# New to Pine View

Dear New Pine View Parents,

Welcome to Pine View! As you'll soon discover, Pine View is a unique and extraordinary school. There's no place like it in the country. Our faculty and administration are amazing, our school environment is stimulating and exciting, and even our parent-teacher organization (Pine View Association, or PVA,) is something special. Some of our volunteers have been helping out at the school for 15-20 years, and many stay on even after their kids have graduated!

PVA is at the heart of our Pine View community. It's where you'll meet fellow parents who will likely become some of your closest friends, it's where you can personally make an impact on the quality of education that your child receives, and perhaps the best thing about PVA is that you can be a part of many of the extraordinary things our students are doing every single day – from helping to send our nationally-ranked speech and debate team to tournaments all over the country, to the stellar 3<sup>rd</sup> grade production of School House Rocks, to supporting Peace Jam with their Farm Share project, distributing fresh food Free of Charge to individuals in need throughout Florida.

PVA's mission is simple: we support Pine View in every way you can imagine. We plan events for Pine View's kids, parents, and teachers. We run the school store. We help our kids celebrate their good grades, effort, and achievement every quarter. And through the support of our wonderful and involved parents, PVA grants funding requests to our classes and clubs, as well as other departments on campus, such as guidance, health, and the media center, to help them provide those extra special programs that make Pine View such an amazing place to go to school.

How can you get involved? We hope that every parent joins PVA, whether you're able to volunteer or not, whether you make a donation or not. Your moral support is enough for us. Membership is easy! Just go to [www.yourpva.org](http://www.yourpva.org) and click on the JOIN TODAY button. If you're comfortable giving to help support our school, you'll be glad to know that PVA enjoys 501(c)(3) not-for-profit status, which means that your donations not only go directly to the school, but also, they're tax deductible! Also, with any donation \$50 and up, you will receive a PVA Tervis Tumbler.

PVA's main events and fundraisers include Pinnacle (a dinner, dance & auction), the PV Fair, Peramathon (a jog-a-thon), and the Read-A-Thon, as well as many smaller events throughout the year. PVA hosts many committees, so no matter what your interests, it's easy to get involved.

For more information, please visit our website, [www.yourpva.org](http://www.yourpva.org) to learn about our amazing parent volunteer group, and how you can participate. If you have any questions, please feel free to email me at [president@yourpva.org](mailto:president@yourpva.org) or stop by our new PVA office at portable MLC11.

I look forward to seeing you on campus this fall!

Sincerely,

Isa Chauhan

Dear Pine View Families,

A big welcome to our new Pine View Families and hello back to our returning ones. I hope you had a wonderful summer filled with fun, laughter, and family time. I want to start this year by introducing the newly elected PVA executive team and myself. After 13 years as a Pine View Mom of three, I am excited to be your PVA President for this coming year. I am happy to share responsibilities with a great team of PVA parents - among them our Vice Presidents, Susan Harris, VP of School Support and Rachel Wei West, VP of Sponsorship, as well as Traci Couden, PVA Treasurer and Heidi Bodor, PVA Secretary. At this time, I would also like to welcome our new board members: Jeff Guy, Governance Committee Chair, Bridget Hannon, Editor of PineViews and Latha Rengarajan, who will share her IT expertise with us. Thank you all!!

During the summer, PVA board members were busy putting together a schedule for all the upcoming PVA events during 2019/2020. I think we came up with an exciting array of activities that have something for everyone in our Pine View community. Each month has a fun school activity planned that would give us plenty of opportunities in which to **volunteer, participate, and support** our great school.

So, get your pen out and mark your calendars for the upcoming year's events. You do not want to miss any of them:

- September 9<sup>th</sup> is the **Read-a-Thon** back by popular demand. This is a "fun-raiser" for our elementary school kids.
- November 9<sup>th</sup>, **Pine View Fair** will be back in the Fall.
- January 25<sup>th</sup> Pine View's biggest annual fundraiser **Pinnacle** will take place at the Sarasota Sailor Circus.
- February 28<sup>th</sup> is reserved for **Peramathon**, Pine View's annual jogathon

Now all you need to do is plan to attend as many of the events and renew your membership with PVA by going to [www.yourpva.org](http://www.yourpva.org) and click on the JOIN TODAY button. It will only take a few minutes and will ensure that your child is included in the Student Directory, that you receive monthly Pine Views, and stay connected to the Pine View community. # Principal's Perspective

July, 2019

Dear Pine View School Parents, Students, and Friends:

What a busy summer! We hope that everyone is enjoying a relaxing summer — spending time rejuvenating and getting excited to begin another amazing year at Pine View *continuing our tradition of excellence!* This has been an amazingly busy summer at Pine View, and we have many projects underway which we believe will help to make this a great year at Pine View!

