement in this demanding sport of rowing is equally impressive. Coxswain for Sarasota Scullers since freshman year, she spends over 20 hours per week training and competing. Her Women's Lightweight 8+ and 4+ boats have medaled at the State, Regional, and National levels each of the past three years.

# Principal's Perspective

August, 2020

Dear Pine View School students, parents, faculty, staff, and friends:

Our traditional back-to-school letter to families and students is a bit different this year. There is still the welcoming of new faces on campus, new student welcomes, embracing our new-to-Pine View families and friends, and the myriad celebrations of our amazing students' achievements. In addition, though, we are having to address concerns about COVID19, remote learning, social-distancing, attending to our students' social and emotional well-being through a pandemic, and how to inform, train, and support everyone as we get a new year started in a very different way. If any community can do it — Pine View can! 😊

We recently posted our PV *Return to Learn* plan on the school website, and sent a link out to all families, and ask that you please, carefully review and consider all the materials provided. The plan also includes hyperlinks to videos and materials provided by the district in their Return to Work and Return to Learn plans from the main district website. There are training and informational videos about instruction, personal protective equipment, safety, and contact tracing. The entire district has been tirelessly working to attend to the many details of safely and appropriately preparing to re-open our schools- both brick and mortar and for remote learners. Although the pandemic has impacted what we wear, and how close we physically are to others, it has not changed our *tradition of excellence* and our commitment to providing everything our gifted students need to be successful and achieve at the highest levels. We have amazing faculty and staff members who are devoted to meeting every students' needs; instructionally, socially, and emotionally. "Individually, we are one drop, but together, we are an ocean!"

In spite of the many challenges teaching and learning in the midst of a pandemic can present, we will support one another and get through this together! During the 4<sup>th</sup> quarter of last year, everyone heard me encourage our teachers to show grace and compassion over grades, and they supported our students and did an amazing job. As we prepare to open this school year, we ask for everyone to still show that grace and compassion to one another, and be patient as we all learn new routines, new ways of conducting business, and sharing information, materials, and support. Our objective is for every student to be supported and to receive the educational experiences which meet their needs as gifted learners, and that drive has galvanized our faculty and community to work together to make that happen as safely as possible. From bus drivers, to custodians, to groundskeepers, students, teachers, parents, and support staff- we are all working to make this year a success for our students!

Our commitment is that we will communicate and share information, support, and everything we can to help our students and teachers have a successful year. Thank you, in advance, and we look forward to a successful year- *continuing our Pine View tradition of excellence!*

# Meet Your New Assistant Principals

Dear Pine View Community,

It is with genuine excitement that I write to you this letter as your Assistant Principal of Pine View High School. Having been raised in Sarasota County, I am aware that it is a true honor to become a part of the Pine View family. Even though I have had limited interactions, be it virtual or face-to-face, with the students, faculty and parents, and I can already tell that I am joining an incredibly unique and special place.

I grew up in Sarasota County Schools, and over the past decade have had the privilege to serve our students and work with colleagues in a variety of positions. I am a graduate of the University of South Florida with a bachelor's degree in elementary education and continued to earn a master's degree in educational leadership. I began my career as a kindergarten teacher, and eventually moved to the middle grades where I taught Science and Social Studies. I piloted the TechActive Classroom of Tomorrow as a science teacher, and supported middle school teachers throughout all of Sarasota County in their new TechActive classrooms as a district TechActive Specialist. For the last five years, I have served as an assistant principal at Sarasota Middle School and Woodland Middle School and am truly excited about my new role as the high school assistant principal at Pine View.

This summer, our team has been working diligently to ensure a smooth transition for all students and staff returning to Pine View. I am confident that our Pine View Community is equipped to handle the challenges we face ahead as a united force, adapting and evolving to best meet the needs of all of the members of our family. I believe it is my responsibility to come alongside our teachers and parents during this time, to continue the incredible work of teaching and raising our children to be outstanding members of the Sarasota County community.

I look forward to meeting you all in the days ahead. As a mother of a rising kindergartener and 8<sup>th</sup> grader, I understand the gravity of the decisions our families are making to place their children in the best setting for optimum success. My (virtual) door is always open, so please come and share any ideas, questions, thoughts, or concerns, so we can support each other throughout this journey.

Together in Learning,

Kate Marcotte  
Assistant Principal

Together, we are an ocean."*

# Meet Your New Assistant Principals

Dear Pine View Elementary Families,

I want to take this opportunity to introduce myself and welcome you to Pine View for the 2020-21 school year. It is a rare opportunity that an educator finds themselves a part of the best Elementary school in the country and I feel fortunate to be given this opportunity to serve the students, families and staff here as Pine View. The beginning of school is always an exciting time as we reunite with friends and families and this year will be no exception.

I would like to begin with an assurance that we are doing everything possible to ensure everyone's safety while at the same time maintaining the high educational standards that are the custom at Pine View. The staff and administration have worked all summer on a plan that takes into consideration all aspects of safety and learning. Make no mistake the safety of the children is our first concern. We will as always work through any issues with our students, families and staff as they arise.

In selecting your child's class assignment, we took into consideration prior knowledge of each student's needs and learning styles. Please visit your teacher's web site and make sure all summer work has been completed. Summer work can be found on the Pine View home page. Click on Academics and Admissions and the summer Curriculum is the top link.

Meet the Teacher will be Friday, August 28th and it will look a little different this year. Each classroom will hold a zoom meeting and the link and password will be provided in advance. Each classroom teacher will have more information as to how the student day will look and the opportunities this year will provide.

I look forward to meeting each of you in person and working with all the families here at Pine View. This is an amazing school and it is due to the students, families, and staff that come here every day to be part of something special.

Sincerely,

Roy Sprinkle

Elementary Assistant Principal

## WALL OF FAME - Spring 2020

At 211 degrees, water is hot – at 212 degrees, it boils, and with boiling water, comes steam, and with steam, you can power a train.

One degree. Applying one extra degree of temperature to water means the difference between something that's simply very hot and something that generates enough force to power a machine – a beautifully uncomplicated metaphor that ideally should feed everything we do.

Thomas Edison said... “Many of life’s failures are men who did not realize how close they were to success when they give up.”

Vince Lombardi tightened it up with... “Inches make the champion.”

212 distills it even further. According to Sam Parker, author of “212, The Extra Degree”, the purpose of the 212 message is to create a level of awareness and accountability that inspires and challenges all of us to try harder, give more and, ultimately, enjoy more.

To learn more, please visit [www.givemore.com](http://www.givemore.com)

**GRADE 2:** Andrea Wang is a very bright young girl who fully utilizes her talents and goes the extra degree each day! She is a great helper to her teachers as well to any student in her classes. Andrea is always very kind to others and goes out of her way to be supportive and understanding. Andrea is truly a 212 student!

**GRADE 3:** Michael Ammirati is new to Pine View and is already very well-liked and admired by the other students. Michael goes the extra degree in and out of class. One of his hobbies is to participate in triathlons. The drive and discipline that makes Michael successful in triathlons is also the determination that makes him an exceptional student. I have enjoyed getting to know him and appreciate his excellent work habits and friendliness to other students.

**GRADE 4:** Simon Biggs is one of the most generous students in our grade level - he is generous with his smile, his time, his compassion and his friendship. Simon will go out of his way to help someone or to brighten someone’s day. Not only does his demeanor show 212 spirit but his academic efforts always go the extra degree.

**GRADE 5:** Ciaran McVey is always on task in the classroom. He waits patiently for instruction and is very patient with his peers. **GRADE 6:** Clayton Farrell is an amazing scholar who has recently been selected as a winner of the Elk’s Americanism essay on “What Freedom of Speech Means to Me.” This young man is also a part of family business at Fox Lea Farm where he grooms, trains, and shows horses earning many honors and accolades for his knowledge and skill. **GRADE 9:** Isabella Nebel is a dedicated and responsible student who excels at her studies while maintaining an active extra-curricular schedule. Bella is kind and quick with a smile for her classmates and is always respectful of others. She takes active part in group and team work tasks and listens to others thoughts and ideas, exhibiting 212 Moral and Performance character every day.