Pine View School truly is fortunate to have wonderful students, parents, staff, and faculty members! Our strength as a school and community lies in our shared vision for the areas in which we strive to ensure success for our students- *academically, socially, and developmentally.* I continue to be amazed at the hard work and dedication shown by our community toward Pine View School's mission- from the students, to the teachers, to the parent volunteers on campus and in PVA who make our school so successful! *We are committed to supporting all students in a rigorous academic setting while developing personal and community responsibility as core beliefs in our newly-drafted vision.*

We want to provide some facilities updates as we get the year started that will be of great excitement to parents, students, and our community. The School Board approved Harvard Jolly as the Architect for the new classroom wing construction project at Pine View, and we are excited to work with this outstanding firm! I have already had the pleasure of meeting our architectural team, and this classroom wing will be an amazing addition to support the high-quality teaching and learning which occurs every day at Pine View! Very soon, the School Board will announce the Construction Management firm who will actually construct the building, and we look forward to announcing that selection!

To receive updates on construction, school activities, and any announcements, we encourage everyone to use Remind.com. To register for the free Remind.com service, text @pineviewsc to 81010 and it is simple, easy, and quick to receive updates and news!

There will be several new faces on campus and we look forward to introducing everyone to our new PV Python family members. Administratively, as the summer began, we excitedly introduced our new middle school assistant principal, Ms. Melissa Abela to the PV family. We wish Ms. Rini and Ms. Fair all the best in their new roles at Cranberry ES and Booker HS, and are forever grateful for their work and legacies at PV! We will be announcing our new elementary assistant principal following a national search very soon- stay tuned! We also look forward to introducing our new Sarasota County Schools Police SRO as soon as they are appointed.

Thank you to our new PVA President, Isa Chauhan, and our incredible PVA Board members with whom we have been working and partnering this spring and summer- they are a tireless group, and truly are standing on the shoulders of previous PVA giants! This issue of *Pine Views* is filled with great information for parents and students so please read all of the school updates on parking, cell phones, and important back-to-school materials, and how you can get involved. This year promises to be an amazing and exciting year for our Pine View students- building on and continuing our tradition of excellence!

We appreciate all the positive support from the Pine View School parents and our community, and look forward to another great year! *Go, Pythons!*

# Attendance Information

## ATTENDANCE POLICIES

You can view your student's attendance information on the 'FAMILY ACCESS' portal

**ALL ABSENCES** For an absence (including those for religious observance) to be considered **excused**, one of the following must be submitted to the front office within 3 days of a student's return to school:

- **Signed absent note from parent/guardian** that includes student name/grade/dates of absence/reason for absence. If a reason is not given the absence will not be excused.
- **Doctor Note** – Highly recommended anytime available.
- **Passports** - To excuse a future, full day absence, a student must bring a signed note to the front office at least 3 days prior to the anticipated absence. This note is then attached to the passport form which must be signed by all teachers and a parent/guardian before being returned to the front office for administrative review. Passports will NOT be excused for students identified as *excessively absent* (see below) or during FSA's, EOC's or other standardized testing.

## PARTIAL DAY ATTENDANCE

Per Sarasota County School Board policy, a middle or high school student must be present 4 periods of the school day to be considered in attendance for the day. Elementary students must be in attendance until 12:30 and/or not dismissed prior to 12:30 to be considered in attendance for the day.

## EARLY DISMISSAL PROCEDURE

All students leaving campus prior to the end of their academic day **MUST** be signed out in the front office. To avoid classroom disruptions, a student should bring a signed note from a parent/guardian to the front office **before** school to obtain a pass to be dismissed from class. The student then meets their parent/guardian in the front office for sign-out. High school students (including those who are 18) leaving campus early and driving themselves **MUST** have a signed note from a parent or guardian advising that the student has permission to leave school early (For safety, random verification calls to home will be made). If a student is being picked up by someone other than a parent/guardian, the student **MUST** have a signed note from the registering parent/guardian giving permission for the student to leave with the person named in the note.

## EXCESSIVE EXCUSED LATE ARRIVALS/EARLY DISMISSALS

If a student has 5 excused late arrivals or early dismissals in a semester, Pine View School considers this excessive and will require doctor notes for future late arrivals/early dismissals to be considered excused.

## EXCESSIVE ABSENCES

If a student has nine absences/semester or eighteen absences/year which have not been excused with medical documentation, the Sarasota County School District deems this to be excessive and Pine View School will require doctor notes for future absences to be considered excused.

## MORNING WAKE-UP CLUB

If a high school student is late to school five times without an excuse note, the student will receive a letter inviting them to join the "Morning Wake-Up Club". If the family 'opts in' to this intervention they will receive an automated Connect-Ed message at 6:30am encouraging their student to arrive on time for school.

## UNEXCUSED ABSENCES

**High School students:** Attendance and administration closely monitor unexcused absences (full day or any day with one or more unexcused class periods) and the following steps are taken:

5 unexcused – counseled by grade level administrator

10 unexcused – Saturday school and referral

15 unexcused – Saturday school and **\*\* Loss of PV parking for two weeks (HS only)\*\***

## LOSS OF PERMIT/DRIVER'S LICENSE (8<sup>th</sup>-12<sup>th</sup> Grade)

The attendance records of students (ages 14 - 17, 8<sup>th</sup>- 12<sup>th</sup> grade) who have 15 unexcused absences (includes any day with one or more unexcused class periods) within a 90-calendar day period are automatically forwarded to the Department of Highway Safety and Motor Vehicle by the Sarasota County School District and driving privileges (license/permit) may be revoked.

# Absence Excuse Form

## ABSENCE EXCUSE FORMS

---

Dear Parents and Guardians,

On the following page are two blank, absence request forms for future use. This form includes all the necessary information that attendance needs should your child be late to school, is absent or requires an early dismissal. (High school students with a driver's license, a registered parking space and a signed note from a parent may leave early and drive themselves.) The 'other' category can be used to request a Passport for a future full-day absence.

**STUDENTS 18 YEARS OF AGE MUST STILL HAVE NOTES FROM HOME TO EXCUSE ABSENCES, TARDIES AND TO LEAVE CAMPUS EARLY**

Please feel free to detach and copy this form for use throughout the school year - more copies can be obtained in the front office. This form is not required to excuse an absence but is simple to complete and will help assure that you've included all the necessary information for your child. Handwritten, signed notes are still accepted and doctor notes are always strongly recommended when available.

# MIDDLE SCHOOL HONOR ROLL CRITERIA FOR GRADES 6, 7, 8

Students and Parents!  
Please read the following information  
regarding Honor Roll as your child enters  
Middle School!

The criteria for Middle School Honor Roll is as follows:

**A's are 4 points**  
**B's are 3 points**  
**C's are 2 points**

Specials are *not* used to calculate the GPA, however, we encourage all students to give it 212 degrees in these classes nonetheless.

The minimum GPA to make honor roll is a 3.5.

For example, *if* a student has a report card that is the following:

Spanish 89 = **3 points**  
Math 80 = **3 points**  
Social Studies 91 = **4 points**  
Science 95 = **4 points**  
Language Arts 92 = **4 points**

This would mean that the student has an average of **3.6**.  
Total the points  $3+3+4+4+4 = 18$  divided by 5 (the number of classes).  
This student made the honor roll!

If you have any questions regarding Middle School GPA calculation, please contact Mrs. Kelly Hawking, Pine View Middle School Counselor

# WALL OF FAME - April 2019

At 211 degrees, water is hot – at 212 degrees, it boils, and with boiling water, comes steam, and with steam, you can power a train.

One degree. Applying one extra degree of temperature to water means the difference between something that's simply very hot and something that generates enough force to power a machine – a beautifully uncomplicated metaphor that ideally should feed everything we do.

Thomas Edison said... "Many of life's failures are men who did not realize how close they were to success when they give up."

Vince Lombardi tightened it up with... "Inches make the champion."

212 distills it even further. According to Sam Parker, author of "212, The Extra Degree", the purpose of the 212 message is to create a level of awareness and accountability that inspires and challenges all of us to try harder, give more and, ultimately, enjoy more.

To learn more, please visit [www.givemore.com](http://www.givemore.com)

**GRADE 2:** Jaida Livingston is an amazing volunteer in media and in the classroom. Jaida looks for ways to help make the media center a nicer place each time her class visits. In the classroom, Jaida offers assistance anytime it is needed. She will help check in agendas, pass out papers, and organize anything that may need organized. Jaida is a hard worker in class, and she strives to complete her work the day it is assigned. Jaida is a friend to all students and is willing to help them in any way she can. She helps with computer issues, packing up, and stacking chairs. She will help clean up the classroom, even if it is not asked of her. Jaida also enthusiastically participated in the school's production of Jungle Book. This commitment required extra time outside of school to help make the production a success.