**GRADE 10:** Caleb Hunter is a natural leader with an affinity for drawing people near to him. Caleb has a ready smile and a proclivity for helping others feel included. Ashay enjoys his time as a volunteer at Sarasota Memorial Hospital and seeks out opportunities to help others. He is kind, polite, and patient and is well respected by his peers. He also has a superior talent for public speaking and has enjoyed much success with the Pine View Speech and Debate Club. Akshay's uplifting demeanor is evident and his influence on others is far-reaching like the ripples in a pond.

**GRADE 12:** Madison Davidson is a bright and cheerful person with a unique ability to befriend people of all ages. She has a genuine desire to make the world a better place. Madison has been an integral member of the Peer Mentoring Club during her freshman, sophomore, and junior years at Pine View and enjoys finding ways to make people smile. She hopes to become a successful lawyer and to find opportunities in her spare time to help those in her community who are under-served.

Through Forums with Dr. Covert and grade level Guidance Counselors, students are being introduced to the concept of "212" and "going the extra degree".

Opportunities to compare and contrast examples of going the extra degree in various settings are provided. Grade level recognition of students who have demonstrated that extra degree of effort through moral character or performance character are being showcased on the Pine View "Wall of Fame" proudly displayed in the Student Union. The 212 "Wall of Fame" recognizes students who demonstrate going the extra degree.

Nominations are received from grade level and/or classroom teachers. This recognition may highlight Moral Character (Citizenship, Gratitude, Kindness, Responsibility, Honesty, Respect, Good Sportsmanship) or Performance Character (Personal Improvement, Risk-taking, Diligence, Independent Learning, or Enthusiasm). Students may be recognized for a specific action or for demonstrating the 212 "Everyday – Every way" spirit. As Dr. Covert points out when he addresses students, "the true measure of success is not to outdo others but rather to outdo ourselves". The 212 message certainly reinforces that important notion for Pine View students.

# Community Involvement – Volunteers Count!

## Level 1 Volunteering

- 3. Find the best fit!** If you aren't sure where you want to volunteer or what you want to do, contact the school district's Office of Community Involvement to find a school that needs your specific skill set. You can call (941) 927-9000 ext. 31500 or e-mail [CommunityInvolvement@sarasotacountyschools.net](mailto:CommunityInvolvement@sarasotacountyschools.net).
- 4. Possibly get Level 2!** Once you are level one approved, you may proceed to get your Level 2 clearance completed. Please Click "Level 2 Volunteering" to learn more.

## Level 2 Volunteering

## COMMUNITY INVOLVEMENT

Just a Reminder, all volunteers need to register this year in the new system! They will be NEW VOLUNTEERS. The Community Involvement office will add level 2 data to volunteer profiles. Volunteers can add other schools once they log into their profile from the top dashboard icon. It is quick and easy to add another school.

Instructions for registering as a volunteer in the Community Involvement Portal:

1. Go to the Community Involvement Portal:  
[https://volunteer.samaritan.com/custom/528/#/volunteer\\_home](https://volunteer.samaritan.com/custom/528/#/volunteer_home)
2. Search for the school you are interested in volunteering for.
3. Click on the school opportunity.
4. Select “SIGN UP” on the left side of the screen under the photo.
5. Select “NEW VOLUNTEER” and complete the application. EVERY volunteer needs to do this whether they have volunteered for 20 years or are brand new.
6. If you are a SCS Staff Member or Student, this is when you are finished. If not...
7. After you submit your application, you will receive an e-mail within one to two business days from “Sarasota County Schools <[TheAdvocates@VerifiedVolunteers.com](mailto:TheAdvocates@VerifiedVolunteers.com)>” to complete a background screening. Click the link provided in the e-mail that starts with <https://app.verifiedvolunteers.com/verify> followed by a bunch of letters and/or numbers.
8. Complete the background screening using the information you provided in your application. Most of this information will auto-fill so you will only need to retype a few sections.
  - *Please note: This background screening will request your social security number. This is a secure server that is only associated with Sarasota County Schools. If you do not have a social security number or do not wish to provide it, this could extend the time it will take for approval due to a potential result in false background check findings (i.e., someone with the same name and birthday).*
9. You will receive a confirmation e-mail from “TheAdvocates <[TheAdvocates@VerifiedVolunteers.com](mailto:TheAdvocates@VerifiedVolunteers.com)>” once Sarasota County Schools has reviewed your background screening.