**GRADE 3:** Dillon Carlson is an inspiring young soul who demonstrates 212 every day in every way. Dillon inspires his peers to be the best that they can be with his kindness, positive attitude, and respect for others. Dillon is that person who always keeps an eye out for anyone who is left out. Not only is Dillon a stellar, compassionate student he also has a passion for theatre, music and sports! Many of us had the pleasure of enjoying his talent as Tiny Tim during the Holiday season at Venice Theatre, just wow! We can't wait to see him on Broadway one day! Dillon is optimistic and helpful to everyone around him. His enthusiasm for learning is contagious and we are very proud of him for his effort in the Sarasota Regional STEM Fair where he won the Physical Science category for 3rd grade!

**GRADE 4:** Sebastian Bonaparte is a new Pine View student who has done an amazing job adjusting to life here. He is a leader among his peers and is always the voice of reason during class discussions. He is extremely conscientious and very respectful to his teachers. Sebastian shows perseverance and resolve by overcoming any challenges he may face in class. Always quick with a kind word and a maturity beyond his years, Sebastian embodies the 212 philosophy.

**GRADE 5:** Maddox Volk is an amazing student, always works hard, and has a great attitude. He has maintained a 4.0 gpa each year at PV, while balancing school with a demanding baseball practice schedule. Maddox played on the Sarasota All-Star team that won the Florida State Championship this past summer and went on to represent Florida in the Southeast United States Tournament of State Champions in Greenville, North Carolina. He is respectful, attentive, insightful, and driven. Maddox embodies the spirit of 212 degrees.

**GRADE 6:** If any student displays the 212 effort on tests and assignments, it is Aaron Schroeder. New to Pine View this year, his teachers consider him a great gift from his previous school and a wonderful addition to the current 6th grade class. Careful, thoughtful consideration is given before he speaks and he has a wealth of background in both history and science. Aaron has a natural born curiosity and thirst for knowledge, which make him such a wonderful fit for Pine View.

**GRADE 7:** Simon Yochum is an incredibly diligent worker. An amazing multi-tasker, Simon is not only on the PV basketball team, he has outstanding grades, a great work ethic, is focused in class, does not ever cause a distraction, makes up missed work immediately following an absence, is a great example to others of how to conduct yourself in class, strives to do his best, is always in his seat/focused and ready/prepared, asks to leave his seat, etc. He is exactly what 212 is all about.

**GRADE 8:** Marie Weber is an amazing student who consistently demonstrates the extra degree of moral, and well as performance character. Marie always goes the extra distance and sometimes even asks for more. She is devoted to the respect of knowledge and is naturally inquisitive. Marie is always helpful to those around her, by offering encouragement, and sharing her enthusiasm in always raising the bar!

**GRADE 9:** Ruby Copsey is a dedicated student who seeks to fully understand concepts as they are introduced. Her quiet and friendly demeanor coupled with her willingness to help other students and her ability to share her ideas make her an asset in the classroom. She is kind and inclusive towards her peers and works well with everyone. She is a motivated student who always gives her best.

**GRADE 10:** Bethel Schandorf-Lartey is a model student who is easily recognized by her diligence, enthusiasm and independent learning. Bethel is thorough in independent research and is a valued team player in analyzing issues and creating possible solutions. She is a no-nonsense individual with a subtle sense of humor and a warming smile. Bethel is respected and admired by her teachers and peers alike.

**GRADE 11:** Christiana Guan is a quintessential leader with a quiet, yet tangible presence. She is very engaged and actively participates in all her endeavors. Christiana naturally finds her way to leadership positions. She is currently the Founder and President of Pine View's Future Business Leaders of America, the President of Go-Green, the Vice President for Diversity Council, the Treasurer for the Technology Student Association, the Historian for the Growing Strong STEMs, and the Historian for the Key Club. Christiana's leadership skills are founded on her abilities to work well with others, to encourage others, and to move forward with confidence toward meeting goals.

**GRADE 12:** Avery Brannan is a kind and generous young lady who is dedicated to making a difference in the world. She is deeply involved with service organizations throughout the Sarasota Community as well as with Pine View School. Avery's work with Girl's, Inc. and Peace Jam has allowed her to focus on a range of projects for which she is passionate: addressing poverty and inequity in our community, homelessness and food insecurity. Avery is sensitive to the needs of others and is truly valued by both her teachers and her peers.

**STAFF:** Kate McManus, elementary school counselor, is the faculty recipient of the 212 award for consistently going the extra degree to support students, families, and teachers. Ms. McManus always has time to listen to those with concerns, and she helps connect people with each other to facilitate meeting our students' needs. She leads meetings with flair, enthusiastically jumps in to help, and brings proactive programs to our community to help everyone learn and grow. Thank you, Ms. McManus, for all that you do!

Through Forums with Dr. Covert and grade level Guidance Counselors, students are being introduced to the concept of "212" and "going the extra degree". Opportunities to compare and contrast examples of going the extra degree in various settings are provided. Grade level recognition of students who have demonstrated that extra degree of effort through moral character or performance character are being showcased on the Pine View "Wall of Fame" proudly displayed in the Student Union. The 212 "Wall of Fame" recognizes students who demonstrate going the extra degree. Nominations are received from grade level and/or classroom teachers. This recognition may highlight Moral Character (Citizenship, Gratitude, Kindness, Responsibility, Honesty, Respect, Good Sportsmanship) or Performance Character (Personal Improvement, Risk-taking, Diligence, Independent Learning, or Enthusiasm). Students may be recognized for a specific action or for demonstrating the 212 "Everyday - Every way" spirit. As Dr. Covert points out when he addresses students, "the true measure of success is not to outdo others but rather to outdo ourselves". The 212 message certainly reinforces that important notion for Pine View students.

The Pine View Chapter of buildOn is proud to announce that, with your support, we are building a primary school in Malawi! On May 24, a group of 15 students and parents left for a Trek to a remote village in Malawi, where they worked in solidarity with the local community members to break ground on our primary school. We want to thank everyone who supported us in our fundraising efforts this year, with a huge thank you from our biggest supporters, Andy Ezzell and JoAnn Patrick-Ezzell. The Ezzells helped us meet our goal with a \$10,000 donation from their foundation, Give Something Back International. We are very grateful for their generosity.

We would also like to thank Mark Famiglio and Paul and Petra Ratner for their support through Sarasota Film Festival. In January, we held our first annual Family Movie Night, and in April, our group was featured at the Sarasota Film Festival prior to a screening of “The Boy Who Harnessed the Wind.”

With a strong campaign by junior, Mia Hanes, and a matching donation by local buildOn supporter, Mrs. Rani Jeffries, we were able to successfully raise an additional \$5,000 for an Adult Literacy Program in this village. The Adult Literacy Program is a wonderful gift to the village because it empowers the adults in the community through their own basic education, thus helping sustain the support for education and schooling that every community needs.

**We are proud to announce the Pine View Students on the Malawi 2019 Trek Team:**

Along with proud Pine View parent and debate judge extraordinaire, Darrell Nicholson, PV Speech and Debate Coach, Donna Gray, led a group of nine competitors on this highly successful trip! **Arya Nalluri:**

Octo-finalist in Duo Interpretation

**James Kim:**

# PINE VIEW RUN CLUB STARTING SOON!

## Pine View Run Club **Spark Brain Builders**

**A before school exercise  
program to prime the brain  
for learning**

### How Does Exercise Impact Learning?

Everyone knows exercise is good for your body. However, did you know that exercise immediately benefits your brain as well?

Exercise produces numerous chemicals that affect cognition, mood, and executive function. A chemical that dramatically increases post-exercise is BDNF.

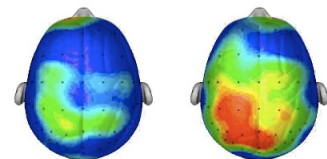

BDNF - Brain-Derived Neurotrophic Factor - is like “miracle grow” for your brain.

BDNF causes growth in connections of brain cells (learning), growth of capacity of systems (attention, memory), and is even involved in growing new brain cells (previously not thought possible!).

BDNF is an anti-depressant, anti-toxic stress factor and correlates with intelligence and memory. Dr. John Ratey, a psychiatrist from Harvard, says that if exercise was a medication, we would all want to buy it – the effects are so beneficial and so powerful.

**“SPARK Brain Builders” is an expansion of the already successful Run Club – SPARK will be held five days a week, starting on September 3. Forms will be coming home soon for elementary and middle school. All students MUST have a completed form in order to participate!**

Composite of 20 student brains taking the same test

After 20 minute walk

**Spark Brain Builders will meet each morning from 8:15-8:45 on the track (weather permitting). The track will be supervised, and students are encouraged to get out and run or walk. Parents are welcome to accompany their child/children. If you can volunteer to help, please contact Cindi Wozniak!**
